Selected Letters Emily Dickinson,1986 A collection of letters written by British poet Emily Dickinson *Brodsky in English* Zakhar Ishov,2023-08-15 A deeply researched account of Joseph Brodsky s evolution in English as a self translator and a poet in translation Joseph Brodsky s translations of his own Russian language poems into English new originals have been criticized for their un Englishness an appraisal based on a narrow understanding of translation itself With this radical reassessment of the Nobel Prize winner s self translations Zakhar Ishov proposes a fresh approach to poetry translation and challenges the assumption that poetic form is untranslatable Brodsky in English draws on previously unexamined archival materials including drafts and correspondence with translators and publishers to trace the arc of Brodsky s experience with the English language Ishov shows how Brodsky s belief in the intellectual continuity between his former life in the Soviet Union and his new career in the United States including as Poet Laureate anchored his insistence on maintaining the formal architecture of his poems in translation locating the transmission of poetic meaning in the rhythms of language itself This book highlights Brodsky s place within the long history of the compromises translation must make between linguistic material and poetic process
