THEORY OF HUMOUR

Semantic Mechanisms Of Humour

V. Raskin

Semantic Mechanisms Of Humour:

Semantic Mechanisms of Humor V. Raskin, 1984-12-31 GOAL This is the funniest book I have ever written and the ambiguity here is deliberate Much of this book is about deliberate ambiguity described as unambiguously as possible so the previous sentence is probably the first last and only deliberately ambiguous sentence in the book Deliberate ambiguity will be shown to underlie much if not all of verbal humor Some of its forms are simple enough to be perceived as deliberately ambiguous on the surface in others the ambiguity results from a deep semantic analysis Deep semantic analysis is the core of this approach to humor The book is the first ever application of modern linguistic theory to the study of humor and it puts forward a formal semantic theory of verbal humor The goal of the theory is to formulate the necessary and sufficient conditions in purely semantic terms for a text to be funny In other words if a formal semantic analysis of a text yields a certain set of semantic properties which the text possesses then the text is recognized as a joke As any modern linguistic theory this semantic theory of humor attempts to match a natural intuitive ability which the native speaker has in this particular case the ability to perceive a text as funny i e to distinguish a joke from a non joke

Semantic Mechanisms of Humor Victor Raskin, 1985-01-01 **Semantic Mechanisms of Humor** V. Raskin, 2011-11-12 GOAL This is the funniest book I have ever written and the ambiguity here is deliberate Much of this book is about deliberate ambiguity described as unambiguously as possible so the previous sentence is probably the first last and only deliberately ambiguous sentence in the book Deliberate ambiguity will be shown to underlie much if not all of verbal humor Some of its forms are simple enough to be perceived as deliberately ambiguous on the surface in others the ambiguity results from a deep semantic analysis Deep semantic analysis is the core of this approach to humor The book is the first ever application of modern linguistic theory to the study of humor and it puts forward a formal semantic theory of verbal humor The goal of the theory is to formulate the necessary and sufficient conditions in purely semantic terms for a text to be funny In other words if a formal semantic analysis of a text yields a certain set of semantic properties which the text possesses then the text is recognized as a joke As any modern linguistic theory this semantic theory of humor attempts to match a natural intuitive ability which the native speaker has in this particular case the ability to perceive a text as funny i e to distinguish a joke from a non joke

Semantic Mechanisms of Humor V. Raskin, 1984-12-31 *Encyclopedia of Humor Studies* Salvatore Attardo, 2014-02-25 The Encyclopedia of Humor A Social History explores the concept of humor in history and modern society in the United States and internationally This work's scope encompasses the humor of children adults and even nonhuman primates throughout the ages from crude jokes and simple slapstick to sophisticated word play and ironic parody and satire As an academic social history it includes the perspectives of a wide range of disciplines including sociology child development social psychology life style history communication and entertainment media Readers will develop an understanding of the importance of humor as it has developed globally throughout history and appreciate its effects on child and adult

development especially in the areas of health creativity social development and imagination This two volume set is available in both print and electronic formats Features Benefits The General Editor also serves as Editor in Chief of HUMOR International Journal of Humor Research for The International Society for Humor Studies The book s 335 articles are organized in A to Z fashion in two volumes approximately 1 000 pages This work is enhanced by an introduction by the General Editor a Foreword a list of the articles and contributors and a Reader s Guide that groups related entries thematically A Chronology of Humor a Resource Guide and a detailed Index are included Each entry concludes with References Further Readings and cross references to related entries The Index Reader s Guide themes and cross references between and among related entries combine to provide robust search and browse features in the electronic version This two volume A to Z set provides a general non technical resource for students and researchers in such diverse fields as communication and media studies sociology and anthropology social and cognitive psychology history literature and linguistics and popular culture and folklore

The Language of Humour and Its Transmutation in Indian Political Cartoons
 Vinod Balakrishnan,Vishaka Venkat,2023-07-13 This book develops a model to examine the language of humour which is multimodal and accounts for the possibility of transmutation of humour as it is performed through editorial cartoons By transmutation is meant the transition in the language of humour when it crosses its own boundaries to provoke unprecedented reactions resulting in offensiveness disappointment or hurt sentiment The transmutability about the language of humour points to its inherently diabolical nature which manifests in the performance of controversial cartoons The model is built by borrowing theoretical cues from Roman Jakobson Roland Barthes George Lakoff and Mark Johnson The integrated model then is developed to examine the cartoons which were recommended for deletion by the Thorat Committee following a cartoon controversy in India Through the cartoon analysis the model discerns the significance of context and temporality in determining the impact of humour It also examines how the ethics of humour the blurred lines of political correctness and incorrectness are dictated by the political atmosphere and the power dynamics

