Rothwell, Marilyn N. Butler, Daryl L. Hunt, Jessica Li, Cecilia Maldonado, Karen Peters, 2010-04-15 This important resource offers an understanding of the basic principles that underlie training methods and the use of technology training in the workplace The authors provide a primer for the four pervading and more advanced technologies used in business training the Internet computer based training knowledge management systems and decision support tools Appropriate for those who have little or no formal training in educational technology this book addresses such topics as the decision to use the pros and cons for using and presentation strategies for media as varied as the Internet teleconferencing videoconferencing satellite distance learning and electronic performance support systems Note CD ROM DVD and other supplementary materials are not included as part of eBook file *Apple's Secret Of Success - Traditional Marketing Vs. Cult Marketing* Sascha Schneiders, 2011 There is possibly no other company which is so casual and at the same time so powerful as the computer and entertainment manufacturer Apple The company controls the online music market the market for portable music players and is now capturing the high tech mobile phone market Apple moves into new electronic markets with strong competitors in order to monopolise them just a short time later The CEO Steve Jobs has brought a brand into being that is different and at the same time mainstream A strong magnetic brand which yields more influence in people's life than one would care to admit This is absolutely the reason why every company in the world wishes for a strong magnetic brand which can be defined as a CULT BRAND They get repeatedly chosen over the competition They

bring higher prices than the competition And if they are a strong enough brand their customers not only use their products but evangelize them to the world This project aims to analyze Apple s marketing activities in order to figure out what makes this company so successful It adds to the traditional marketing theory the new theory of cult marketing because traditional marketing delivers no approach to explain the behavior of cult brands The phenomena of a Cult Brand are comparable to the patterns of a religion and Apple as well has strong believers When it comes to their favorite brand they enjoy telling who ever will listen how great it is and why they love it so much People are camping in front of Apple s stores just to get their latest innovative product And if their Messiah Steve Jobs enters the stage to introduce a new product to thousands of viewers he brings the house down This book discusses Apple s unique Marketing Strategy and delivers a guideline on the Example of Apple of the needed conditions to convert an ordinary brand into a CULT BRAND *The Momentum Effect* Jean-Claude Larréché,2008 Delivering consistent profitable growth is the 1 non negotiable imperative facing today s business leaders Many firms struggle to meet it Only a rare few consistently achieve it How do they do it The answer lies in a tremendously potent but little understood force momentum Momentum feeds on itself if nurtured properly it accumulates even more power from its own success creating new value with unparalleled efficiency In *The Momentum Effect* INSEAD s Jean Claude Larreche reveals exactly how to build and preserve business momentum and use it to deliver growth that gets you noticed year after year after year Larreche begins by demonstrating the powerful hidden role of momentum in value creation and why it s more important than innovation marketing excellence or even customer focus Next one at a time he introduces eight tightly linked building blocks of momentum strategy You ll learn through dozens of case studies surprising new insights into familiar companies like IBM and Toyota as well as remarkable under recognized leaders like Rentokil and First Direct Last but not least Larreche demonstrates how to build the unique leadership competencies needed to implement and sustain a winning momentum strategy not just for years but for decades **Greasemonkey Hacks** Mark Pilgrim,2005-11-15 A book about programming with Greasemonkey a Firefox extension for customizing web pages **Steve Jobs** Walter Isaacson,2011 Based on more than 40 interviews with Jobs conducted over two years as well as interviews with more than 100 family members friends adversaries competitors and colleagues Isaacson has written a riveting story of the roller coaster life and searingly intense personality of a creative entrepreneur whose passion for perfection and ferocious drive revolutionized six industries personal computers animated movies music phones tablet computing and digital publishing *Switching to the Mac* David Pogue,2012 Ready to move to the Mac This incomparable guide helps you make a smooth transition New York Times columnist and Missing Manuals creator David Pogue gets you past three challenges transferring your stuff assembling Mac programs so you can do what you did with Windows and learning your way around OS X Learning to use a Mac is not a piece of cake but once you do the rewards are oh so much better You won t find questionable firewalls or inefficient permissions Just a beautiful machine with a thoroughly reliable system Whether you re using Windows XP or Windows 7 we
