## **Self Knowledge And The Light Of God:**

**Self-Knowledge and God's Light** Watchman Lee, 1998-02      Consciousness and Self-Knowledge in Medieval Philosophy Gyula Klima, 2018-11-21 Contemporary introductions to the theme of self knowledge too often trace its emergence in the history of philosophy to thinkers such as Ren Descartes and David Hume Whereas Descartes conceives of self knowledge as intimate and first personal Hume contends that it is limited to our awareness of our impressions and ideas In point of fact self knowledge is a perennial theme We may for instance trace the lineage of Hume and Descartes on these matters to Aristotle and Plato respectively This volume studies philosophical treatments of self knowledge in the Medieval Latin West It comprises two sets of papers the first is taken from an author meets critics session on Therese Scarpelli Cory s Aquinas on Human Self Knowledge which advances the thesis that Aquinas s theory of self knowledge wherein the intellect grasps itself in its activity bridges the divide between mediated and first personal self knowledge The second set of papers discuss self knowledge in terms of self fulfilment Authors look to Aquinas s account of how we can know when we have acquired the virtues necessary for human happiness as well as the medieval traditions of mysticism and theology which offer accounts of transformative self knowledge the fulfilment that this brings to our emotional and physical selves and the authority to teach and counsel about what this awareness confers

**Spiritual Knowledge** Watchman Nee, 1973-01-01 This book by the famed Chinese pastor Watchman Nee shows the way to the true knowledge of God as well as of ourselves and explains the relationship between spiritual knowledge and the renewed mind      *Understanding Watchman Nee* Dongsheng John Wu, 2012-04-01 This book situates Nee s view within the rich heritage of the Protestant Catholic and Eastern Orthodox spiritual traditions and thus renders Nee s thought more intelligible to Christians of both evangelical and more liberal persuasions In this book Dongsheng John Wu examines Watchman Nee s thought on the spiritual life focusing on the relationship between spiritual formation and spiritual knowledge Different ways of acquiring spiritual understanding are explored including the respective roles of divine illumination intellectual studies and life circumstances *Understanding Watchman Nee* begins by synthesizing strategic aspects of Nee s teachings as well as formative events and sources in the development of Nee s own spirituality and theology It then utilizes the critical work of contemporary theologian Mark McIntosh to bring Nee s voice into dialogue with some important figures in the history of Christian spirituality Such interactions reveal that Nee s crucial theological convictions exhibit strong parallels with related themes found in the church s spiritual or mystical treasures

**Aquinas on Human Self-Knowledge** Therese Scarpelli Cory, 2014 A study of Aquinas s theory of self knowledge situated within the mid thirteenth century debate and his own maturing thought on human nature

*The Finest of the Wheat, vol 1 - Hardcover* Watchman Nee, 1992-10-01 This is the best of Watchman Nee s teaching Excerpts are taken from almost all his published works They are topically arranged under 48 subjects covering all aspects of truth A sketch of Watchman Nee s life is given to introduce this collection Here is the most complete summary of Nee s

writings Every Christian should read them The Light That Is Given Patricia Dallmann,2024-06-28 Speaking from the traditional Quaker claim of inward knowledge of Christ the Light the author shows her accord with early Friends writings and the Scriptures they affirmed Promptings arising from daily readings and personal interactions provide the starting point for many of the book s essays Other genres including interviews and dialogues also present a perspective that largely has been lost to modern day forms of the faith Though not allowing authoritative texts to displace the prerogative of Spirit the author often cites both Scriptures and seventeenth century Friends to support her themes with their good sense and authority and thus she demonstrates the unity of the faith from century to century from millennium to millennium The Finest of the Wheat, vol 1 Watchman Nee,1992-10-01 This is Volume 1 of a compilation of excerpts from nearly all of Watchman Nee s published works written during the long course of his ministry of preaching and teaching in China and throughout the world **The Ancient Faith in Modern Light** T. Vincent Tymms,1897 The Normal Christian Life Watchman Nee,2009-02-01 The Normal Christian Life is Watchman Nee s great Christian classic unfolding the central theme of Christ our Life Starting from key passages in Romans Nee reveals the secret of spiritual vitality that should be the normal experience of every Christian His emphasis on the cross and resurrection of Jesus Christ contains fresh insights that have proven a blessing to many
