British modernism came of age at a time of great cultural anxiety about the state of journalism The new newspapers with their brief flashy articles striking visuals hyperbolic headlines and sensational news stood at the center of debates about reading in the period seeming to threaten the viability of representative democracy the health and vitality of the language and the very future of literature itself Patrick Collier s study brings an impressive array of archival research to his exploration of modernism s relationship to the newspaper press People who sought to make their way as writers could neither remain neutral on this issue nor abandon journalism which offered an irreplaceable source of income and self advertisement Collier discusses five modern writers T S Eliot James Joyce Virginia Woolf Rebecca West and Rose Macaulay showing how their work takes part in contemporary debates about journalism and examining the role journalism played in establishing their careers In doing so he uncovers tensions and contradictions inherent in the identity of the serious artist who relied on the ephemeral forms of journalism for money and reputation **Uncommon Arrangements** Katie Roiphe,2008-05-20

Katie Roiphe s stimulating work has made her one of the most talked about cultural critics of her generation Now this bracing young writer delves deeply into one of the most layered of subjects marriage Drawn in part from the private memoirs personal correspondence and long forgotten journals of the British literary community from 1910 to the Second World War here are seven marriages la mode each rising to the challenge of intimate relations in more or less creative ways Jane Wells the wife of H G remained his rock despite his decade long relationship with Rebecca West among others Katherine Mansfield had an irresponsible childlike romance with her husband John Middleton Murry that collapsed under the strain of real life problems Vera Brittain and George Gordon Catlin spent years in a semidetached marriage he in America she in England Vanessa Bell maintained a complicated harmony with the painter Duncan Grant whom she loved and her husband Clive And her sister Virginia Woolf herself no stranger to marital particularities sustained a brilliant running commentary on the most intimate details of those around her Every chapter revolves around a crisis that occurred in each of these marriages as serious as life threatening illness or as seemingly innocuous as a slightly tipsy dinner table conversation and how it was resolved or not resolved In these portraits Roiphe brilliantly evokes what are as she says the fluctuations and shifts in attraction the mysteries of lasting affection the endurance and changes in love and the role of friendship in marriage The deeper mysteries at stake in all relationships Hell Hath No Fury Anna Holmes,Anne Boleyn,Cindy Chupack,Charlotte

Bronte,2003-12-30 It s as old as time the breakup letter The kiss off The Dear John The big adios Simple in its premise stunningly perfect in its effect From Anne Boleyn to Sex and the City writer producer Cindy Chupack from women both well known and unknown imaginary and real the letters here span the centuries and the emotions providing a stirring utterly gratifying glimpse at the power wit and fury of a woman s voice In a never before published letter Ana s Nin gives her lover C L Baldwin a piece of her mind Charlotte Bront in formal fashion refuses the marriage proposal of Henry Nussey In a previously unpublished letter Sylvia Plath writes to her childhood friend and brief lover Phillip McCurdy expressing her wish to maintain a platonic relationship And Susie Q lets Johnny Smack O know that she s onto his philandering The brilliance of the mad missives caustic communiqu s downhearted dispatches sweet send offs and every other sort of good bye that fills these pages will surely resonate with anyone who has ever loved lost left languished or laughed a hearty last laugh
