Seizing Our Bodies

G.P. McKenny, J.R. Sande

Seizing Our Bodies:

Seizing Our Bodies Claudia Dreifus, 1977 **Seizing the Means of Reproduction** Claudette Michelle

Murphy, 2012-11-26 In *Seizing the Means of Reproduction* M Murphy's initial focus on the alternative health practices developed by radical feminists in the United States during the 1970s and 1980s opens into a sophisticated analysis of the transnational entanglements of American empire population control neoliberalism and late twentieth century feminisms. Murphy concentrates on the technoscientific means the technologies practices protocols and processes developed by feminist health activists. They argue that by politicizing the technical details of reproductive health alternative feminist practices aimed at empowering women were also integral to late twentieth century biopolitics. Murphy traces the transnational circulation of cheap do it yourself health interventions highlighting the uneasy links between economic logics new forms of racialized governance U S imperialism family planning and the rise of NGOs. In the twenty first century feminist health projects have followed complex and discomfiting itineraries. The practices and ideologies of alternative health projects have found their way into World Bank guidelines state policies and commodified research. While the particular moment of U S feminism in the shadow of Cold War and postcolonialism has passed its dynamics continue to inform the ways that health is governed and politicized today.

Seizing Your Divine Moment Erwin Raphael McManus, 2002-11-03 In this inspiring book Erwin McManus uses the biblical account of Israel's war with the Philistines 1 Samuel 13 and 14 and the characters of Saul and Jonathan to demonstrate the difference between living a life of purpose and adventure and living one of apathy and missed opportunity. In the midst of a less than hopeful battle Saul who should have been leading rested beneath a pomegranate tree as Jonathan seized the divine moment that would impact the future of Israel. Through this story McManus artfully illustrates the eight characteristics of an adventurer's heart what he calls the Jonathan factor. Using powerful examples from his own life and ministry along with fresh biblical teaching McManus asserts that God crafts divine moments specific to each of us priceless opportunities for us to actively engage in God's big picture plan. Apathy and apprehension prevent us from being all we are meant to be for God's kingdom. But by developing the characteristics McManus outlines Christians can move from mundane to miraculous living.

Theological Analyses of the Clinical Encounter G.P. McKenny, J.R. Sande, 2013-04-17 Efforts to evaluate the clinical encounter in terms of autonomous agents governed by rationally justified moral principles continue to be criticised. These essays written by physicians ethicists theologians and philosophers examine various models of the clinical encounter emerging out of these criticisms and explore the prospects they offer for theological and religious discourse. Individual essays focus on the reformulation of covenant models revisions of principles approaches and topics such as power authority narrative rhetoric dialogue and alterity. The essays display a range of conclusions about whether theology articulates generally accessible religious insights or is a tradition specific discipline. Hence the volume reflects current debates in theology while analysing current models of the clinical encounter. Students professionals and

scholars who find themselves at the intersection of theology and medicine will welcome these voices in an ongoing conversation

Seized Holly Eckert, 2024-01-30 About the Book Millions of Americans have epilepsy At age 34 Holly Eckert joined them From the day she discovered that through many years her life became a journey of personal growth and self discovery Why was this happening What should she do Who was she now that she seized These were only a few of the questions she asked herself in the face of her new reality Holly's walk with chronic illness became one of awakening and healing In it she learned many lessons in life while confronting the flaws failures ignorance and corruption permeating the American medical industry and sensing first hand the resiliency of the human mind and body Daily tending to the chores of chronic illness she scoffed at the paradox between the medical industry's responses and her own life's experiences Over time Holly realized that illness can play important positive roles in a human life Traveling her path where health and illness intertwine it became clear to her that illness can give as much as it takes away This convinced her that when allowed the time and space to be ill a person can find true health again a real life phenomenon rarely discussed by doctors and patients In *Seized Searching for Health* In the United States Holly tells the story of her journey with illness That well told personal tale provides a lens through which a reader can explore the common experience of searching for health in the United States Who would have imagined that it would be a dance artist who does so well exploring the many dimensions of illness and the failures of the United States healthcare system but that's precisely what happens here in *Seized* About the Author Holly Eckert grew up in a small town in the mountains of Idaho where she learned to dance from a former ballerina with the New York Ballet who also lived there After high school she took her scholarships and went to The Evergreen State College There she combined dance and social sciences to create her own integrated studies program Her education prepared her to go to Seattle and pursue her artistic mission of exploring substantive topics inside the art of dance Winning awards and praise for her artwork Holly pursued her passion with passion and made choreography about things like the experience of fear and the injustices of the US prison system She was healthy and strong into her mid thirties when one day she suddenly began seizing uncontrollably Epilepsy quickly overwhelmed her life It sent Holly on a diverse personal journey On her travels she discovered many new things about herself and as she did she learned more and more about the potentials for healing that exist inside the human body She also learned a great deal about the tragic failures of the United States medical system that often inhibits these possibilities from being realized Knowing that she liked to write as well as dance Holly decided to tell this story through words not movements Her readers continually give her praise for her efforts

