See Under--love David Grossman,1990-01 Translating Israel Alan L. Mintz,2001-06-01 Reflects the rise of literature in modern day Israel and the problematic reception of literature in America and within the American Jewish community Israeli literature provides a unique lens for viewing th inner dynamics of this small but critically important society In addition its leading writers such as S Y Agnon Yehuda Amichai Amos Oz and A B Yehoshua among others are recognized internationally as major world literary figures Despite this international recognition the rich literary tradition of Israeli literature has failed to reverberate and find significant readership or a following in America even among the American Jewish community Alan L Mintz traces the reception of Israeli literature in America from the 1970s to the present He analyzes the influences that have shaped modern Israeli literature and reflects on the cultural differences that have impeded American and American Jewish appreciation of Israeli authors Mintz then turns his attention to specific writers examining their reception or lack thereof in America and places them within the emerging unfolding critical dialogue between the Israeli and American literary culture See under love David Grosman,1986 **Theological Stains** Assaf Shelleg,2020-11-20 Theological Stains offers the first in depth study of the development of art music in Israel from the mid twentieth century to

the turn of the twenty first In a bold and deeply researched account author Assaf Shelleg explores the theological grammar of Zionism and its impact on the art music written by emigrant and native composers He argues that Israeli art music caught in the tension between a bibliocentric territorial nationalism on the one hand and the histories of deterritorialized Jewish diasporic cultures on the other often features elements of both of these competing narratives Even as composers critically engaged with the Zionist paradigm they often reproduced its tropes and symbols thereby creating aesthetic hybrids with theological stains Drawing on newly uncovered archives of composers autobiographical writings and musical sketches Shelleg closely examines the aesthetic strategies that different artists used to grapple with established nationalist representations As he puts the history of Israeli art music in conversation with modern Hebrew literature he weaves a rich tapestry of Israeli culture and the ways in which it engaged with key social and political developments throughout the second half of the twentieth century In analyzing Israeli music and literature against the backdrop of conflicts over territory nation and ethnicity *Theological Stains* provides a revelatory look at the complex relationship between art and politics in Israel

even the most important one Theology has also been called to change the world to help people connect deeply rooted beliefs about the world's source and goal to questions of personal meaning and communal thriving Theology is here to help us make sense of the complex flawed world into which we've been thrust and to assist us in our attempt to love our neighbors and live toward the common good For more than forty years the Workgroup on Constructive Theology has brought the liberal and liberationist theological traditions into creative encounter with lived human experience In this introduction to the methods and tasks of theology they invite a new generation of readers many who will have little or no exposure to Christian doctrine to see theology as a partner in the struggle for a better world They demonstrate how theological ideas have legs playing themselves out not only in religious communities but in the public square as well Theology the authors tell us is constructive when it joins in God's work of building human lives and human societies Readers will learn to think about all of life in light of their religious commitments and to see theology as an essential tool for a life well lived

(Inter)racial Relationships as Accompaniment in Twenty-First Century African American Novels E.
