Love And Freedom Professional Women And The Reshaping Of Personal Life:

Love and Freedom Alison Mackinnon, 1997-01-28 Can the educated women of the 1990s have both a career and a fulfilling personal life This book traces the history of women's responses to changes in education employment reproductive science and law since the 1890s Increased work and education opportunities and knowledge of contraception meant choice about when and indeed whether to marry and have children The author utilizes social and government history autobiography and statistical analysis This incisive interdisciplinary book will find broad appeal Love and Freedom Alison Mackinnon, 1997-01-28 In this 1997 book Alison Mackinnon traces the history of women's challenges to changes in education employment reproductive science and law She shows the connection between the lives of the first generation of women university graduates and the sudden decline in the national birthrate So dramatic was this shift that it sparked a Royal Commission into its cause Alison Mackinnon's extensive research shows that the declining birthrate was not simply the result of selfish educated young women refusing to bear the burdens of motherhood but was symptomatic of a larger questioning of the role of women in procreation the role of women in marriage and the institution of marriage itself Utilising social and government history autobiography and statistical analysis this book shows that the Marriage Problem exists as much in the 1990s as it did in the 1890s Men and women today are still challenging the boundaries between work and home profession and private life trying to find a way to have it all **Portraying Lives** Tanya Fitzgerald, Josephine May, 2016-04-01 The expansion of women's higher education in the late 19th and early 20th centuries in Australia and New Zealand offered educated women opportunities to broaden their aspirations horizons and experiences across many professional fields Engaged in the public activity of teaching in a range of educational institutions women were able to exercise a level of professional expertise authority and independence Paradoxically women were both empowered by the possibilities of educational careers yet at the same time restricted by the historical era in which they lived and the feminized positions they occupied In this book we draw on Sarah Lawrence Lightfoot and Jessica Hoffmann Davis methodological adoption of the use of portraits and portraiture to frame our history of women educators and highlight their unsettled acceptance of contemporary constraints and pressures exerted on educated women This book will be essential reading for those involved or interested in the historiography of women's education women teachers and headmistresses women's higher education educational biography and visual methodologies This book will also be of particular relevance to those engaged in the study of history sociology women and gender studies teacher education educational research and history of education

Analysing Identity Peter Weinreich, Wendy Saunderson, 2005-12-08 People's identities are addressed and brought into being by interaction with others Identity processes encompass biographical experiences historical eras and cultural norms in which the self's autonomy varies according to the flux of power relationships with others Identity Structure Analysis ISA draws upon psychological sociological and social anthropological theory and evidence to formulate a system of concepts that

help explain the notion of identity They can be applied to the practical investigations of identity structure and identity development in a number of clinical societal and cultural settings This book includes topics on national and ethnic identification in multicultural contexts and gender identity relating to social context and the urban environment Clinical applications that describe identity processes associated with psychological distress are also examined These include anorexia nervosa and vicarious traumatising of counsellors in the aftermath of atrocity Analysing Identity is unique in its development of this integrative conceptualisation of self and identity and its operationalisation in practice This innovative book will appeal to academics and professionals in developmental social cross cultural clinical and educational psychology and psychotherapy It will also be of interest to those involved with sociology political science gender studies ethnic studies and social policy Of particular note is the availability of new software Ipseus which facilitates ISA for use by practitioners It enables them to enhance their professional skills by ascertaining their clients perspectives on self as located in the social world This has been successfully used with pre school three to five year old children and all other age ranges through childhood adolescence and adulthood Ipseus is designed to be used in inter cultural contexts and appeals to practitioners for their input for the generation of customized identity instruments see www.identityexploration.com

Graduate Women and Work in Wales, 1880-1939 Beth Jenkins, 2022-11-07 This book traces the social backgrounds educational experiences and subsequent lives of women who attended the university colleges in Wales from their inception to the outbreak of the Second World War Using a sample of 2 000 graduates the book foregrounds the experience of working class women and critically assesses the claim of social inclusivity built around education in Wales It charts changes and continuities in women s career prospects explores graduates relationship with the communities in which they studied lived and worked and finally examines the extensive networks which underpinned their personal and professional lives

Gender and Institutions Moira Gatens, Alison Mackinnon, 1998-11-09 This important interdisciplinary 1999 volume explores what might constitute a feminist approach to institutional design and reshaping What is the scope it asks in contemporary Australian society for ensuring that institutions acknowledge gender difference and deliver more equitable outcomes This feminist perspective on institutional design shows how gendered regulatory norms underpin and intersect with all other institutional settings The leading team of writers includes Deborah Mitchell Bettina Cass Chilla Bulbeck Carol Bacchi and Joan Eveline Topics discussed include institutions embodiment and sexual difference the welfare state housing policy household work republicanism and citizenship gender based discrimination This book makes a major contribution to debates about the reshaping of our institutions as we move towards the twenty first century

Thicker Than Water Leonore Davidoff, 2012 A pioneering new study of nineteenth century kinship and family relations focusing on the British middle class and highlighting both the similarities and the differences in relations between brothers and sisters in the past and in the present

Outsiders Or Equals? Tanya Fitzgerald, 2009 Shortlisted for the Anne Bloomfield Prize 2010 Across the ninety years of its history the University of New

