Seeteufel: Abenteuer aus meinem Leben Felix Luckner (Graf von), 2014 **The Sea Devil** Sam Jefferson, 2017-09-21 Tasked with destroying as many British merchant ships as possible, German aristocrat Felix von Luckner and his ship the *Seeadler* succeeded in spectacular fashion. In 1916 a three-masted windjammer bearing Norwegian colours sailed out of a quiet anchorage in Germany loaded with cargo and apparently bound for Australia. Her true mission was quite different. The ship was in fact the SMS *Seeadler*, commanded by swashbuckling German aristocrat Felix von Luckner. Over an epic voyage he used cunning and deception to destroy fourteen merchant ships, all the while evading the utterly foxed and infuriated British Admiralty in a daring game of cat and mouse. This rip-roaring World War I story depicts a life of espionage, counterespionage and piracy of the most gentlemanly kind. **SEETEUFEL** FELIX VON. LUCKNER, 2018 *Enemies in the Empire* Stefan Manz, Panikos Panayi, 2020-02-27 During the First World War Britain was the epicentre of global mass internment and deportation operations. Germans, Austro-Hungarians, Turks and Bulgarians who had settled in Britain and its overseas territories were deemed to be a potential danger to the realm through their ties with the Central Powers and were classified as enemy aliens. A complex set of wartime legislation imposed limitations on their freedom of movement, expression

and property possession Approximately 50 000 men and some women experienced the most drastic step of enemy alien control namely internment behind barbed wire in many cases for the whole duration of the war and thousands of miles away from the place of arrest *Enemies in the Empire* is the first study to analyse British internment operations against civilian enemies during the First World War from an imperial perspective The narrative takes a three pronged approach In addition to a global examination the volume demonstrates how internment operated on a proto national scale within the three selected case studies of the metropole Britain a white dominion South Africa and a colony under direct rule India Stefan Manz and Panikos Panayi then bring their study to the local level by concentrating on the three camps Knockaloe Britain Fort Napier South Africa and Ahmednagar India allowing for detailed analyses of personal experiences Although conditions were generally humane in some cases suffering occurred The study argues that the British Empire played a key role in developing civilian internment as a central element of warfare and national security on a global scale *Suggested Reading in*
