Theories of Preaching Richard Lischer, 1987 **Theories of Preaching** Richard Lischer, 1987-01-01 **Selected Readings in Preaching**, 1979 Is Luccock H E An art is a band of music pt 3 Essential qualities for effective preaching Stewart J S The preacher s technique Parker J Earnestness Jowett J H The preacher in his study Blackwood A The marks of effective style *Popular Preachers. (Select Readings from Mr. Punshon's lectures and sermons.).*, 1868 *The Reading and Preaching of the Scriptures in the Worship of the Christian Church, Volume 5* Hughes Oliphant Old, 2004 The Reading and Preaching of the Scriptures in the Worship of the Christian Church is a multivolume study by Hughes Oliphant Old that canvasses the history of preaching from the words of Moses at Mount Sinai through modern times In Volume 1 The Biblical Period Old begins his survey by discussing the roots of the Christian ministry of the Word in the worship of Israel He then examines the preaching of Christ and the Apostles Finally Old looks at the development and practice of Christian preaching in the second and third centuries concluding with the ministry of Origen [A Preach Well Church](#) Josh Taylor, 2023-04-12 Thirty eight percent of pastors have given serious thought to leaving full time ministry in the last year Between the COVID 19 pandemic and the unpredictable never done work of the ministry is it any wonder that many pastors have contemplated resigning Add to this church members unrealistic expectations and a knack for criticism and we see the toll this has taken on pastors and in one area in particular preaching Empty preachers are filling pulpits Is there anything church members can do to help their pastors with burnout and the essential stress of preaching week in week out After extensive research on the subject ninety seven pastors were asked What can your church members do to help you preach well Each chapter in this book is a commitment a clear concrete action developed from the study that church members can take to help their pastors preach well Each chapter also includes a section entitled A Word to Pastors that offers encouragement to those in ministry to help reduce their stress and become better preachers [Speaking to Life's Problems](#) Lloyd Perry, Charles Sell, 1983-04-05 Don t just preach the Bible preach it to people Your parishioners are hurting They have practical urgent problems They re asking tough questions Are your sermons answering those questions meeting those needs speaking to those problems More than a textbook on sermon preparation *Speaking to Life s Problems* gives you biblical and psychological insight into contemporary problems like anxiety guilt fear failure indecision and loneliness Rich in illustrations *Speaking to Life s Problems* is filled with short sermons and ideas that can be developed and fitted to your particular congregation or class making your lessons more engaging relevant and meaningful The best sermons are those that speak to the heart not just the mind These insights will help you deliver sermons that resonate with the whole person thus making a greater impact You can preach sermons that capture the attention of your congregation speak effectively on subjects that matter to them and help resolve their tensions relieve their pressures and lighten their despair Helpful features include Extensive bibliography and sermon sources to help you find to relevant material Scriptural passages on each problem useful as sermon texts Spiritual

guidance for preparing messages **Preaching in and Out of Season** Thomas G. Long, Neely Dixon McCarter, 1990-01-01 This excellent resource provides help for ministers who must plan their sermons not only according to the liturgical church year but also in response to the secular calendar of national holidays and public ceremonies and in response to the program calendar of local and denominational emphases Individual chapters discuss preaching about racial relations family church and nation the global witness of the church work evangelism stewardship and giving thanks Suggestions for sermons on each theme are provided as well **Preacher and Cross** André Resner, 1999 Numerous books are available on the meaning and methods of preaching but nothing has been written that specifically addresses the character of those who would preach Preacher and Cross helps fill this gap in homiletic studies by examining the relationship between the message of Christian proclamation and the preacher with specific attention to ministerial character and the preacher's use of self in sermons André Resner discusses the two dominant approaches to homiletics the rhetorical approach typified by Augustine and the theological approach typified by Barth and then compares and contrasts these approaches to what the apostle Paul says on the issue Essential reading for those involved in ministry this work offers invaluable insights into the relationship between preachers and the message they proclaim [The New Interpreter's® Handbook of Preaching](#), 2010-11-01 The New Interpreter's Handbook of Preaching is a major reference tool for preaching with articles on every facet of Christian sermon preparation and delivery This resource is both scholarly and practical It focuses on the most distinctive feature and greatest strength of homiletics as a discipline It is rooted in interdisciplinary scholarship and it develops theory geared to practice Its theory arises out of the study of both excellent preaching past and present and actual sermon preparation and composition When theory and practice critique each other it is possible to produce guidelines that assist greater excellence and economy in preaching the gospel Excellence in standards is an area in which homiletics needs to grow and this project will be both a means to encourage and develop it A guiding question throughout will be Will it preach The answers will be offered in the sense that here is something that works well rather than here is something to try Preachers will turn to this resource with the expectation that they will find scholarly treatment of topics brief bibliographies of relevant key books and articles along with practical methodological suggestions for preachers to employ The contributors are homileticians preachers and writers in various disciplines who are committed to the pulpit through practice
