Lou Andreas Salome Her Life And Writings:

Fenitschka ; And, Deviations Lou Andreas-Salomé,1990 The author of these two novellas Lou Andreas Salome is not as well known through her own writing as through her friendships with such men as Friedrich Nietzsche Rainer Maria Rilke Sigmund Freud Martin Buber et al and on whom she had significant influence As one of the first women to study at a European university her relationships with men differed vastly from those of other women of her time and one might count her among the avant garde of the women s movement Fenitschka the first of the two stories in this volume is based on an experience in Lou Salome s life which gave rise to the libretto of the better known of two operas Lulu by Alan Berg The second opera entitled Deviations was written only a few years ago by the Italian composer and conductor Giuseppe Sinopoli Whereas the first work bears only a very slight and less than favorable resemblance to the character of this exceptional woman the second though not a chronological account of her life captures her spirit much more faithfully and once again bears witness to the fact that she aroused and stimulated the creativity of those whose lives she touched Sex and Religion Lou Andreas-Salome,2017-07-05 As a psychoanalyst and author Lou Andreas Salome traverses the mystery of sexuality in much of her work This book comprised of two texts originally written for adolescents uniquely explores sexual education and the collision of sexuality and religion across the lifespan The first piece Three Letters to a Young Boy 1917 is a psychoanalytic fairy tale The letters offer an interesting version of the evolution of sexual knowledge from childhood through adolescence The second piece The Devil His Grandmother 1922 merges sexuality with religion encapsulating three ages of woman child to a lost soul and the Devil s bride to the Devil s Grandmother Written in charmingly convoluted dialogue this work has a cinematic fanciful feel Both pieces dispense with academic formality and point to a relaxed new phase in Salome s writing life Interestingly this tone can also be detected in her blossoming correspondence with Sigmund Freud which contrasts starkly with her sombre letters to Rainer Maria Rilke It is with the spirit of free thinking demonstrated in these two selections perhaps informed by Salome s experimentation with free association that the reader is transported to a new theatre of Salome s imagination *Salomé, Her Life and Work* Angela Livingstone,1984 Born in 1861 in Russia Lou Andreas Salome is best known for the famous company she kept But as this book reveals her relationships with Nietzsche Rilke and Freud were complex and she had profound influences on each of them This biography brings us up close to her writing as well as to her life and meeting with Tolstoy Wagner and other remarkable men It explores in depth her relationship with Nietzsche who saw in her a natural heir to his philosophy Only since knowing her I was ripe for my Zarathustra he wrote Salome s marriage was to last for 45 years yet never be consummated She had her first love affair at age 36 with a twenty one year old Rilke He wrote through the relentless force of your words my work become consecrated At fifty Salome met Freud and studied under him for two years Freud had a special admiration for Lou Andreas Salome wrote Ernest Jones She spent the rest of her life as a psychoanalyst her friendship with Freud was to last until her death in 1937 The Erotic Lou Andreas-Salomé©,2012
