Selected Short Stories Of Padraic Colum Irish Studies:

Selected Short Stories of Padraic Colum Sanford Sternlicht, 1986-10-01 Padraic Colum 1881 1972 was in the forefront of the Irish Literary Revival along with William Butler Yeats Lady Gregory George Moore AE George Russell and John Millington Synge At the age of twenty three he was a founding father of the Abbey Players and he was recognized as one of the most talented young writers of drama poetry and short fiction Unfortunately Colum quarreled with Yeats and Lady Gregory and since he could not earn a living in Dublin by writing alone he left for America Colum s contribution to Irish letters is unique because he alone of the early giants of the Irish Literary Revival was Roman Catholic peasant born and country bred His literary themes are tributes to the indomitable Irish spirit the natural nobility of the Irish peasant the ancient folk customs of the countryside and the poetic beauty of Irish English

Selected Plays of Padraic Colum Sanford Sternlicht, 2006-08-17 At the age of twenty three Padraic Colum 1881 1972 was one of the founding fathers of the Abbey Theatre His contribution to the development of Irish drama continued until his voluntary exile to America in 1914 His play *Broken Soil* 1903 was the first commercial success at the Abbey and it established the long lived tradition of the peasant play on the Irish stage This collection comprises the three major forms of his dramatic art *The Land* 1905 *Betrayal* 1912 and two of his five *Noh* plays a five play cycle containing poetry and prose following the Yeats and Japanese Model *Glendalough* based on the career of Charles Stewart Parnell and *Monasterboice* based on the early life of Colum s lifelong friend James Joyce

Stories by Contemporary Irish Women Daniel J. Casey, Linda M. Casey, 1990-04-01 These short stories invite the reader to see Ireland afresh Included are works by well known authors such as Mary Lavin Edna O'Brien and Julia O Faolain the collection also showcases new writers such as Clare Boylan Rita Kelly and Una Woods Repeatedly the stories bring us up against the inherent contradiction of provincial Ireland and Ireland as a modern European state and the complexities of women s lives in both Helen Lucy Burke writes tellingly of an older devout Irish Catholic woman as she encounters the startling realities of Italian Catholic Rome Other stories also dwell on traditional Irish themes and situations through refreshingly varied voices Ita Daly movingly portrays the problems of an educated sensitive schoolteacher resigned to her life in a country town Anne Devlin handles yet another familiar theme the Irishman in England an England edgy about IRA bombings A few stories deal with the troubles in Northern Ireland while others address the troubles of the country as a whole too many children too much hypocrisy too little communication especially between women and men The editors have provided an introduction that examines the role of women writers in Irish literature They have also supplied detailed biographical notes for each contributing author

The Writings of Padraic Colum Pádraic Whyte, Keith O'Sullivan, 2024-05-10 This co edited collection breaks new ground by bringing together several leading scholars to explore the substantial body of work produced by Padraic Colum 1881 1972 who was a poet a novelist a dramatist a biographer a writer of fiction for adults and children and a collector of folklore The awards honours and distinction conferred upon him and his work throughout his life and

career as well as retrospectively give an indication of the significant and wide ranging appeal and influence of Colum not only as an Irish writer and storyteller but also as a literary figure entrusted with the myths and legends of other cultures and nations Despite such achievements he has received comparatively little critical or scholarly attention to date This volume showcases the richness of Colum s work by subjecting it to a rigorous literary and theoretical examination and is the first combined and detailed analysis of both his children s and adult texts

The Irish Beckett John P. Harrington,1991-05-01 Breaking with a powerful tradition among scholars that insists that Beckett s Irishness is no more than an accident of birth Harrington provides compelling evidence to the ways in which many of Beckett s best known texts are deeply involved in Irish issues and situations Providing new readings of such works as *More Pricks Than Kicks* *Murphy* *Watt* *Mercier and Camier* *Waiting for Godot* and *Endgame* Harrington provides an understanding of Beckett s work in its representation of Ireland of Irish history and of Irish literary traditions

Irish Literature Maureen O'Rourke Murphy,James MacKillop,1987 *Finnegans Wake* John Gordon,1986-12-01 This is the only full length study of *Finnegans Wake* to outline and catalog the immense amount of naturalistic detail from which Joyce built the book The opening chapters describe the physical setting time and main characters out of which the book is constructed John Gordon argues that behind this detail is an essentially autobiographical story involving Joyce s history and in particular his feelings toward his father wife daughter and the older brother who died in infancy Many of the author s findings are new and likely to be controversial because recent criticism has tended to the belief that what he attempts to do cannot be done This new study of *Finnegans Wake* represents a radically conservative approach and is intended to function both as a guide to the newcomer seeking a chapter by chapter plot summary and as an original contribution to Joyce criticism

The Long War Brendan O'Brien,1995 *The Long War* is a timely book given the ongoing events taking place in Northern Ireland It chronicles the very active history of the relationship among the IRA Sinn Fein and the British government from the early 1980s to today The author has spoken with many of the participants on all sides and has included material that updates the book right up to the latest peace talks

Hanna Sheehy-Skeffington Leah Levenson,Jerry H. Natterstad,1989-09-01 Hanna Sheehy Skeffington chronicles the life and activism of one of Ireland s most influential feminists Sheehy Skeffington was a nationalist pacifist socialist and above all a tireless advocate for women s rights Her career spanned nearly five decades during which she fought for suffrage social justice and Irish independence This book explores her unwavering commitment to equality her role in shaping Ireland s political landscape and her struggles against a society resistant to change From her involvement in the Irish Women s Franchise League to her outspoken opposition to militarism Sheehy Skeffington s story is one of resilience and determination The biography also delves into her personal life including her partnership with Francis Sheehy Skeffington who shared her progressive ideals

Old Days, Old Ways Olive Sharkey,1987-09-01 Olive Sharkey is the daughter of farmers in the midlands of Ireland I belong to a family which was the last in our district to relinquish the old ways on the land and in the

home she says Her research brought her to folk museums throughout Ireland and into the homes of fascinating elderly folk with surprisingly clear memories The daily and seasonal rhythms of life and work in the ould days is recaptured from building the house and turning the sod for a new crop to saving the hay and burying the dead
