

The background of the book cover is a dark, almost black, field filled with numerous small, bright white and light blue dots, resembling a starry night sky or a field of distant galaxies. A prominent, bright, branching structure, likely representing a cosmic ray shower or a nebula, extends from the bottom left towards the center, with a thick, glowing blue and white trunk that splits into many smaller, thinner branches. The overall effect is one of deep space and high-energy physics.
