Selected Speeches On British Foreign Policy 1738 T:

Selected Speeches on British Foreign Policy, 1738-1914 Sir Edgar Rees Jones, 1914 A selection of speeches of historical interest

British Foreign Policy and the National Interest T. Edmunds, J. Gaskarth, R. Porter, 2014-11-18

Whose interests does British foreign policy serve Is the national interest a useful explanatory tool for foreign policy analysts This interdisciplinary collection responds to these questions exploring ideas of Britain's national interest and their impact on strategy challenging current thinking and practice in the making of foreign policy

British Foreign Policy Jamie Gaskarth, 2013-07-11 Britain has been a significant voice in global politics in the last two decades and its impact on world events far outweighs its material resources But how does a small island on the edge of Europe continue to exercise this level of power on an international scale What kind of actor is Britain internationally And what future challenges will confront British foreign policymakers in a multi polar world of emerging powers In this comprehensive introduction to British foreign policy today Jamie Gaskarth addresses these and other key questions Against a rich historical backdrop he examines the main actors and processes involved in British foreign policy making as well as the role played by identity in shaping such choices Later chapters focus on the relationship between economics and foreign policy what it means to be ethical in this policy sphere and the justification for and benefits of the UK's continued use of force to achieve its foreign policy goals Combining interview research theoretical insight and analysis of contemporary and historical trends this book charts how British foreign policy has come to be understood and practised in the 21st Century It will be an invaluable guide for students of British politics foreign policy international relations and related courses

Educational Times, 1915

The Educational Times, and Journal of the College of Preceptors, 1915

English Critical Essays (nineteenth Century) Edmund David Jones, 1924

The Popular Front and the Progressive Tradition David Blaazer, 2002-08-22 This book is an in depth exploration of the Popular Front and United Front campaigns in Britain in the late 1930s Dr Blaazer aims to dispel the myth that these campaigns can be understood largely as a ruse engineered by the Communists into which non Communists were blindly drawn Instead he searches for the idea of progressive unity in earlier episodes in the history of the British progressive tradition By re assessing the significance of these episodes and by reconsidering the role of seminal progressive thinkers he shows that the relationships between liberals and socialists reformists and revolutionaries had long been both intimate and fluid Indeed the reasons and assumptions behind individual decisions to support the struggle for progressive unity show that the Popular Front was a reasoned and culturally familiar response to a major political crisis
