poems package these teaching in what some might consider a more palatable and relatable form while the passages from scripture illustrate just how the Bible relates to our everyday lives By first sharing the message in language familiar to most readers then exposing the reader to that same concept within the scriptures the reader begins to understand just how God intended the Bible to be used in our everyday lives In that sense the poems and scripture combine together to create the lessons of verse that plant God s seeds of change into the mind of the reader And as any follower of our Lord and savior Jesus the Christ knows when these seeds are planted within good ground they will not return void For He is the way the truth and the life and no one will reach the father except by him
