

Sonnet 23

XXIII

Methought I saw my late espoused saint
Brought to me, like Alcestis, from the grave,
Whom Jove's great son to her glad husband gave,
Rescued from death by force, though pale and faint.
Mine, as whom washed from spot of child-bed taint
Purification in the Old Law did save,
And such, as yet once more I trust to have

Full sight of her in Heav'n without restraint,
Came vested all in white, pure as her mind:
Her face was veiled, yet to my fancied sight
Love, sweetness, goodness, in her person shined
So clear, as in no face with more delight.
But O, as to embrace me she inclined,
I waked, she fled, and day brought back my night.
