Taylor,2022-02-18 Finding silence amidst restlessness is what makes creative life possible and death comprehensible But how do we find more importantly how do we understand silence while immersed in the chattering of the digital age Have we forgotten how to listen Are we less prepared than ever for the ultimate silence that awaits us all Mark C Taylor s new book is a philosophy of silence for our nervous buzzing present a timely work for a world where noise is a means

of distraction domination and control Here Taylor asks the reader to pause long enough to hear what is not said and to attend to what remains unsayable But in his account our way to hearing silence is to see it Taylor explores variations of silence by considering the work of leading modern and postmodern visual artists from Barnett Newman and Ad Reinhardt to James Turrell and Anish Kapoor Drawing also on the insights of philosophers theologians writers and composers he weaves a rich narrative modeled on the Stations of the Cross We come from and return to silence in between silence is the gap hesitation interval that allows thoughts to form and words to emerge he writes His chapter titles suggest our positions toward silence or rather our pre positions Without Before From Beyond Against Within Around Between Toward With In Recasting Hegel s phenomenology of spirit and Kierkegaard s stages on life s way Taylor translates the traditional Via Dolorosa into a Nietzschean Via Jubilosa that affirms silence in the midst of noise light in the midst of darkness

Marfa and Presidio County, Texas Louise O'Connor and Cecilia Thompson, 2014-10-16 In their quest to complete their study and to share a better knowledge and understanding of a part of Texas that is still somewhat a frontier authors Louise S O Connor and Cecilia Thompson reveal the first volume of their book Marfa and Presidio County Texas A Social Economic and Cultural Study 1937 to 2008 Volume One 1937 1989 In a book that offers a closer look at the past and the present readers will see how a place known as a tourist area and a center of contemporary art came to be It returns to the pre historic era of Far West Texas and bring readers up to the present with yearly reports on the region as well as extensive formal research and personal interviews with present day people who live in Presidio County A case study worth reading this book is an eye opener for a better understanding of how this small yet historically rich land is what it is now Packed with the economic social and cultural history of Presidio County this book gives readers both lay and the historians a clear and complete picture of the events that lead to the preservation industrialization and the improvement of one of the frontiers of the United States of America

Hunting Marfa Lights James Bunnell, 2009-12 Hunting Marfa Lights reports the results of an eight year investigation into mysterious lights seen near Marfa a small west Texas town Bunnell finds that while most of the lights can be explained about three percent are truly mysterious and of unknown origin

Haunted Texas Alan N. Brown, 2022-07-15 Things that go bump in the night disembodied voices footsteps in an empty stairwell an icy hand on your shoulder let your imagination run wild as you read about Texas s most extraordinary apparitions sinister spooks and bizarre beasts You may know of Crazy Man s Tower or San Antonio s haunted railroad crossing but perhaps you haven t heard about the White Sanitarium an abandoned mental institution in Wichita Falls plagued by ghostly forms and spectral noises the Lady in Green of the McGloin house who floats persistently over the lake spurned from unrequited love and Lake Worth s monster a mysterious creature inhabiting the area that looks half human but acts like a feral animal

This Or That? 3 J. R. Mortimer,Nancy Castaldo,2015 A series of either or quizzes leads readers to such answers as their ideal career the species of their inner animal and their ideal place to live

Narrating Nonhuman Spaces Marco Caracciolo,Marlene Karlsson Marcussen,David Rodriguez,2021-08-18 Recent debates about the Anthropocene have prompted a re negotiation of the relationship between human subjectivity and nonhuman matter within a wide range of disciplines This collection builds on the assumption that our understanding of the nonhuman world is bound up with the experience of space thinking about and with nonhuman spaces destabilizes human scale assumptions Literary form affords this kind of nonanthropocentric experience one role of the critic in the Anthropocene is to foreground the function of space and description in challenging the conventional link between narrative and human inter subjectivity Bringing together

New Formalism ecocriticism and narrative theory the included essays demonstrate that literature can transgress the strong and long established boundary of the human frame that literary and narrative scholarship clings to The focus is firmly on the contemporary but with strategic samplings in earlier cultural texts the American transcendentalists modernist fiction that anticipate present day anxieties about the nonhuman while at the same time offering important conceptual tools for working through them
