Seducing America:

Seducing America Roderick P. Hart, 1999 These feelings have become television's distinctive currency postmodern tokens for a manifestly uncertain world Hart explores the considerable costs of this legacy for governance and urges that it be supplanted by a New Puritanism a set of community based attitudes badly needed in the nation at present Seducing America Roderick P. Hart, 1998-07-27 Roderick P Hart's revised edition of *Seducing America* is an eye opening look at how television's format of presenting politics to its viewers has changed the way television watching citizens act vote and feel about politics in this country While television makes us feel knowledgeable important informed and close to our political representatives it disguises dissatisfaction with the political system and with ourselves Hart's rigorous blend of rhetorical and statistical research plus his eloquent and passionate writing make this book a superb supplementary text for political communication and media studies courses that will help engage students in provocative discussions about media and politics

Reality Television Alison F. Slade, Amber J. Narro,, Burton P. Buchanan, 2014-03-06 Reality television remains a pervasive form of television programming within our culture The new mantra is go big or go home be weird or be invisible Here Comes Honey Boo Boo and Duck Dynasty for example are arguably two of the most compelling reality television programs currently airing because of their uniqueness and ability to transcend traditional boundaries in this genre Reality Television Oddities of Culture seeks to explore not the mundane reality programs but rather those programs that illustrate the odd unique or peculiar aspects of our society This anthology will explore such programs across the categories of culture gender and celebrity

Califano, Joseph A., Jr. Califano, 2007-02 Joseph A Califano Jr spent thirty years in Washington at the top of the Pentagon on the White House staff as chief domestic advisor to the President and in the Cabinet His work *Governing America* explores the inner workings of the executive branch From Simon Schuster *Governing America* is Joseph A Califano Jr's insider report from the White House and the cabinet

The Politics of Serial Television Fiction Sebastian Naumann, 2025-02-08 Fictional TV politics played a pivotal role in the popular imaginaries of the 2010s across cultures Examining this curious phenomenon Sebastian Naumann provides a wide ranging analysis of the rapidly evolving landscape of contemporary polit series Proposing a novel structural model of serial television he offers an innovative methodological framework for comparative textual analysis that integrates sociocultural economic sociotechnical narratological and aesthetic perspectives This study furthermore explores how the changing affordances of nonlinear television impact serial storytelling and identifies key narrative trends and recurring themes in contemporary TV polit fiction

Communication in U.S. Elections Roderick P. Hart, Daron R. Shaw, Daron Shaw, 2001 Over the past thirty five years the rapid development of communication technology the decline of political parties a growing culture of cynicism and the rise of the Internet have all affected U S political campaigns But while these forces seem powerful little scientific evidence has been gathered of their impact *Communication in U S Elections* presents work from some of the best young scholars in two

disciplines communication and political science on how modern election campaigns are affected by such forces The authors look at how voters acquire political information how issues are framed for them by the mass media how attitudes about social groups are created and how political advertising uses popular culture to affect voting patterns The result is a fresh and comprehensive overview of why modern political campaigns turn out as they do **American Voices** Bernard K. Duffy, Richard Leeman, 2005-08-30 Contemporary public speaking remains an important part of our national life and a substantial force in shaping current events Many of America's most important moments and issues such as wars scandals election campaigns September 11 2001 have been defined by oratory Here over 50 essays cover a substantial and interesting group of major American social political economic and cultural figures from the 1960s to the present Each entry explains the biographical forces that shaped a speaker and his or her rhetorical approach focuses mainly on a discussion of the orator's major speeches within the context of historical events and concludes with an appraisal of the speaker and his or her contribution to American political and social life All entries incorporate chronologies of major speeches bibliographies including primary sources biographies and critical studies and archival collections or Web sites appropriate for student research Entries include high profile individuals such as John D Ashcroft Elizabeth Dole Jerry Falwell Anita Hill Ralph Nader Ronald Reagan Janet Reno Gloria Steinem Malcolm X and many others Excerpts of major speeches and sidebars complement the text Ideal for researchers and students in public speaking classes American history classes American politics classes contemporary public address classes and rhetorical theory criticism classes *The Early English County Court* George Herbert Guttridge, John James Van Nostrand, William Alfred Morris, 1925 **University of California Publications in History**, 1925 **The Imperial Domains of Africa Proconsularis** John James Van Nostrand, 1925 University of California Publications in History University of California, Berkeley, 1925 *David Hartley, M.P.* George Herbert Guttridge, 1925 **The Rhetoric of Operation Rescue** Mark Allan Steiner, 2006-05-12 A close look at the rhetoric of Operation Rescue **Elvis Culture** Erika Doss, 1999 Doss fine arts and American studies U of Colorado Boulder examines the image of Elvis from a number of perspectives including as a religious icon honored in household shrines as a sexual fantasy for women and men as an inspiration for impersonators as a not altogether positive emblem of whiteness for many blacks and as a commodity to be protected by Elvis Presley Enterprises Bandw illustrations Annotation copyrighted by Book News Inc Portland OR *Icons of American Cooking* Elizabeth S. Demers Ph.D., Victor W. Geraci, 2011-03-08 Discover how these contemporary food icons changed the way Americans eat through the fascinating biographical profiles in this book Before 1946 and the advent of the first television cooking show James Beard's I Love to Eat not many Americans were familiar with the finer aspects of French cuisine Today food in the United States has experienced multiple revolutions having received and embraced influences from not only Europe but cultures ranging from the Far East to Latin America This expansion of America's appreciation for food is largely the result of a number of well known food enthusiasts who forever

