AN INTERACTIVE MULTIMEDIA LEARNING EXPERIENCE

This textbook includes access to an interactive multimedia e text Icons throughout the print book signal corresponding digital content in the e text Case Study Videos and Pause and Ponder Activities A collection of fourteen 7 to 10 minute Case Study Videos presents an encompassing view of a variety of psychological disorders featuring people experiencing these disorders and their family members describing symptoms from their own perspective In addition each video provides concise information about the available treatment options and commentary from a mental health professional Each video is presented in the context of a Pause and Ponder activity with the following elements

Part I Pause Readers are asked to read several short examples of everyday life situations facing a person or people with a particular disorder and assess their own ability to empathize

Part II Learn Readers are directed to view the Case Study Video and answer a series of questions with interactive self scoring

Part III Ponder Finally readers are asked to respond to one or more open ended questions and to reassess their ability to empathize

Concept and Topic Videos In early chapters short videos complement the reading with broad overviews of important concepts like the scientific method the importance of reliability and validity in research etc In later chapters these short videos are designed to draw students in and provide a general overview of the disorders and treatments they will read about and study

Instructor s Resources include brief open ended question sets for use with these videos that ask questions to stimulate students curiosity like What did the video confirm about your prior understanding of What did the video challenge about your prior understanding of Did anything surprise you if so what What are you curious to learn more about concerning

Interactive Figures Charts Tables Appearing throughout the enhanced e text interactive figures process diagrams and tables facilitate the study of complex concepts and processes and help students retain important information Even many of the simplest figures are interactive to encourage online readers to pause and absorb the information they present before scrolling on to additional reading

Interactive Self Scoring Check Your Knowledge Questions and Practice Quizzes Students can check their answers to the Check Your Knowledge questions at the end of each major chapter section instantly and each chapter includes a self scoring Practice Quiz to help prepare for graded assignments and exams

Encyclopedia of Counseling

Frederick T. Leong, 2008-04-25 Selected as an Outstanding Academic Title by Choice Magazine January 2010 From the depressed and lonely college student to the business executive at midlife experiencing decreasing levels of career satisfaction to the couple where one partner has been unfaithful in the relationship counselling is the intervention that numerous individuals turn to each year as the challenges and stress of daily living exceed their normal coping abilities Counselling is practised by counsellors social workers psychiatric nurses psychologists and psychiatrists Counseling is to be differentiated from psychotherapy in that the latter deals more with mental illnesses and psychological disorders while the former is more concerned with normative stresses adjustment difficulties and life transitions e g adjusting to unemployment or going through a divorce The Encyclopedia of Counseling will

be the definitive resource for members of the public who are interested in learning about the science and practice of counselling.
