dark places where its lifeblood flows and what city has more of those than Venice In *The Other Venice* Predrag Matvejevic ventures past the infamous canals and cobblestone streets of the tourist s Venice to find the heart of the ancient Italian metropolis A lyric re imagining of the City of Romance *The Other Venice* utterly reconfigures the Venetian landscape as Matvejevic follows both real and imaginary maps contemporary and historical to trace out the details of this sensuous city He probes into what the ancient metropolis means to its people the nation and global culture But he also finds hints of life in the smallest and most mundane details ancient bridges rust flecked boats wall sculptures rivers and piazzas scattered throughout the city Each has a little known story and with Matvejevic as our guide he reveals the stories behind them all The book carries readers to a Venice that has escaped the eyes of writers artists and photographers through the centuries and Matejevic by turns plays a historian cartographer anthropologist and philologist as he unravels elusive artifacts of time past Arresting black and white photographs by renowned photographer Sarah Quill accompany the text offering a silent testament to Matvejevic s pilgrimage A fascinating and beautifully written guide *The Other Venice* reminds us that there is always another mystery to uncover in the city of water and stone

Body of Secrets James Bamford,2007-12-18 The National Security Agency is the world s most powerful most far reaching espionage Now with a new afterword describing the security lapses that preceded the attacks of September 11 2001 *Body of Secrets* takes us to the inner sanctum of America s spy world In the follow up to his bestselling *Puzzle Palace* James Bamford reveals the NSA s hidden role in the most volatile world events of the past and its desperate scramble to meet the frightening challenges of today and tomorrow Here is a scrupulously documented account much of which is based on unprecedented access to previously undisclosed documents of the agency s tireless hunt for intelligence on enemies and allies alike *Body of secrets* is a riveting analysis of this most clandestine of agencies a major work of history and investigative journalism A New York Times Notable Book **The Secrets of the Great City** Edward Winslow Martin,2004-06 This is a pre 1923 historical reproduction that was curated for quality Quality assurance was conducted on each of these books in an attempt to remove books with imperfections introduced by the digitization process Though we have made best efforts the books may have occasional errors that do not impede the reading experience We believe this work is culturally important and have elected to bring the book back into print as part of our continuing commitment to the preservation of printed works worldwide

Dark Secrets - White Lies Ellen Williamson,2011-02-10 We often live in an agony from which we wish to be free and then when the situation changes it is not as wonderful as we expected The grass is not always greener on the other side of the fence but we go to great effort to climb that fence only to realize our predicament is worse than before We go through the steps we took and then moan if only I had done it differently Darlene Hawkins finds herself in an abusive relationship and for the sake of her and her children she seeks for a way to get out She is not prepared for the unfortunate events that happen as she makes her escape nor for the heartache that follows Her heart longs for the child she left behind and then an unexpected tragedy prevents their long

anticipated reunion This book is set in the nineteen forties when the world was engaged in the conflict of World War II the introduction of the Atomic Bomb and the struggle to overcome the devastation of the Great Depression The hills of Tennessee in the area that was to become Oakridge Tennessee Kilgore Texas and Abilene Texas are the geographical settings of the story Darlene Hawkins struggles to provide for her family in a community steeped with traditions and the dominance of the man over his wife The opening of the mysterious manufacturing plant in the hills of Tennessee and the introduction of women to the working world give Darlene a means of escape

The Secrets of the Great City Edward Martin, 2014-04-26 From the PREFACE NEW YORK is a great secret not only to those who have never seen it but to the majority of its own citizens Few living in the great city have any idea of the terrible romance and the hard reality of the lives of two thirds of the inhabitants The writer has seen more of this perhaps than falls to the lot of persons whose duty or curiosity does not lead them under the shadow of the darker sides of city life and he has thought it well to embody in book form the results of his own observation At the same time he has drawn freely upon the experience of those who have seen more than himself This volume does not pretend to be a work of fiction It is a simple narration of actual facts It is designed to warn the thousands who visit the city against the dangers and pitfalls into which their curiosity or vice may lead them and it is hoped that those who read the book will heed its warnings The city is full of danger The path of safety which is pointed out in these pages is the only one a total avoidance of the vicinity of sin No matter how clever a man may be in his own town or city he is a child in the hands of the sharpers and villains of this community and his only safety lies in avoiding them His curiosity can be satisfied in these pages and he can know the Great City from them without incurring the danger attending an effort to see it The Author New York City 1868

Secrets of a Marine's Wife Shanna Hogan, 2019-02-26 Now a TV Movie In *Secrets of a Marine's Wife* award winning journalist and New York Times bestselling author Shanna Hogan tells the true story of a young Marine wife whose illicit affair ended in tragedy In June 2014 19 year old Erin Corwin was living a quiet life in Twentynine Palms California expecting her first child with her husband U S Marine Corporal Jon Corwin until the day she drove off into the desert and never returned As temperatures climbed into the hundreds friends and family teamed up with local law enforcement in a grueling search of Joshua Tree National Park Nearly two months after her disappearance Corwin's body was found at the bottom of an abandoned mine shaft a homemade garrote wrapped around her throat Suspicions mounted within the tight knit Marine community as residents questioned if the killer was one of their own Fellow Marine Christopher Lee and his wife lived next door to the Corwins and the two young couples had leaned on each other for support But detectives soon discovered that Chris and Erin's relationship had developed into a whirlwind romance that consumed them both and called the paternity of Corwin's baby into question Lee told investigators he'd been out hunting the day of Corwin's disappearance but his claims of innocence soon began to crumble And while Erin was researching baby names Lee was reportedly searching the internet for ways to dispose of a human body Through interviews court records and extensive research bestselling true

crime author Shanna Hogan constructs a chilling story of betrayal deception and tragedy *Radical Space* Debra Benita Shaw,Maggie Humm,2016-03-24 The spatial turn in the Humanities and Social Sciences has produced a considerable body of work which re assesses space beyond the fixed Cartesian co ordinates of Modernity and the nation state In the process space has been revealed as a productively contested concept with methodological implications across and between disciplines The resulting understandings of space as fluid changeable and responsive to the situation of bodies both human and non human has prepared the ground for radical concepts and uses of space with implications for how we conceive of contemporary lived reality Rather than conceiving of bodies as constantly rendered docile within the spaces of the post industrial nation state *Radical Space* reveals how activists and artists have deployed these theoretical tools to examine and contest spatial practice Bringing together contributions from academics across the humanities and social sciences together with creative artists this dynamically multidisciplinary collection demonstrates this radicalization of space through explorations of environmental camps new explorations of psychogeography creative interventions in city space and mapping the extra terrestrial onto the mundane spaces of everyday existence *The Secret Life of Hidden Places* Stefan Bachmann,April Genevieve Tucholke,2024-02-13 A spellbinding tour filled with stories and photographs of some of the world s most fascinating architectural mysteries This wondrous guide for the curious and the intrepid takes readers on a lushly photographed and lyrically written tour of eighteen of the world s most captivating architectural mysteries Delve into both the secretive places themselves and the eccentric and obsessive minds that created them Visit a chamber of skulls high in the Swiss Alps a Japanese temple full of traps a Parisian apartment locked and untouched since World War II a Prohibition era speakeasy in Washington DC and a spooky initiation well in Portugal built by a secret society How far down can you climb before losing your nerve **The Secrets of the Great City** Edward Winslow Martin,2017-05-24 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Second Catalogue of the Library of the Peabody Institute of the City of Baltimore, Including the Additions Made Since 1882** Johns Hopkins University.
