Jesus 365 R.A. Meltebeke, **The Teaching Ministry of the Church** William Yount, 2008-08-15 Updated and expanded the second edition of *The Teaching Ministry of the Church* offers churches a step by step plan for establishing and maintaining effective teaching methods for every age *The Path* Rev. Dr. Ebele Okonkwo Onuigbo, 2016-06-23 Decision making is a fundamental aspect of our daily lives shaping our paths through the resolutions we reach after careful consideration From the simplest choices to the most complex dilemmas individuals continuously navigate the terrain of decision making throughout their lifetimes These decisions serve as compass points guiding us toward the fulfillment of our goals and aspirations whether they lead to positive outcomes or negative consequences How many individuals truly take the time to thoroughly consider the available facts before diving into the decision making process Engaging in wise deliberation of facts prior to making a decision is crucial for ensuring that the resulting choice will have a meaningful impact whether on the individual themselves or the circumstances at hand So how does one go about making a wise decision It involves carefully weighing the available information considering potential consequences and evaluating the implications for both oneself and others in the surrounding community Ultimately the decisions we make not only shape our own lives but also have far reaching effects on the well being and experiences of those around us In the modern world we observe a striking dichotomy between Jesus purpose driven ethos and the prevalent self centered pursuits that often consume individuals Amidst the clamor for material possessions societal status and personal comfort many seem to lose sight of life s deeper significance While the pursuit of such desires is not inherently erroneous an excessive fixation on them can obscure individuals from fulfilling their higher calling Relax! Kerry Krissel, 2008-05 Assuming you ve seen the title and subtitle you re probably thinking about reading this because you re looking for answers and change Are you tired of religion that s confusing or weak or discouraging or that leaves you empty dry stuck and unaltered Do you have questions about Christianity Do you ever wonder why your experience doesn t match the Bible s promises Would you love to be able to relax a little Well here s our promise to you this book won t answer all your questions and it won t transform your spiritual life Help you relax rethink and refocus it most likely Teach you how to open up and give God a chance to bring new life to your tiring religion probably Help you do less live more and know God better hopefully If you reorient yourself to Him He can answer your questions and transform your life God will do what no book can Kerry has been around the church his whole life and has been a pastor for over twenty years He has served in various Christian Education leadership positions and in interim and senior pastorates in several denominations His life s work has been to call people into a vital and passionate relationship with God Pastor Kerry has focused his years of reading study writing counsel and teaching on the practical side of faith Add that experience to his personal story and spiritual adventure some of which he will share with you and you should find this book worth your time PK has recently launched RELAX Ministries which can be found at www.relaxministries.com Kerry lives in and is a native of
