Roman Artists, Patrons, and Public Consumption Brenda Longfellow, Ellen Perry, 2018-01-10 In recent decades the study of Roman art has shifted focus dramatically from issues of connoisseurship typology and chronology to analyses of objects within their contemporary contexts and local environments Scholars challenge the notion formerly taken for granted that extant historical texts the writings of Vitruvius for example can directly inform the study of architectural remains Roman era statues paintings and mosaics are no longer dismissed as perfunctory replicas of lost Greek or Hellenistic originals they are worthy of study in their own right Further the scope of what constitutes Roman art has expanded to include the vast spectrum of objects used in civic religious funerary and domestic contexts and from communities across the Roman Empire The work gathered in *Roman Artists, Patrons, and Public Consumption* displays the breadth and depth of scholarship in the field made possible by these fundamental changes The first five essays approach individual objects and artistic tropes as well as their cultural contexts and functions from fresh and dynamic angles The latter essays focus on case studies in Pompeii demonstrating how close visual analysis firmly rooted in local and temporal contexts not only strengthens

understanding of ancient interactions with monuments but also sparks a reconsideration of long held assumptions reinforced by earlier scholarship These rigorous essays reflect and honor the groundbreaking scholarship of Elaine K Gazda In addition to volume editors Brenda Longfellow and Ellen E Perry contributors include Bettina Bergmann Elise Friedland Barbara Kellum Diana Y Ng Jessica Powers Melanie Grunow Sobocinski Lea M Stirling Molly Swetnam Burland Elizabeth Wolfram Thill and Jennifer Trimble

The Adventure of the Illustrious Scholar Elizabeth Simpson, 2018-06-12 The Adventure of the Illustrious Scholar Papers Presented to Oscar White Muscarella edited by Elizabeth Simpson is a Festschrift celebrating the career of one of the foremost archaeologists of the ancient Near East Oscar Muscarella is a former curator at the Metropolitan Museum of Art and a formidable scholar who has excavated at sites in Turkey Iran and the United States He has published eight books and nearly 200 articles excavation reports and reviews on topics ranging from the arts of antiquity and the importance of connoisseurship to the difficulties of dating and the problems of forgeries the looting of ancient sites and the antiquities trade The forty seven contributors are experts in the areas of Muscarella s interests and are major scholars in their fields This volume constitutes an unusual important and timely addition to the archaeological and art historical literature

The Restoration of Ancient Bronzes Erik Risser, David Saunders, 2013-01-31 The archaeological finds at Herculaneum and Pompeii have rendered Naples an especially rich field for the study of the history of restorations particularly of ancient bronzes Bringing together the research of an international group of curators conservators archivists and scientists this extensively illustrated online volume examines the evolving practice of bronze restoration in Naples and other European centers from the eighteenth century to today Presenting the results of new investigations this collection of essays and case studies addresses the contexts in which the restorations took place the techniques and materials used the role of specialists and changing attitudes to the display of these statues Along with a rich selection of images these texts offer a significant contribution to the history of restoration and conservation providing valuable information regarding the evolution of taste and museum practices at a formative stage of modern archaeology The essays collected here were written following a series of presentations at a one day conference Restoring Ancient Bronzes in the Nineteenth Century held at the J Paul Getty Museum on May 6 2011 Each illustrated essay is accompanied by a separate gallery of large format images to facilitate study and analysis Edited by Erik Risser associate conservator in the Department of Antiquities at the J Paul Getty Museum and David Saunders assistant curator in the Department of Antiquities at the J Paul Getty Museum this collection is part of the Getty s ongoing commitment to the online publication of scholarly conferences and symposia

Encyclopedia

of the History of Classical Archaeology Nancy Thomson de Grummond, 2015-05-11 With 1 125 entries and 170 contributors this is the first encyclopedia on the history of classical archaeology It focuses on Greek and Roman material but also covers the prehistoric and semi historical cultures of the Bronze Age Aegean the Etruscans and manifestations of Greek and Roman culture in Europe and Asia Minor The Encyclopedia of the History of Classical Archaeology includes entries on individuals whose activities influenced the knowledge of sites and monuments in their own time articles on famous monuments and sites as seen changed and interpreted through time and entries on major works of art excavated from the Renaissance to the present day as well as works known in the Middle Ages As the definitive source on a comparatively new discipline the history of archaeology these finely illustrated volumes will be useful to students and scholars in archaeology the classics history topography and art and architectural history

Traveling with Philosophes Ken Ewell, 2006-08 Join a fellow traveler on a walkabout through Paris and London and then travel with him across England Scotland and Wales After those walkabouts accompany him as he journeys across America and follows the equator to Australia Finally wander with him along the corridors of modern and postmodern philosophy and as he travels with old and new Philosophes who all voiced an opinion as regards this travel book It is a book that people won't buy won't read and won't praise Mark Twain After reading only a few pages I gave up the study of philosophy forever Voltaire I cannot look upon the book without shedding tears Bertrand Russell If I could only make a travel book like that I would be perfectly willing to die even anxious John Dewey I have seen a great many travel books in my time but none that this one reminds me of Will Durant This travel book is one third fabrication one third prevarication and one third barefaced lies However the rest of the book is the unadulterated truth

Dr Morris A Nussbaum **Bodies of Evidence** Jane Draycott, Emma-Jayne Graham, 2017-07-05 Dedicating objects to the divine was a central component of both Greek and Roman religion Some of the most conspicuous offerings were shaped like parts of the internal or external human body so called anatomical votives These archaeological artefacts capture the modern imagination recalling vividly the physical and fragile bodies of the past whilst posing interpretative challenges in the present This volume scrutinises this distinctive dedicatory phenomenon bringing together for the first time a range of methodologically diverse approaches which challenge traditional assumptions and simple categorisations The chapters presented here ask new questions about what constitutes an anatomical votive how they were used and manipulated in cultural cultic and curative contexts and the complex role of anatomical votives in negotiations between humans and gods the body and its disparate parts divine and medical healing ancient assemblages and modern collections and collectors In seeking to re contextualise and re conceptualise anatomical votives this volume uniquely juxtaposes the medical with the religious the social with the conceptual the idea of the body in fragments with the body whole and the museum with the sanctuary crossing the boundaries between studies of ancient religion medicine the body and the reception of antiquity

Louvre Green Etruscan And Roman Antiquities Introduction

In the digital age, access to information has become easier than ever before. The ability to download Louvre Green Etruscan And Roman Antiquities has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Louvre Green Etruscan And Roman Antiquities has opened up a world of possibilities. Downloading Louvre Green Etruscan And Roman Antiquities provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Louvre Green Etruscan And Roman Antiquities has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Louvre Green Etruscan And Roman Antiquities. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Louvre Green Etruscan And Roman Antiquities. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Louvre Green Etruscan And Roman Antiquities, users should also consider the potential security risks associated with online platforms. Malicious actors

may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Louvre Green Etruscan And Roman Antiquities has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