Thinking Through the Skin Sara Ahmed, Jackie Stacey, 2003-09-02 This exciting collection of work from leading feminist scholars including Elspeth Probyn Penelope Deutscher and Chantal Nadeau engages with and extends the growing feminist literature on lived and imagined embodiment and argues for consideration of the skin as a site where bodies take form already written upon but open to endless re inscription Individual chapters consider such issues as the significance of piercing tattooing and tanning

the assault of self harm upon the skin the relation between body painting and the land among the indigenous people of Australia and the cultural economy of fur in Canada Pierced mutilated and marked mortified and glorified scarred by disease and stretched and enveloping the skin of another in pregnancy skin is seen here as both a boundary and a point of connection the place where one touches and is touched by others both the most private of experiences and the most public marker of a raced sexed and national history

After Roe Mary Ziegler,2015-06-08 In the decade after the 1973 Supreme Court decision on abortion advocates on both sides sought common ground But as pro abortion and anti abortion positions hardened over time into pro choice and pro life the myth was born that Roe v Wade was a ruling on a woman s right to choose Mary Ziegler s account offers a corrective

A Zoo in My Luggage Gerald Durrell,2016-11-29 A British naturalist and his wife acquire a menagerie of animals and set up their own zoo in this delightful memoir by the author of the Corfu Trilogy For many years I had wanted to start a zoo Any reasonable person smitten with an ambition of this sort would have secured the zoo first and obtained the animals afterwards But throughout my life I have rarely if ever achieved what I wanted by tackling it in a logical fashion After a decade of supplying creatures for other people s zoos in 1957 Gerald Durrell and his wife set off on an adventurous journey to the Cameroons in West Africa where they collected numerous mammals birds and reptiles The wild nature of the animals created quite a bit of chaos but the Durrells problems really began when they attempted to return to Britain with their exotic new friends Not only did they have to get them safely home they also had to find somewhere able and more importantly willing to house them Told with wit and a zest for all things furry and feathered Durrell s A Zoo in My Luggage is a brilliant account of how a pioneer of wildlife preservation came to found a new type of zoo This ebook features an illustrated biography of Gerald Durrell including rare photos from the author s estate

Revolutionizing Women's Healthcare Hannah Dudley-Shotwell,2020-03-13 Revolutionizing Women s Healthcare is the story of a feminist experiment the self help movement Tired of doctors who saw them as silly little girls shame over birth control abortions in back alleys and little control over their reproductive lives feminists created the self help movement In an effort to revolutionize women s healthcare they founded clinics created books and movies raided medical institutions performed abortions and created national organizations

Feminist Perspectives in Medical Ethics Helen B. Holmes,Laura Martha Purdy,1992 a welcome addition to the literature Center for Theology and the Natural Sciences ideologically diverse selection of readings Times Literary Supplement London The essays are balanced challenging well argued and well written They ably and accessibly represent feminist contributions to medical ethics Religious Studies Review fascinating thought provoking Nursing Times A stimulating book for those women and men feminist and non feminist interested in medical ethics Maternal and Child Health landmark event in bioethics Women Health The aim of this volume is to show how a feminist perspective advances biomedical ethics by uncovering inconsistencies in traditional argument and by arguing for the importance of hitherto ignored factors in decision making These essays include both theory and very specific

