See Naples and Die Tom Behan, 2002-08-23 Publisher Description

See Naples and Die Penelope Green, 2010-07-01

The second book in a much loved Italian travel memoir trilogy which also includes the delightful *When in Rome* and *Girl by Sea*. After three years living and working in Italy, Australian journalist Penelope Green needs a reason to stick around: true love or gainful employment? When a job comes up in Naples, crime capital of Italy, home of pizza and the Camorra and crouched at the foot of a volcano, Penny launches herself into the unknown. With her innate curiosity and eye for detail, Penny prisms Naples open to show us the real city in all its splendour and all its depravity. She uncovers a chaotic metropolis where crime and poverty blur with abundant natural beauty and where the shadow of Mount Vesuvius is a daily reminder that life must be lived for the moment. And when Penny meets a bass player in a local band, she thinks she might have found that other reason to stick around. This is a bewitching true tale of a tantalising city. *Magnifico* Marie Claire, frank, funny and honest. Notebook Her down-to-earth tone and genuine curiosity make for an interesting and insightful read. *Sun Herald* Author Biography Penelope Green was born in Sydney and worked as a print journalist around Australia for a decade before moving to Rome in 2002. Her first book *When in Rome* recounts her early experiences in the Eternal City. In 2005 she moved to Naples to work for ANSAmed, a Mediterranean news service. She found an apartment in the city's colourful Spanish Quarter, worked hard at mastering the Neapolitan dialect and writing her second travel memoir. *See Naples and Die*. *Girl by Sea* completes Penny's Italian experience as she moves to the idyllic island of Procida across the bay from Capri with her Italian partner Alfonso. The couple have now returned to Australia where they are making a new life for themselves back in the Southern Hemisphere. For more information, visit penelopegreen.com.au

Mafia and Antimafia Umberto

Santino, 2015-07-23 The mafia is the impenetrable and seemingly infallible embodiment of notoriety and criminality. Umberto Santino, one of Italy's leading mafia experts, here provides a new perspective on the mafia as a polymorphic organization which encompasses crime, the accumulation of corruptly acquired wealth and power, the cultural code of omertà and consensus. Exploring the movements which strive to fight against the powers of the mafia, such as the campaigns of civil society organizations like the Centro siciliano di documentazione, the author also provides a fresh look at the mechanisms and struggles of the antimafia movement.

Criminality and Power in the Postcolonial City Maria Ridda, 2022-11-21

This book investigates the literary imaginings of the postcolonial city through the lens of crime in texts set in Naples and Mumbai from the 1990s to the present. Employing the analogy of a black hole, it posits the discourse on criminality as a way to investigate the contemporary spatial manifestations of coloniality and global capitalist urbanity. Despite their different histories, Mumbai and Naples have remarkable similarities. Both are port cities, gateways to their countries and regional trade networks, and both are marked by extreme wealth and poverty. They are also the sites and symbolic battlegrounds for a wider struggle in which the North exploits the South and the South fights back. As one of the characters of the novel *The Neapolitan*

Book of the Dead puts it a narrativisation of the underworld allows for a discovery of a different city from its forgotten corners Crime provides a means to understand the relationship between space and society culture in a number of cities across the Global South by tracing a narrative of postcolonial urbanity that exposes the connections between exploitation and the ongoing coloniality of power

Women of the Mafia Felia Allum, 2024-07-15 Women of the Mafia dives into the Neapolitan criminal underworld of the Camorra as seen and lived by the women who inhabit it It tells

