Stern,1999-08-26 Chronicles the life and literary success of the author of the enduring classic Little Women      The Matrilineal Heritage of Louisa May Alcott and Christina Rossetti Azelina Flint,2021-07-29 In an unprecedented comparison of two of the most important female authors of the nineteenth century

Azelina Flint foregrounds the influence of the religious communities that shaped Louisa May Alcott's and Christina Rossetti's visions of female creativity. In the early stages of the authors' careers, their artistic developments were associated with their patrilineal connections to two artistic movements that shaped the course of American and British history: the Transcendentalists and Pre-Raphaelites. Flint uncovers the authors' rejections of the individualistic outlooks of these movements, demonstrating that Alcott and Rossetti affiliated themselves with their mothers and sisters' religious faith. Applying the methodological framework of women's mysticism, Flint reveals that Alcott's and Rossetti's religious beliefs were shaped by the devotional practices and life-writing texts of their matrilineal communities. Here, the authors' iconic portrayals of female artists are examined in light of the examples of their mothers and sisters for the first time. Flint recovers a number of unpublished life writings, including commonplace albums and juvenile newspapers, introducing readers to early versions of the authors' iconic works. These recovered texts indicate that Alcott and Rossetti portrayed the female artist as a mouthpiece for a wider community of women committed to social justice and divine communion. By drawing attention to the parallels in the authors' familial affiliations and religious beliefs, Flint recuperates a tradition of nineteenth-century women's mysticism that departs from the individualistic models of male literary traditions to locate female empowerment in gynocentric relationships dedicated to achieving a shared revelation of God. **The Dime Novel Companion** J. *May Alcott Nieriker, Author and Advocate* Julia Dabbs,2022-03-01 May Alcott Nieriker Author and Advocate examines in depth the writings on art and travel by the youngest sister of famed novelist Louisa May Alcott Like other American women in the later nineteenth century due to her gender May was unable to receive the advanced training and exhibition opportunities in the USA that she needed to become a notable professional painter An additional obstacle was her family s insecure financial status making it difficult to study abroad for training Fortunately thanks to Louisa s generosity May was able to make three extended trips to London and Paris in order to gain further training and eventually attained the honor of having two paintings accepted into the Paris Salon However this book argues that Alcott Nieriker s main contributions to cultural history were not necessarily her artistic creations but rather her publications on travel and art specifically four articles for the Boston Evening Transcript and an 1879 guidebook Studying Art Abroad and How To Do It Cheaply In these works May sought to transform the art world and social mores through her advocacy for the rights of women to have equal access to a professional artistic career
