### **Seduction Game Harlequin Presents 203:**

Ovid in French Helena Taylor, Fiona Cox, 2023 This collection of essays examines the ways Ovid's diverse oeuvre has been translated, rewritten, adapted and responded to by a range of French and Francophone women from the Renaissance to the present. It aims to reveal lesser known voices in Ovidian reception studies and to offer a wider historical perspective on the complex question of Ovid and gender. Ranging from Renaissance poetry to contemporary creative criticism, it charts an understudied strand of reception studies emphasizing how a longer view allows us to explore and challenge the notion of a female tradition of Ovidian reception. The range of genres analysed here: poetry, verse and prose, translation, theatre, epistolary, fiction, autofiction, autobiography, film, creative critique and novels also reflect the diversity of the Ovidian texts in reception from the *Heroides* to the *Metamorphoses* from the *Amores* to the *Ars Amatoria* from the *Tristia* to the *Fasti*. The study brings an array of critical approaches to bear on well known authors such as George Sand, Julia Kristeva and Marguerite Yourcenar as well as less known figures from contemporary writer Linda L. to the early modern Catherine and Madeline Des Roches exploring exile, identity, queerness, displacement, voice, expectations of modesty, the poetics of translation and the problems posed by Ovid's eroticized violence to name just some of the volume's rich themes. The epilogue by translator and novelist Marie Cosnay points towards new eco-critical and creative directions in Ovidian scholarship and reception. Students and scholars of French Studies, Classics, Comparative Literature and Translation Studies will find much to interest them in this diverse collection of essays.

She wasn't ready to take a chance on another, especially a man who didn't seem to be offering her anything more than a red-hot affair. She was determined not to be another notch on Adam's bedpost; only she couldn't stop herself wanting him.
