

A man with short dark hair and a beard is shown in profile, looking out of a window. His hands are clasped together in a prayerful or contemplative gesture. The scene is dimly lit, with the primary light source being numerous lit candles that surround him. The light from the candles and the window creates a warm, golden glow. The background outside the window is dark, suggesting it might be nighttime.

direction he insists typically requires intervention in a specific crisis or situation or question is not formal lasts fewer than five sessions and must be actively and intentionally focused on the person s growth Bidwell s work shows what spiritual directors can learn from the short term therapy model especially about enabling people briefly but effectively to learn to listen on their own and with others for God s presence Focusing on how God is already active in the directee s life allows the participants to identify God s action and respond in ways that collaborate with that identified movement of the Spirit I am Angry and I Need Help! God and the Big Bang (1st Edition) Daniel C. Matt, 2011-11-23. Mysticism and science: What do they have in common? How can one enlighten the other? By drawing on modern cosmology and ancient Kabbalah, Matt shows how science and religion can together enrich our spiritual awareness and help us recover a sense of wonder and find our place in the universe. Drawing on the insights of physics and Jewish mysticism, Daniel Matt uncovers the sense of wonder and oneness that connects us with the universe and God. He describes in understandable terms the parallels between modern cosmology and ancient Kabbalah. He shows how science and religion together can enrich our spiritual understanding. We embody the energy of the big bang, writes Matt. Furthermore, God is not somewhere else hidden from us; God is right here hidden from us. To discover the presence of God, Matt draws on both science and theology, fact and belief, and on the truths embodied in Buddhism, Hinduism, Islam, and Christianity, as well as Judaism. A rich dialogue between the physical and the spiritual, *God the Big Bang* takes us on a deeply personal, thoughtful, and inspiring journey that helps us find our place in the universe and the universe in ourselves.

God's Holiness vs. Man's Lawlessness Carl Barrett, 2023-09-19. We will always obey our Lord at all costs. This is the opposite of the spirit of lawlessness, which despises authority and cultivates chaos, division, and destruction. And there is no doubt that lawless and unrighteous acts are on the rise throughout this country. In a time when unholiness is rampant in our homes, schools, communities, churches, and abroad, there are alarming concerns about these escalating acts. If we're not students of God's word, growing in his grace and love as believers, we can find ourselves vulnerable to the rise of unholiness because it
