teams and leagues operated for decades representing a major achievement in black enterprise and institution building Negro League Baseball The Rise and Ruin of a Black Institution presents the extraordinary history of a great African American achievement from its lowest ebb during the Depression through its golden age and World War II until its gradual disappearance during the early years of the civil rights era Faced with only a limited amount of correspondence and documents Lanctot consulted virtually every sports page of every black newspaper located in a league city He then conducted interviews with former players and scrutinized existing financial court and federal records Through his efforts Lanctot has painstakingly reconstructed the institutional history of black professional baseball locating the players teams owners and fans in the wider context of the league s administration In addition he provides valuable insight into the changing attitudes of African Americans toward the need for separate institutions *Invisible Men* Donn Rogosin, Monte Irvin, 2020-10 On Feb 13 1920 a group of independent black baseball team owners held a meeting at a YMCA in Kansas City Missouri While they couldn t have known at the time that they were about to change the course of American history it was out of that meeting that the Negro National League was born The league flourished throughout the 1920s and beyond becoming the first successful organized professional black baseball league in the country By providing a playing field for African American and Hispanic baseball players to showcase their world class baseball abilities it became a force that provided cohesion and a source of pride in black communities Among them were the legendary pitchers Smokey Joe Williams whose fastball seemed to come off a mountain top Satchel Paige the ageless wonder who pitched for five decades and such hitters as Josh Gibson Buck Leonard and Oscar Charleston whose talents as players may have even been surpassed by their total commitment to their profession and hardiness Leading the leagues were memorable characters like Gus Greenlee of the Pittsburgh Crawfords and Effa Manley of the Newark Eagles Although their games were ignored by white owned newspapers and radio stations black ballplayers and their teams became folk heroes in cities such as Chicago Kansas City Pittsburgh Philadelphia New York and Washington DC where the teams drew large crowds and became major contributors to the local community life with influence extending far beyond the baseball fields This memorable narrative filled with the memories of many surviving Negro League players pulls the veil off these invisible men who were forced into the segregated leagues What emerges is a glorious chapter in African American history and an often overlooked aspect of our American past **A Noble Game** Will Pascoe, 2006 The Negro Baseball Leagues were one of the first and most successful black businesses in the United States during the first half of the twentieth century Combining great athletic skill shrewd marketing and a professional spirit that was the equal to its white major league counterpart black baseball was so successful in its efforts to show a competitive game to a larger section of America that ultimately its own success led to its spectacular downfall When Jackie Robinson broke Major League Baseball s color wall in 1947 the game of baseball was changed forever and for the Negro Baseball Leagues it was the beginning of the end A Noble Game looks at the rise and fall of the Negro Baseball Leagues what they

meant to America in an age of segregation and how their success was a powerful influence during the early days of the American Civil Rights movement Including interviews with former Negro League stars and exhaustive research A Noble Game is a rich study of what baseball meant to Americans both black and white in the decades before Jackie Robinson changed history A Noble Game is the little known story of how the first popular civil rights battle and victory occurred not in the courts or in the legislature but on the baseball diamond