Transmedial Perspectives on Humour and Translation Loukia Kostopoulou,Vasiliki Misiou,2023-12-22 This innovative collection spotlights the role of media crossovers in humour translation and how the latter is conveyed through new means of communication The volume offers an in depth exploration of the entanglements of film theatre literature TV the Internet etc within the framework of transmediality and their influence on the practice of translating humour Chapters focus on the complex web of interrelationships shaped by and shaping the process es of transformation and adaptation that take place across media and across languages and cultures Situating translation practices and innovations within an interdisciplinary context the volume underscores the hybrid nature and complex semiotics of humour and the plurality of possibilities for new insights that contemporary approaches offer driven by technological advancements in the industry The book will be of particular interest to scholars and researchers in the fields of Translation Studies Humour Studies Audiovisual Translation Media Studies and

Adaptation Studies Aristophanic Humour Peter Swallow, Edith Hall, 2020-06-11 This volume sets out to discuss a crucial question for ancient comedy what makes Aristophanes funny Too often Aristophanes humour is taken for granted as merely a tool for the delivery of political and social commentary But Greek Old Comedy was above all else designed to amuse people to win the dramatic competition by making the audience laugh the hardest Any discussion of Aristophanes therefore needs to take into account the ways in which his humour actually works This question is addressed in two ways The first half of the volume offers an in depth discussion of humour theory a field heretofore largely overlooked by classicists and Aristophanists examining various theoretical models within the specific context of Aristophanes eleven extant plays In the second half contributors explore Aristophanic humour more practically examining how specific linguistic techniques and performative choices affect the reception of humour and exploring the range of subjects Aristophanes tackles as vectors for his comedy A focus on performance shapes the narrative since humour lives or dies on the stage it is never wholly comprehensible on the page alone *The Routledge Handbook of Language and Humor* Salvatore Attardo, 2017-02-17 The Routledge Handbook of Language and Humor presents the first ever comprehensive in depth treatment of all the sub fields of the linguistics of humor broadly conceived as the intersection of the study of language and humor The reader will find a thorough historical terminological and theoretical introduction to the field as well as detailed treatments of the various approaches to language and humor Deliberately comprehensive and wide ranging the handbook includes chapter long treatments on the traditional topics covered by language and humor e g teasing laughter irony psycholinguistics discourse analysis the major linguistic theories of humor translation but also cutting edge treatments of internet humor cognitive linguistics relevance theoretic and corpus assisted models of language and humor Some chapters such as the variationist sociolinguistics stylistics and politeness are the first ever syntheses of that particular subfield Clusters of related chapters such as conversation analysis discourse analysis and corpus assisted analysis allow multiple perspectives on complex trans disciplinary phenomena This handbook is an indispensable reference work for all researchers interested in the interplay of language and humor within linguistics broadly conceived but also in neighboring disciplines such as literary studies psychology sociology anthropology etc The authors are among the most distinguished scholars in their fields *De Gruyter Handbook of Humor Studies* Thomas E. Ford, Władysław Chłopicki, Giseline Kuipers, 2024-07-22 The De Gruyter Handbook of Humor Studies consolidates the cumulative contributions in theory and research on humor from 57 international scholars representing 21 different countries in the widest possible diversity of disciplines It organizes research in a unique conceptual framework addressing two broad themes the Essence of Humor and the Functions of Humor Furthermore scholars of humor have recognized that humor is not only a universal human experience it is also inherently social shared among people and woven into the fabric of nearly every type of interpersonal relationship Scholars across all academic disciplines have addressed questions about the essence and functions of humor at different levels of analysis relating to how narrowly or broadly they conceptualize the social context of

humor Accordingly the editors have organized each broad thematic section into four subsections defined by level of analysis The book first addresses questions about individual psychological processes and text properties then moves to questions involving broader conceptualizations of the social context addressing humor and social relations and humor and culture By providing a comprehensive review of foundational work as well as new research and theoretical advancements across academic disciplines the De Gruyter Handbook of Humor Studies will serve as the foremost authoritative research handbook for experienced humor scholars as well as an essential starting point for newcomers to the field such as graduate students seeking to conduct their own research on humor Further by highlighting the interdisciplinary interest of new and emerging areas of research the book identifies and defines directions for future research for scholars from every discipline that contributes to our understanding of humor

Semantic Mechanisms Of Humour Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Semantic Mechanisms Of Humour PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Semantic Mechanisms Of Humour PDF books and manuals is convenient and cost-effective, it is vital to

respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Semantic Mechanisms Of Humour free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
