strips The last two chapters deal with the origin and history of the proverbial expression to tilt at windmills as an allusion to Cervantes Don Quixote and the many proverbial utterances in Mozart's letters The book draws attention to the fact that proverbs as metaphorical signs continue to play an important role in oral and written communication Proverbs as so-called monumenta humana are omnipresent in all facets of life and while they are neither sacrosanct nor saccharine they usually offer much common sense or wisdom based on recurrent experiences and observations Davy's School Days, Or, Deeds Speak Louder Than Words D.
