Seeing Is Forgetting The Name Of The Thi:

Toni Morrison: An Ethical Poetics Yvette Christianse, 2013 Toni Morrison An Ethical Poetics situates Toni Morrison as a writer who writes about writing as much as about racialized engendered and sexualized African American and therefore American experience In foregrounding the ethics of fiction writing the book resists any triumphalist reading of Morrison s achievement in order to allow the meditative unsettled and unsettling questions that arise throughout her long labor at the nexus of language and politics where her fiction interrogates representation itself Moving between close reading and critical theory Toni Morrison An Ethical Poetics reveals the ways in which Morrison s primary engagement with language has been a search for how and what language is made to communicate and for how and what speaks in and from generation to generation There is no easy escape from such legacy no escape into a pure language free of the burdens of racialized agendas Rather there is the example of Morrison s commitment to writerly which is to say readerly wakefulness At a time when sustained study devoted to single authors has become rare this book will be an invaluable resource for readers scholars and teachers of Morrison s work

The Cloud of Unknowing Patrick J Gallacher, 1997-05-01 The Cloud of Unknowing describes the contemplative method centered around eliminating all noise and images from the mind and in that encounter with nothingness finding God Meanwhile despite the austerity of the content the style of the author is warm and congenial and eminently readable Patrick J Gallacher further makes this text accessible to students and teachers by including a gloss introduction notes and glossary This text gives a great introduction to the ethos of mysticism in the middle ages

An Introduction to International Relations Richard Devetak, Jim George, Sarah Percy, 2017-09-11 Machine generated contents note

This Is Shakespeare Emma Smith, 2020-03-31 An electrifying new study that investigates the challenges of the Bard s inconsistencies and flaws and focuses on revealing not resolving the ambiguities of the plays and their changing topicality A genius and prophet whose timeless works encapsulate the human condition like no other A writer who surpassed his contemporaries in vision originality and literary mastery A man who wrote like an angel putting it all so much better than anyone else Is this Shakespeare Well sort of But it doesn t tell us the whole truth So much of what we say about Shakespeare is either not true or just not relevant In This Is Shakespeare Emma Smith an intellectually theatrically and ethically exciting writer takes us into a world of politicking and copycatting as we watch Shakespeare emulating the blockbusters of Christopher Marlowe and Thomas Kyd the Spielberg and Tarantino of their day flirting with and skirting around the cutthroat issues of succession politics religious upheaval and technological change Smith writes in strikingly modern ways about individual agency privacy politics celebrity and sex Instead of offering the answers the Shakespeare she reveals poses awkward questions always inviting the reader to ponder ambiguities
