Christian Belief for Everyone: Faith and Creeds Alister McGrath, 2013-02-21 The Christian Belief for Everyone series comprises five guides to the basic ideas of the Christian faith Full of stories and helpful illustrations these guides have been written primarily for ordinary churchgoers though they will no doubt also appeal to interested readers outside the church The approach Alister McGrath adopts is non denominational very similar to the mere Christianity advocated by C S Lewis Indeed the series may be seen as a guide to mere Christianity focusing clearly as it does on the life of faith We look at why Christians believe what they do how we can best understand these ideas and the difference they make to the way we think about ourselves and our world The first volume Faith and the Creeds concentrates on the nature of faith and the history and relevance of the Creeds in a thrilling reflection on what we really mean when we say I believe This is excellent preparation for exploring the leading themes of the Creeds in four subsequent volumes The Living God Lord and Saviour Jesus of Nazareth Spirit of the Living God and The Christian Life and Hope

Thank God for Atheists Timothy Morgan, 2015-10-01 The greatest authors of atheism did more to push me toward belief in God than any Christian apologist writer Timothy Morgan After a decade of major disappointments Timothy Morgan was ready to reject God Atheism offered an escape an opportunity to dismiss God permanently But as Morgan delved into the thinking of great atheists past and present he was stunned In book after book he found their reasons for rejecting God to be intellectually unfulfilling In Thank God for Atheists he candidly shares his journey by letting atheists speak for themselves examining their logic to see whether it holds up or not Along the way deals with these key questions What are the key elements of the atheist worldview Who are the leading modern day atheists and what are they saying How can you effectively respond to atheism You ll find this a personal and thoughtful book on why the evidence for God is much more compelling than the evidence against Him