examples that demonstrate the glaring inadequacy of mainstream medical ethics **Healing Technology** Kathryn Strother Ratcliff, 1989 Provides a framework for understanding forces that produce and promote technologies that affect women's health **Women in Biotechnology** Francesca Molino, Flavia Zucco, 2008-08-05 Johannes Klumpers Biotechnologies such as genetic engineering cloning and biodiversity raise many legal and ethical concerns so it is important that people understand these issues and feel able to express their opinions This is why the European Commission has been for a number of years supporting actions to improve communication among scientists in these diverse areas The project Women in Biotechnology WONBIT financed under the 6th Framework programme of the European Commission is an excellent example of what can be done to target opinion formers such as scientists economists and lawyers in bottom up activities and to encourage a debate on gender issues triggered by developments in the life sciences WONBIT gave rise to a successful international conference highlighting the importance of adopting good practices and ethical considerations in parallel with the rapid pace of progress in biotechnology from a woman's point of view In particular the conference addressed women in decision making positions in biotechnology with specific reference to scientific excellence social competencies and management qualities as well as issues relating to environment society and the younger generation But it did not stop there a key part of the conference was dedicated to stimulating public debate among non specialists which has led to a number of recommendations to policy makers on better communication in biotechnology on taking better account of the gender aspects of research and on involving more women in the decision making process that surrounds developments in biotechnology

Teratologies Jackie Stacey, 2013-07-23 Stories of cancer are full of monster and marvels the monstrosity of the disease and the treatments the marvels of the cures and the saved lives Still one of the most dreaded diseases to haunt our imaginations cancer is more than an illness it is a cultural phenomenon People who have cancer are bombarded with competing explanations of their conditions it is genetically inherited it is environmentally produced it is the result of their personality *Teratologies A Cultural Study of Cancer* investigates how this disease is perceived experienced and theorised in contemporary society It explores changing beliefs about the causes of and the cures for cancer in both biomedicine and its increasingly popular alternative counterparts Analysing conventional and alternative medical accounts self help manuals and patients' personal stories Jackie Stacey takes a critical look at the place of heroes metaphors the self and the body in these competing bids to produce the authoritative definition of the meaning of cancer today Interspersed with these detailed textual investigations are discussions of broader issues such as the feminist debates about the history of science the place of consumer culture in health practices and the status of patients and of health professionals in postmodern society Combining autobiographical narratives with contemporary theoretical debates the author carves out a specifically feminist analysis of the cultural dimensions of cancer She brings accounts of her own illness under the critical lens of academic scrutiny and situates these personal stories within a discussion of contemporary cultural change **The Body Multiple** Annemarie

Mol,2003-01-17 An ethnography of the way arterosclerosis is performed on patients by medical professionals at a Dutch hospital The main text is supplemented by a meta commentary regarding the theoretical issues posed by ethnographic study

Enduring Shame Heather Brook Adams,2022-05-17 A study of the rhetorical power of shame and its effect on reproductive politics Not long ago unmarried pregnant women in the United States hid in maternity homes and relinquished their illegitimate children to more deserving two parent families all to conceal shameful pregnancies Although times have changed reproductive politics remain fraught In *Enduring Shame* Heather Brook Adams recasts the 1960s and 70s an era of presumed progress as a time when expanding reproductive rights were paralleled by communicative practices of shame that cultivated increasingly public interventions into unwed and teen pregnancy and new forms of injustice Drawing from personal interviews archival documents legal decisions public policy journalism memoirs and advocacy writing Adams articulates how the rhetorical power of shame persuaded the American public to think about reproduction sexual righteousness and unwed pregnancy Despite the aspirational goals of reproductive liberation public sentiment frequently reflected supremacist beliefs regarding racial economic and moral fitness notions that informed new public policy *Enduring Shame* maps a range of experiences across these decades from women s experiences in homes for unwed mothers to policy and legal changes that are typically understood as proof of shame s dissipation including Title IX legislation and *Roe v Wade* Rhetorical historiography and questions of reproductive justice guide the analysis and women s testimonies provide essential perspectives and context Through these histories Adams articulates a network of language affect and embodiment through which shame moves expands rhetorical understandings of the discursive power of the identities of woman and mother and considers how the gendered raced and classed aspects of shame can help us understand and support reproductive dignity *Enduring Shame* recovers a misunderstood part of women s recent history by considering why reproductive politics continue to be so volatile despite previous gains and why shame still figures centrally in discourse about women s reproductive and sexual freedoms

