The Seduction of Lady Carroll Joy Reed,1996 *Sex and Class in Women's History* Judith L. Newton,Mary P. Ryan,Judith R. Walkowitz,2013-01-03 The essays collected in this volume reflect the upsurge of interest in the research and writing of feminist history in the 1970s 80s and illustrate the developments which have taken place in the types of questions asked the methodologies employed and the scope and sophistication of the analytical approaches which have been adopted Focusing on women in nineteenth century Britain and America this book includes work by scholars in both countries and takes its place in a long history of Anglo American debate The collection adopts the doubled vision of feminist theory the view that it is the simultaneous operation of relations of class and of sex gender that perpetuate both patriarchy and capitalism This view informs a wide variety of contributions from *Class and Gender in Victorian England* to *Servants Sexual Relations* and the *Risks of Illegitimacy* *Free Black Women* *The Power of Women s Networks* and *Socialism Feminism and Sexual Antagonism in the London Tailoring Trade* Both the vigour and the urgency of scholarship infused with social aims can be clearly felt in the essays collected here **Queering the South on Screen** Tison Pugh,2020 Within the realm of U S culture and its construction of its citizenry geography and ideology who are Southerners and who are queers and what is the South and what is queerness *Queering the South on Screen* addresses these questions by examining the intersections of queerness regionalism and identity depicted in film television and other visual media about the South during the twentieth century From portrayals of slavery to gothic horror films the contributors show that queer southerners have always expressed desires for distinctiveness in the making and consumption of visual media Read together the introduction and twelve chapters deconstruct premeditated labels of identity such as queer and southern In doing so they expose the reflexive nature of these labels to construct fantasies based on southerner s self identification based on what they were not *First Lady of Laughs* Grace Kessler Overbeke,2024-09-17 Piecing together the forgotten story of Jean Carroll the first Jewish female stand up comedian this book reveals the history of women in comedy American Jews and how stand up found its feet

Reframing Todd Haynes Theresa L. Geller,Julia Leyda,2022-02-07 For three decades award winning independent filmmaker Todd Haynes who emerged in the early 1990s as a foundational figure in New Queer Cinema has gained critical recognition for his outsider perspective Today Haynes is widely known for bringing women s stories to the screen Analyzing Haynes s films including *Safe* 1995 *Velvet Goldmine* 1998 *Far from Heaven* 2002 and *Carol* 2015 as well as his unauthorized Karen Carpenter biopic *Superstar* 1987 and the television miniseries *Mildred Pierce* 2011 the contributors to *Reframing Todd Haynes* reassess his work in light of his long standing feminist commitments and his exceptional career as a director of women s films They present multiple perspectives on Haynes s film and television work and on his role as an artist activist who draws on academic theorizations of gender and cinema The volume illustrates the influence of feminist theory on Haynes s aesthetic vision most evident in his persistent interest in the political and formal possibilities afforded by the genre of the

woman's film The contributors contend that no consideration of Haynes's work can afford to ignore the crucial place of feminism within it Contributors Danielle Bouchard Nick Davis Jigna Desai Mary R Desjardins Patrick Flanery Theresa L Geller Rebecca M Gordon Jess Issacharoff Lynne Joyrich Bridget Kies Julia Leyda David E Maynard Noah A Tsika Patricia White Sharon Willis **Midsummer Moon** Joy Reed, 1997 Spending the summer with an irrepressible cousin spinster Jane Reynolds believes that the two eligible bachelors who arrive are interested in her cousin until one of them starts courting her

Witness to Reconstruction Kathleen Diffley, 2011-07-18 In the wake of the Civil War Constance Fenimore Woolson became one of the first northern observers to linger in the defeated states from Virginia to Florida Born in New Hampshire in 1840 and raised in Ohio she was the grandniece of James Fenimore Cooper and was gaining success as a writer when she departed in 1873 for St Augustine During the next six years she made her way across the South and reported what she saw first in illustrated travel accounts and then in the poetry stories and serialized novels that brought unsettled social relations to the pages of Harper's Monthly the Atlantic Scribner's Monthly Appleton's Journal and the Galaxy In the midst of Reconstruction and in print for years to come Woolson revealed the sharp edges of loss the sharper summons of opportunity and the entanglements of northern misperceptions a decade before the waves of well heeled tourists arrived during the 1880s This volume's sixteen essays are intent on illuminating through her example the neglected world of Reconstruction's backwaters in literary developments that were politically charged and genuinely unpredictable Drawing upon the postcolonial and transnational perspectives of New Southern Studies as well as the cultural history intellectual genealogy and feminist priorities that lend urgency to the portraits of the global South this collection investigates the mysterious ravaged territory of a defeated nation as curious northern readers first saw it **V10 Vixen a Woman's View on Motoring**

The English Novel, Vol I Richard W. F. Kroll, 2014-07-21 The English Novel Volume I 1700 to Fielding collects a series of previously published essays on the early eighteenth century novel in a single volume reflecting the proliferation of theoretical approaches since the 1970s The novel has been the object of some of the most exciting and important critical speculations and the eighteenth century novel has been at the centre of new approaches both to the novel and to the period between 1700 and 1750 Richard Kroll's introduction seeks to frame the contributions by reference to the most significant critical discussions These include the question of whether and how we can talk about the rise of the novel the vexed question of what might constitute a novel the relationship between the novel and

possibly competing genres such as history or the romance the relationship between early male writers like Defoe and popular novels by women in the early eighteenth century the general ideological role played by novels relative to eighteenth century culture are they means of ideological conscription or liberation poststructuralist analyses of identity and gender and the emergence of sentimental and domestic codes after Richardson Since the modern European novel is often thought to have been formed in this period these debates have clear implications for students of the novel in general as well as for those interested in the early enlightenment Headnotes place each essay within the map of these wider concerns and the volume offers a useful further reading list Taken as a whole this collection encapsulates the state of criticism at the present moment

Laird, 2016-03-03 In *The Art of Adapting Victorian Literature 1848-1920* Karen E. Laird alternates between readings of nineteenth century stage and twentieth century silent film adaptations to investigate the working practices of the first adapters of Victorian fiction. Laird's juxtaposition between stage and screen brings to life the dynamic culture of literary adaptation as it developed throughout the long nineteenth century. Focusing on Charlotte Brontë's *Jane Eyre*, Charles Dickens's *David Copperfield*, and Wilkie Collins's *The Woman in White*, Laird demonstrates how adaptations performed the valuable cultural work of expanding the original novel's readership across class and gender divides, exporting the English novel to America, and commemorating the novelists through adaptations that functioned as virtual literary tourism. Bridging the divide between literary criticism, film studies, and theatre history, Laird's book reveals how the Victorian adapters set the stage for our contemporary film adaptation industry.
