Selected Works Of Mn Roy Vol Iv 1932 1936:

M. N. Roy Kris Manjapra, 2020-11-29 This is a work of South Asian intellectual history written from a transnational perspective and based on the life and work of M N Roy one of India's most formidable Marxist intellectuals Swadeshi revolutionary co-founder of the Mexican Communist Party member of the Communist International Presidium and a major force in the rise of Indian communism M N Roy was a colonial cosmopolitan icon of the interwar years Exploring the intellectual production of this important thinker this book traces the historical context of his ideas from 19th century Bengal to Weimar Germany through the tumultuous period of world politics in the 1930s and 1940s and on to post Independence India In this book the author makes a number of valuable theoretical contributions He argues for the importance of conceiving the deterritorial zones of thought and action through which Indian anti colonial political thought operated and advances a new periodisation for Swadeshi on this basis He also argues against viewing international communism of the 1920s as a single monolith by highlighting the fractures and contestations that influenced colonial politics worldwide A fresh and insightful perspective on the history of India in the interwar years this book will be of great interest to scholars and students of the modern history of South and East Asia America and Europe and to those interested in anti colonial struggles Communist politics and trajectories of Marxist thought in the 20th century Selected Works of M. N. Roy Manabendra

Nath Roy, 2000 This volume presents a selection of Roy's principal writings between 1927 and 1932 Very large sections of this work were previously inaccessible since they had not been written in English nor published or included in any book

Swa: Struggle for National Selfhood Past, Present and Future J Nandakumar, 2022-12-10 The Nation that has no consciousness of the past cannot give shape to a great and glorious future Reclaiming our past and recapturing the Dharmic vision is important for the furtherance of our future to help us emerge as a confident nation capable of playing its civilizational role History was a tool used first by our colonial masters then by their Nehruvian successors and the Left Liberal cabal to colonize our minds and impede our rise from the abyss of a slavish mindset Shri Nandakumar surveys the entire freedom movement from a historical perspective to bring out in absorbing detail the real motivation of our freedom fighters to preserve and revitalize the Swa Consciousness our National Selfhood The book provides us a new template to view our past *The Radical Humanist* Manabendra Nath Roy, 2004 Telling Lives in India David Arnold, Stuart

Blackburn, 2004-12-30 Considers the meaning and nature of life history narrative in India *Rethinking Indian Culture*, 2001 Contributed articles presented at the International Seminar on Rethinking Indian Culture Challenges and Responses held in 1999 at Cuttack Orissa *Revolutionary Lives in South Asia* Kama Maclean, J. David Elam, 2016-02-05 The term revolutionary is used liberally in histories of Indian anticolonialism but scarcely defined Implicitly understood it functions as a signpost or a badge generously conferred in hagiographies loosely invoked in historiography and strategically deployed in contemporary political contests It is timely then to ask the question Who counts as a revolutionary in South Asia How can we

read the revolutionary in Indian political formations And what does it really mean to be revolutionary in turbulent late colonial times This volume takes a biographical approach to the question by examining the life stories of a series of activists some well known who all defined themselves in explicitly revolutionary terms in the early twentieth century Shyamaji Krishnavarma V D Savarkar M K Gandhi Bhagat Singh Jawaharlal Nehru J P Narayan and Hansraj Vohra The authors interrogate the subversive lives of these figures tracing their polyglot influences and transnational impacts to map out the discursive travels of the revolutionary in Indian historical and literary worlds from the early 1900s and to indicate its reverberations in the politics of the present This book was published as a special issue of Postcolonial Studies **The Book Review** ,2000 *Indian Books in Print* ,2003 *The Quarterly Review of Historical Studies* ,1994