changed how we eat Icons of American Cooking examines the giants of American food cooking and cuisine through 24 biographical profiles of contemporary figures covering all regions cooking styles and ethnic origins This book fills a gap by providing behind the scenes insights into the biggest names in American food past and present **New Media for the New Millennium** William C. Spragens, 2003 This book discusses the careers of the six White House press secretaries serving between 1981 and 1998 and the press secretaries for six governors during the same period An introduction briefly outlines the history of public relations and the Press Secretary's changing role during the era of radio and television Two concluding chapters consider correspondents' views of the Secretaries' work and situate the study in the context of ambition theory Spragen is a political scientist formerly associated with American University Annotation c 2003 Book News Inc Portland OR booknews.com *Mad Men, Mad World* Lauren M. E. Goodlad, Lilya Kaganovsky, Robert A. Rushing, 2013-03-11 Since the show's debut in 2007 *Mad Men* has invited viewers to immerse themselves in the lush period settings ruthless Madison Avenue advertising culture and arresting characters at the center of its 1960s fictional world *Mad Men Mad World* is a comprehensive analysis of this groundbreaking TV series Scholars from across the humanities consider the AMC drama from a fascinating array of perspectives including fashion history architecture civil rights feminism consumerism art cinema and the serial format as well as through theoretical frames such as critical race theory gender queer theory global studies and psychoanalysis In the introduction the editors explore the show's popularity its controversial representations of race class and gender its powerful influence on aesthetics and style and its unique use of period historicism and advertising as a way of speaking to our neoliberal moment *Mad Men Mad World* also includes an interview with Phil Abraham an award winning *Mad Men* director and cinematographer Taken together the essays demonstrate that understanding *Mad Men* means engaging the show not only as a reflection of the 1960s but also as a commentary on the present day Contributors Michael B. Trump and Putin in Media Mythologies Olena Leipnik, 2025-07-02 *Trump and Putin in Media Mythologies* provides an account of the media portrayal of two presidents Donald Trump of the United States and Vladimir Putin of the Russian Federation as mythologized figures The book delineates the mythologizing strategies media employ to build these two leaders' narratives and the logic of mythologization of the overall political process It addresses the construction of the two presidential imageries and the political and cultural needs fulfilled by the archetypes they embody The volume provides a comparative analysis of two culture specific narrating strategies that resonate with the two American and Russian electorates This interdisciplinary account combines the areas of media studies myth studies political anthropology and cultural studies It will also be an essential read for scholars and graduate students interested in political communication public relations and cognitive marketing **This Sacred Trust** Paul C. Nagel, 1971-01-02 Nagel's classic work deals with

nineteenth century America's coming awareness as a nation and its agonizing struggle to turn itself into a model republic. He perceptively explores the growth of American nationalism in its political, social, religious, economic, and literary implications. The resulting book is a vivid portrait of how America viewed itself, what concerned it deeply, and ultimately of those forces in society that led to a new spirit of militant nationalism. *Common Sense* Thomas Paine, 2003-02-11. Includes the complete texts of *Common Sense*, *Rights of Man*, Part the Second, *The Age of Reason*, part one, *Four Letters on Interesting Subjects*, published anonymously and just discovered to be Paine's work, and *Letter to the Abbé Raynal*, Paine's first examination of world events as well as selections from *The American Crises*. In 1776, America was a hotbed of enlightenment and revolution. Thomas Paine not only spurred his fellow Americans to action but soon came to symbolize the spirit of the Revolution. His elegantly persuasive pieces spoke to the hearts and minds of those fighting for freedom. He was later outlawed in Britain, jailed in France, and finally labeled an atheist upon his return to America.
