Helterbran, 2012-02-16 A follow up to Helterbran's popular *Why Flamingos Are Pink* and 250 other Things You Should Know, this entertaining volume identifies more of the surprising explanations for the facts, tales, and lore associated with day to day living and the world around us. Organized into seven categories, this book tells you why birds perched on power lines aren't electrocuted, the origins of such expressions as swan song and willy nilly, and the science behind such phenomena as ball lightning, blue glaciers, red tide, and thunder snow. More than a mere compendium of trivia, this book is a springboard for learners of all ages. **I Wrote That One, Too . . .** Steve Dorff, 2017-09-01 One of the most successful songwriters and composers of the last 25 years, Steve Dorff has penned over 20 Top 10 hits for pop and country artists around the world, including Barbra Streisand, Celine Dion, Blake Shelton, Smokey Robinson, Kenny Rogers, Ray Charles, Anne Murray, Whitney Houston, George Strait, Dolly Parton, Judy Collins, Cher, Dusty Springfield, Ringo Starr, and Garth Brooks. He has scored for television shows including *Growing Pains*, *Major Dad*, *Murder, She Wrote*, *Reba*, and several films including *Any Which Way but Loose*, for which he penned the titular song, and more recently he has embarked on Broadway's forthcoming musical *Josephine*. Chronicling his four decades behind the music, Steve Dorff gives anecdotes, advice, and insights into his journey. The book follows Steve from his childhood in Queens to Manhattan to Nashville and to his eventual arrival in Los Angeles, California. Oftentimes, songs are attributed to the singers who perform them, but it is the songwriter who really knows the story behind the story, from conception to execution. Full of heartfelt stories, hard-earned wisdom, and delightful wit, *I Wrote That One Too* is a great read for musicians, music fans, and whoever has chased their dreams and survived the surprising but often serendipitous turns in the road. [Playbills to Photoplays](#) New England Vintage Film Society Inc., 2010-12-01 They were pioneers in the most glamorous business in the world, and you only know half of their story. *Playbills To Photoplays* reveals colorful episodes in the lives of the stars before they became stars. Everyone saw them, but few knew where they came from. This collection of essays follows some of the most famous names in show business from Vaudeville and Broadway to Hollywood, revealing a part of their lives that movie historians have neglected until now. I think this book is terrific. It's a must read for any fan of the silver screen and the days when movie stars were real stars: Morgan Loew, great grandson of Adolph Zukor, founder Paramount Pictures; and Marcus Loew, founder Loew's Theaters and MGM. Ms. Loew's choice of performers to
