Selected Poems Of Victor Hugo

Victor Hugo

Selected Poems Of Victor Hugo:

Selected Poems Victor Hugo, 2002-02-26 For most of his life Victor Hugo 1802-1885 was the most famous writer in the world. His legacy includes the nineteenth century's most celebrated works of drama, fiction, memoir, and criticism. But in his day Hugo was known foremost as a poet, indeed the greatest French poet of the age. He wrote with passion about history, erotic experience, familial love, philosophy, nature, social justice, art, and mysticism. In this new bicentennial edition, acclaimed poet and translator Brooks Haxton offers an exquisite selection of Hugo's finest work: love poems, historical tableaux, elegy, and idyll, including his incomparable *Boaz Asleep*, which Marcel Proust praised as the most beautiful poem of the nineteenth century. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Selected Poems of Victor Hugo Victor Hugo, 2004-06 This bilingual volume presents the poems and verse of Victor Hugo, including love poems, satires against political establishments, meditations, religious verse, and narrative poems that illustrate his art for storytelling. *Selected Poems of Victor Hugo* Victor Hugo, 1953 **Selected Poems by Victor Hugo** Victor Hugo, 1908 **Selected Poems of Victor Hugo** Victor Hugo, 2001 Selected Poetry Victor Hugo, 2001 An English-French dual translation of poems by Victor Hugo. Much of Hugo's poetry seems well suited to a modern audience in spite of, or because of, its romantic features and is still meaningful and moving to readers of English, whatever its French aspects.
