Taylor,2004-01-01 This inspirational collection of sermons by the renowned preacher author and speaker is based on the Gospel of Matthew **The Gospel in Parable** John R. Donahue,1988-01-01 Professor Donahue here argues that the

parables of Jesus offer a Gospel in miniature while at the same time giving shape direction and meaning to the Gospels in which they appear To study the parables of the Gospels is to study the gospel in parable After surveying recent discussions of parable metaphor and narrative Donahue examines and interprets the parables of Mark Matthew and Luke as texts in the context of the theology of each of these Gospels Finally he outlines what The Gospel in Parable looks like and offers

suggestions for the proclamation of parables today The Sower and the Seeds ,2008 Retells the parable Jesus taught about a farmer who scattered seeds on different types of ground **Studying the Parables of Jesus** Peter Rhea Jones,1999 Peter

Rhea Jones has spent the majority of his career studying and teaching the parables Studying the Parables of Jesus is a primer on the historical and literary approaches to biblical study It informs and inspires in dialogue with contemporary methods and contemporary meanings It provides an introduction to the methods of interpretation of the parables as well as an opening chapter on the recent history of interpretation The chapters of exegesis approach a select group of parables for a more intensive analysis While reserving much of the technical details for the endnotes the text includes discussion of critical issues and alternative opinions Questions and exercises are appended at the close of each chapter for personal use or classroom discussion **Secrets, Suspects, Seeds and Soil** Ken Stewart,2021-07 The story of Jesus has often been referred to as The

Greatest Story Ever Told Indeed it is However Jesus was also very skillful in the use of stories in His teaching These were not run of the mill stories They were filled with ordinary things like seeds dirt rocks and thorns Jesus referred to His stories as parables It is a rare and amazing gift to accomplish what Jesus did with this technique He could conceal or reveal great truth in just a few words Every parable had a definite purpose In some cases there was such revelation entwined in the story it has

often been missed even when reading His explanation The parable comprising a large portion of Matthew chapter 13 is a great example It is packed with great insight into the way Jesus looks at the world in which we live Our job is to pay closer attention to the explanation of the parable than we do to the story itself Only then do we receive the benefit Jesus intended Expect your spiritual perspective to be challenged and enriched as you read what is written here It is not only far from ordinary it is rich with fresh revelation from the Holy Spirit

The Chronicles of the Seed James Roan,2018-04-03 THE CHRONICLES OF THE SEED In the Gospel of Mark the fourth chapter Jesus asked two questions that should have stopped us in our tracks However for years I read right past this without a second thought Jesus asked his disciples the following questions when they wanted an explanation about the parable of the sower Do you not understand this parable How then will you understand all the parables It was as if Jesus said STOP Do not go any farther until you completely understand the essence of the parable of the sower Just before this Jesus says To you it has been given to know the mystery of the kingdom of God but to those who are outside all things come in parables suggesting that this is a great mystery that is not for everybody but you His disciples have the privilege of knowing and understanding this mystery Finally He gives the key to this great mystery The sower soweth the Word In other words the Word is The Seed The Word is the Seed that all other seeds proceed from The Word of God was here before any other seed John 1 1 says In the beginning was the Word and the Word was with God and the Word was God

Proclaiming the Parables Thomas G. Long,2024-03-12 In *Proclaiming the Parables* noted preacher and scholar Thomas G Long moves away from past treatment of the parables primarily as literary devices and moves toward an emphasis on their theological impact as pointers to the kingdom of God While the parables are indeed significant poetic literary creations that have enchanted readers over the centuries their main power he claims lies in their disclosure of the kingdom of God which is not merely an idea nor even just a complex symbol with generative and centrifugal force but an event the inbreaking of the life of God into human history and experience Long sees parables not merely as creative figures of speech but as GPS devices taking hearers to those places where the event of God is happening all around us This book provides two chapters for each synoptic Gospel The first focuses on the Gospel as a whole and the parables place in it and the second provides preachers and teachers with detailed exegetical and homiletical commentary for each major parable in that Gospel Two introductory chapters additionally situate this book in the history and theology of the parables interpretation and address questions that preachers have about preaching the parables Preachers who consult this volume will be informed about each major parable guided through the controversies regarding interpretation and stimulated to preach on the parable in fresh faithful and creative ways

Easley,Steven L. Cox,2006-10 Gospel harmonies were inevitable One of the first impulses of someone studying a teaching or an event in Jesus life is to seek as many perspectives on that event as possible Around AD 160 Tatian compiled a single narrative of the four Gospels reducing the number of verses from 3 780 four separate Gospels to 2 769 verses without excluding any event or teaching from the life of Jesus This Holman Christian Standard Harmony of the Gospels builds on a tradition of harmonization begun in the 19TH century by John A Broadus and continued by his protege A T Robertson The HCSB Harmony contains the full text of the each of the four Gospels in the Holman Christian Standard Bible The Harmony contains interpretive and clarifying notes by a number of scholars some with differing views on the relationship between various Gospel accounts Beyond the Harmony this volume includes articles designed to address issues that arise when one compares the four Gospels and seeks to give an integrated account of the life and teachings of Jesus The HCSB Harmony is unique in that it contains eight four color maps that illuminate the life and ministry of Jesus This resource will be valuable to pastors lay Bible teachers and will serve well as a primary textbook in college and seminary courses on the Gospels and on the Life and Teachings of Jesus Book jacket **Eerdmans Commentary on the Bible: Judges and Ruth** P. Deryn Guest,Gerald West,2019-06-18 This extract from the Eerdmans Commentary on the Bible provides Guest and West s introduction to and concise commentary on Judges and Ruth The Eerdmans Commentary on the Bible presents in nontechnical language the best of modern scholarship on each book of the Bible including the Apocrypha Reader friendly commentary complements succinct summaries of each section of the text and will be valuable to scholars students and general readers Rather than attempt a verse by verse analysis these volumes work from larger sense units highlighting the place of each passage within the overarching biblical story Commentators focus on the genre of each text parable prophetic oracle legal code and so on interpreting within the historical and literary context The volumes also address major issues within each biblical book including the range of possible interpretations and refer readers to the best resources for further discussions