Seizing the Nonviolent Moments Nancy Small,2015-01-08 Life is filled with opportunities to practice nonviolence If we kept track we d be surprised at how often we get to choose a violent or nonviolent response to a given situation Seizing these moments is a spiritual practice that shapes a nonviolent heart Many people doing this together shapes the heart of a nonviolent world This book is a humble and accessible approach to nonviolence based on the belief that no one is perfectly nonviolent We are all works in progress Each chapter presents an imaginative interpretation of a scripture story about seizing a nonviolent moment that sheds new light on nonviolence and its spirituality Stories of contemporary peacemakers woven throughout offer lessons for living a spirituality of nonviolence for our times Prophetic words from the US Catholic bishops emphasize the essential role of peacemaking in renewing the earth Questions following each chapter inspire personal reflection and make the book a welcome resource for classrooms parishes and small groups The more we seize the nonviolent moments in our lives the more we are transformed by them And the more we experience the power of

nonviolence within ourselves the more we believe in its potential to transform our troubled world

Reproducing Narrative Michael Thomson, 2018-12-20 First published in 1998 *Reproducing Narrative* sets out to interrogate a number of medico legal reproductive discourses Recognizing that these dialogues are heavily imprecated in broader social political and economic discourses it is contended that responses to reproductive issues are influenced and possibly determined by non reproductive concerns both at a parochial and more general level Whilst a number of such influential narratives are recognized the book concentrates on the narratives of gender which appear implicit within the discourses and practices considered Given the productive nature of discourse and the traditional premising of gender on sexual difference it becomes apparent that the explicit figuring of the female reproductive body becomes a means of realizing the implicit gender narratives within these discourses Privileged medico legal discourses become understood as a technology of gender an important site at which gender is constituted

Killing the Black Body Dorothy Roberts, 2014-02-19 *Killing the Black Body* remains a rallying cry for education awareness and action on extending reproductive justice to all women It is as crucial as ever even two decades after its original publication A must read for all those who claim to care about racial and gender justice in America Michelle Alexander author of *The New Jim Crow* In 1997 this groundbreaking book made a powerful entrance into the national conversation on race In a media landscape dominated by racially biased images of welfare queens and crack babies *Killing the Black Body* exposed America's systemic abuse of Black women's bodies From slave masters economic stake in bonded women's fertility to government programs that coerced thousands of poor Black women into being sterilized as late as the 1970s these abuses pointed to the degradation of Black motherhood and the exclusion of Black women's reproductive needs in mainstream feminist and civil rights agendas Compelling Deftly shows how distorted and racist constructions of black motherhood have affected politics law and policy in the United States Ms

Issues Relating to the United Nations Convention on the Elimination of All Forms of Discrimination Against Women United States. Congress. Senate. Committee on Foreign Relations. Subcommittee on Terrorism, Narcotics, and International Operations, 1989

The Essential Guide to Hysterectomy M.D. Streicher, Lauren F., 2004-09-15 In clear conversational language Dr Lauren Streicher discusses everything a woman needs to know to make informed choices about this often controversial subject including emotions and sex after surgery hormone replacement and much more

Seizing Our Bodies Introduction

In the digital age, access to information has become easier than ever before. The ability to download *Seizing Our Bodies* has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download *Seizing Our Bodies* has opened up a world of possibilities. Downloading *Seizing Our Bodies* provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading *Seizing Our Bodies* has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download *Seizing Our Bodies*. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading *Seizing Our Bodies*. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading *Seizing Our Bodies*, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download *Seizing Our Bodies* has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing

online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Seizing Our Bodies Books

What is a Seizing Our Bodies PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a Seizing Our Bodies PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a Seizing Our Bodies PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities.

How do I convert a Seizing Our Bodies PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Seizing Our Bodies PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