their life stories and unpacks the gender dynamics by examining their participation as active agents in the organization as leaders managers foot soldiers and enablers Felia Allum shows that these women are true partners in crime The author offers an innovative interdisciplinary analysis that demystifies the notion that the Camorra is a sexist male centric organization She links her analysis of Camorra culture within the wider Neapolitan context to show how mothers and women act and are treated in the private sphere of the household and how the family helps explain the power women have found in the Neapolitan Camorra It is civil society and law enforcement agencies that continue to see the Camorra using traditional gender assumptions which render women irrelevant and lacking independent agency in the criminal underworld In *Women of the Mafia* Allum debunks these assumptions by revealing the power and influence of women in the Camorra Mafia A. G. D. Maran, 2010-12-07 An expansive intriguing and meticulous account of the Sicilian Mafia The pre dawn arrests of the last remaining mafiosi in December 2008 signaled the end of the Sicilian Mafia as we know it In *Mafia Inside the Dark Heart* A G D Maran charts the complete history of the world s most infamous criminal organization from its first incarnation as an alternative form of local government in the Sicilian countryside and arguable force for good to the more familiar form that has been immortalized in films such as *The Godfather* and its final defeat after a long awaited change of attitude by the Italian government The son of an Italian immigrant A G D Maran had always been interested in the Mafia but it was a recently uncovered family secret that led him on a journey deeper into its dark heart Along the way he asks many provocative questions including Was one of the biggest errors the United States made to free and deport Lucky Luciano to Italy where he organized the international drug trade How and why did the Vatican get duped into helping the Mafia Why did the Mafia murder Roberto Calvi known as God s Banker What is the relationship between the Mafia and Freemasonry Why did successive Italian governments fail to tackle the Mafia Why did it take 40 years to find the Last Godfathers These and many other riveting issues are covered in Maran s refreshing new take on a perennially enthralling subject After a decade of exhaustive research including interviews with his many Italian contacts in this book Maran brings to life the story of the rise and fall of the Sicilian Mafia while also exploring its links to the Cosa Nostra in America *Virgil's Golden Egg and Other Neapolitan Miracles* Michael A. Ledeen, 2017-07-28 Savvy Italians will tell you that Neapolitans are considered the cleverest most imaginative most romantic and the most entertaining people in the country The world s finest men s fashions are Neapolitan Italy s most celebrated popular songs and a high proportion of popular and operatic singers are Neapolitan starting with Enrico Caruso Sophia Loren and Toto are famously Neapolitan Divorce Italian Style and Marriage Italian Style were based on plays written by the great Neapolitan Eduardo de Filippo If you check the Italian literary awards year after year you will find an amazingly high proportion of Neapolitans walking off with the highest honors Naples has been a great creative center for hundreds of years Neapolitan creativity has survived centuries of foreign occupation widespread misery the end of its role as a great capital city repeated natural catastrophes and terrible epidemics What accounts for the

Ecocriticism and Italy Serenella Iovino,2016-01-28 Winner of the MLA Aldo and Jeanne Scaglione Prize for Italian Studies 2016 Winner of the American Association for Italian Studies Book Prize 2016 Written by one of Europe s leading critics Ecocriticism and Italy reads the diverse landscapes of Italy in the cultural imagination From death in Venice as a literary trope and petrochemical curse through the volcanoes of Naples to wine food and environmental violence in Piedmont Serenella Iovino explores Italy as a text where ecology and imagination meet Examining cases where justice society and politics interlace with stories of land and life pollution and redemption the book argues that literature art and criticism are able to transform the unexpressed voices of these suffering worlds into stories of resistance and practices of liberation

The Sociological Turn in Translation and Interpreting Studies Claudia V. Angelelli,2014-09-15 Increasing attention has been paid to the agency of translators and interpreters as well as to the social factors that permeate acts of translation and interpreting In addition agency and social factors are discussed in more interdisciplinary terms Currently the focus is not only on translators or interpreters i e the exploration of their inter intra social agency and identity construction or on their

activities and the consequences thereof but also on other phenomena such as the displacement of texts and people and issues of access and linguisticism. The displacement of texts whether written or oral across time and space as well as the geographic displacement of people has encouraged researchers in Translation and Interpreting Studies to consider issues related to translation and interpreting through the lens of the Sociology of Language, Sociolinguistics and Historiography. Researchers have employed a myriad of theoretical and methodological lenses borrowed from other disciplines in the Humanities and Social Sciences. Therefore, the interdisciplinarity of Translation and Interpreting Studies is more evident now than ever before. This volume, originally published as a special issue of Translation and Interpreting Studies issue 7.2, 2012, is a perfect example of such interdisciplinarity, reflecting the shift that has occurred in Translation and Interpreting Studies around the world over the last 30 years.
