Selected from the Best of Dear Abby Abigail Van Buren, 1989      **Acting Up!** Marcie Telander, Flora Quinlan, Karol Verson, 1982      **Make Way for August** Mamie Moore, 1991 A true story about August a pet guinea pig      Selected Speeches and News Releases United States. Department of Agriculture. Office of Public Affairs (1989- ), 1991      Taking Charge of My Life , 1991      *The Best Prevention* , 1984      Jews and the American Soul Andrew R. Heinze, 2021-03-09 What do Joyce Brothers and Sigmund Freud Rabbi Harold Kushner and philosopher Martin Buber have in common They belong to a group of pivotal and highly influential Jewish thinkers who altered the face of modern America in ways few people recognize So argues Andrew Heinze who reveals in rich and unprecedented detail the extent to which Jewish values often in tense interaction with an established Christian consensus shaped the country s psychological and spiritual vocabulary Jews and the American Soul is the first book to recognize the central role Jews and Jewish values have played in shaping American ideas of the inner life It overturns the widely shared assumption that modern ideas of human nature derived simply from the nation s Protestant heritage Heinze marshals a rich array of evidence to show how individuals ranging from Erich Fromm to Ann Landers changed the way Americans think about mind and soul The book shows us the many ways that Jewish thinkers influenced everything from the human potential movement and pop psychology to secular spirituality It also provides fascinating new interpretations of Sigmund Freud Alfred Adler and Western views of the psyche the clash among Protestant Catholic and Jewish moral sensibilities in America the origins and evolution of America s psychological and therapeutic culture the role of Jewish women as American public moralists and more A must read for anyone interested in the contribution of Jews and Jewish culture to modern America      **Library Journal** , 1996-04      *Asking for a Friend* Jessica Weisberg, 2018-04-03 A delightful history of Americans obsession with advice from Poor Richard to Dr Spock to Miss Manners Americans for all our talk of pulling ourselves up by our bootstraps obsessively seek advice on matters large and small Perhaps precisely because we believe in bettering ourselves and our circumstances in life we ask for guidance constantly And this has been true since our nation s earliest days from the colonial era on there have always been people eager to step up and offer advice some of it lousy some of it thoughtful but all of it read and debated by generations of Americans Jessica Weisberg takes readers on a tour of the advice givers who have made their names and sometimes their fortunes by telling Americans what to do You probably don t want to follow all the advice they proffered Eating graham crackers will not make you a better person and wearing blue to work won t guarantee a promotion But for all that has changed in American life it s a comfort to know that our hang ups fears and hopes have not We ve always loved seeking advice so long as it s anonymous and as long as it s clear that we re not asking for ourselves we re just asking for a friend
