Knoblock, 2002-08-28 New Hampshire once had nearly four hundred covered bridges most of which unfortunately are no longer in existence Some of them were railroad bridges and although often viewed as charming relics of the past all of these bridges were actually vital links in New Hampshire s transportation system Covered bridges were used to cross most of New Hampshire s large rivers including the Connecticut Merrimack Mascoma Contoocook Pemigewasset and Ashuelot New Hampshire Covered Bridges is a photographic study of the state s enclosed wooden spans that date from as far back as 1827

The book contains rare photographs of historic bridges that no longer exist as well as pictures of many that still stand today. The images are accompanied by detailed information about the design and construction of covered bridges and the men who built them. Each bridge has its own life story. Some have defied floods and hurricanes and still stand; others have fallen victim to nature or arson or the demands of modern transportation.

Keene Retribution Gloria H. Giroux, 2024-01-15 1979 As the turbulent decade wound down Disco was still ruling the airwaves but more complex music was rushing towards the scene. Boiling anti American sentiments were fermenting in the Middle East culminating in the hostage taking of American embassy personnel and others in Tehran after the Shah fled to Egypt. The United States established full diplomatic relations with China. Using the Twinkie defense Dan White is only convicted of manslaughter in the murders of George Moscone and Harvey Milk. Michael Jackson broke through as a single artist with his album *Off the Wall*. Worldwide per capita oil production reached an historic peak. The Soviet Union launched its invasion of Afghanistan. With all the turmoil in the world people were still excited about reaching a new decade with all the promise underlying the negativity bubbling at the end of the 1970s. Big hair and shoulder pads were on the horizon. In the small city of Keene in southern New Hampshire strange murders have begun starting with the decapitations of hitchhikers by a man who pays an ironic price. They continue in different manners with different victims slowly revealing a dark pattern that intensifies the elusiveness of the perpetrator. People from different walks of life band together to uncover the truth and bring the killer to justice. A crime novelist, a young police detective and his associates, a diligent determined reporter and a reclusive Asian man with a mysterious past who isn't all he seems and might be something no one would suspect. As they pursue sharing investigations theories and clues the twisted killer is stalking the city with a focused ruthlessness that is stacking up bodies and keeping his pursuers at bay. The climax of the hunt rushes towards an unexpected and heart pounding conclusion in the wild White Mountains of New Hampshire. But that climax is far from the end of the story, a twist no one would have imagined or prepared for.
