Barbara Binder Kadden, Bruce Kadden

Sefer Hahinnuch The Of Mitzvah Education:

Séfer HaHinnuch Aaron (ha-Levi, of Barcelona),1978 Sefer Ha-hinukh ,1978 **Sefer Ha-hinnukh** Aaron Halevi,1978 **Sefer Ha-Hinnuch** ,1989-07-01 *The Next Phase of Business Ethics* Michael Schwartz,Howard Harris,2019-09-04 This volume looks at the role of organizations in society the international and multidisciplinary scope of business ethics and the importance of narrative *Sefer HaHinnuch* ,1978 **Teaching Jewish Life Cycle** Barbara Binder Kadden,Bruce Kadden,1997 Background information on every stage of life covers every Jewish life cycle event from birth to death insights from Jewish tradition hundreds of creative activities for all ages **The Late Medieval Hebrew Book in the Western Mediterranean** Javier del Barco,2015-09-29 This collection takes the Hebrew book as a focal point for exploring the production circulation transmission and consumption of Hebrew texts in the cultural context of the late medieval western Mediterranean The authors elaborate in particular on questions concerning private vs public book production and collection the religious and cultural components of manuscript patronage collaboration between Christian and Jewish scribes artists and printers and the impact of printing on Iberian Jewish communities Unlike other approaches that take context into consideration merely to explain certain variations in the history of the Hebrew book from antiquity to the present the premise of these essays is that context constitutes the basis for understanding practices and processes in late medieval Jewish book culture *Teaching Mitzvot* Barbara Binder Kadden,Behrman House,Bruce Kadden,2005-06 This exceptional guide for learning and teaching about mitzvot offers overviews of 41 mitzvot in six areas holidays rituals word and thought tzedakah gemilut chasadim and ahavah All school programs for each mitzvah and more than 600 activities spanning all grade levels help you implement creative classroom techniques and enrich your students experiences **Gender and Dialogue in the Rabbinic Prism** Admiel Kosman,2012-10-30 The author applies the fields of gender studies psychoanalysis and literature to Talmudic texts In opposition to the perception of Judaism as a legal system he argues that the Talmud demands inner spiritual effort to which the trait of humility and the refinement of the ego are central This leads to the question of the attitude to the Other in general and especially to women The author shows that the Talmud places the woman who represents humility and good heartedness in the Talmudic narratives above the character of the male depicted in these narratives as a scholar with an inflated sense of self importance In the last chapter that in terms of its scope and content could be a freestanding monograph the author employs the insights that emerged from the preceding chapters to present a new reading of the Creation narrative in the Bible and the Rabbinic commentaries The divine act of creation is presented as a primal sexual act a sort of dialogic model of the consummate sanctity that takes its place in man s spiritual life when the option of opening one s heart to the other in a male female dialogue is realized *Rabbi, Mystic, or Impostor?* Michal Oron,2020-03-04 The enigmatic kabbalist Samuel Falk known as the Ba al Shem of London has piqued the curiosity of scholars for generations Eighteenth century London was fascinated by Jews and as a miracle worker and adventurer well

connected and well read Falk had much to offer Interest in the man was further aroused by rumours of his dealings with European aristocrats and other famous characters as well as with scholars Freemasons and Shabbateans but evidence was scanty Michal Oron has now brought together all the known source material on the man and her detailed annotations of his diary and that of his assistant give us rich insights into his activities over several years We learn of his meetings and his travels his finances his disputes his dreams and his remedies and lists of his books We see London's social life and commerce its landed gentry and its prisons and what people ate wore and possessed The burgeoning Jewish community of London and its religious practices as well as its communal divisiveness is depicted especially colourfully The scholarly introductions by Oron and by Todd Endelman and the informative appendices help contextualize the diaries and offer an intriguing glimpse of Jewish involvement in little known aspects of London life at the threshold of the modern era Translated by Edward Levin With an introduction by Todd M Endelman