Zealand 1871 1961 appointed four women professors to the academic staff From the outset while the woman professor was an insider to the Academy based on her qualifications and professional credentials on the basis of her gender she was a relative outsider to this deeply patriarchal institution Accordingly academic women and in particular this first generation of women professors were officially invisible both to their male colleagues and to the institution This is not to suggest that the presence of a woman professor was unproblematic or that she sat easily on the margins of men's scholarly worlds This book traces the personal and professional histories of each woman professor and examines their contribution to the expansion of higher education for women On the basis of extensive archival research in New Zealand England and the United States the author uses Bourdieu's notions of habitus field and capital to analyse this intellectual community of women and the professionalisation of academic work The book rehabilitates the woman professor from the margins of historical scholarship and offers an insight into a forgotten aspect of the history of women's higher education the history of women and the professoriate

Trailblazing Women of Australian Public Broadcasting, 1945-1975 Kylie Andrews, 2022-07-05
Trailblazing women of Australian Public Broadcasting 1945 1975 offers a compelling new perspective of Australian radio and television history It chronicles how a group of female producers defied the odds and forged remarkable careers in the traditionally male domain of public affairs production at the ABC in the post war decades Kay Kinane Catherine King Ther se Denny and Joyce Belfrage were ambitious and resourceful producers part of the vanguard of Australian broadcasters who used mass media as a vehicle for their social and political activism Fiercely dedicated to their audiences they wrote directed and produced ground breaking documentaries and current affairs programs that celebrated Australian life while also challenging its cultural complacency its racism and sexism They immersed themselves in the ABC's many networks of collaboration and initiated a range of strategies to expand their agency and authority With vivid descriptions of life at the ABC it traces their careers as they crossed borders and crossed mediums following them as they worked on location shoots and in production offices in television studios control rooms and radio booths In doing so it highlights the barriers both official and unofficial that confronted so many women working in broadcasting after World War II

The Victorian World Martin Hewitt, 2013-01-25 With an interdisciplinary approach that encompasses political history the history of ideas cultural history and art history The Victorian World offers a sweeping survey of the world in the nineteenth century This volume offers a fresh evaluation of Britain and its global presence in the years from the 1830s to the 1900s It brings together scholars from history literary studies art history historical geography historical sociology criminology economics and the history of law to explore more than 40 themes central to an understanding of the nature of Victorian society and culture both in Britain and in the rest of the world Organised around six core themes the world order economy and society politics knowledge and belief and culture The Victorian World offers thematic essays that consider the interplay of domestic and global dynamics in the formation of Victorian orthodoxies A further section on Varieties of Victorianism offers considerations

of the production and reproduction of external versions of Victorian culture in India Africa the United States the settler colonies and Latin America These thematic essays are supplemented by a substantial introductory essay which offers a challenging alternative to traditional interpretations of the chronology and periodisation of the Victorian years Lavishly illustrated vivid and accessible this volume is invaluable reading for all students and scholars of the nineteenth century

Sex Workers, Psychics, and Numbers Runners LaShawn Harris, 2016-06-15 During the early twentieth century a diverse group of African American women carved out unique niches for themselves within New York City's expansive informal economy LaShawn Harris illuminates the labor patterns and economic activity of three perennials within this kaleidoscope of underground industry sex work numbers running for gambling enterprises and the supernatural consulting business Mining police and prison records newspaper accounts and period literature Harris teases out answers to essential questions about these women and their working lives She also offers a surprising revelation arguing that the burgeoning underground economy served as a catalyst in working class black women's creation of the employment opportunities occupational identities and survival strategies that provided them with financial stability and a sense of labor autonomy and mobility At the same time urban black women all striving for economic and social prospects and pleasures experienced the conspicuous and hidden dangers associated with newfound labor opportunities *Companion to Women's Historical Writing* M. Sponberg, A. Curthoys, B. Caine, 2016-04-30 This A-Z reference work provides the first comprehensive reference guide to the wide range of historical writing with which women have been involved particularly since the Renaissance The Companion covers biographical writing travelogue and historical fictions broadening the concept of history to include the forms of writing with which women have historically engaged The focus is on women writing in English internationally but historical and historiographical traditions from beyond the English speaking world are also examined Brief biographies of individual writers are included **Gender, Colonialism and Education** Joyce Goodman, Jane Martin, 2013-04-15 An examination of the ways in which gender intersects with informal and formal education in England Germany Indonesia South Africa USA and the Netherlands The book looks at various issues including citizenship authority colonialism and education and the construction of national identities **Relational Autonomy** Catriona Mackenzie, Natalie Stoljar, 2000-01-27 This collection of original essays explores the social and relational dimensions of individual autonomy Rejecting the feminist charge that autonomy is inherently masculinist the contributors draw on feminist critiques of autonomy to challenge and enrich contemporary philosophical debates about agency identity and moral responsibility The essays analyze the complex ways in which oppression can impair an agent's capacity for autonomy and investigate connections neglected by standard accounts between autonomy and other aspects of the agent including self-conception self-worth memory and the imagination

Creating Complicated Lives Marelene Rayner-Canham, Geoff Rayner-Canham, 2012-12-01 Why have Canadian women scientists been written out of the historical record Who were they What did they accomplish What were their life paths These are some of the questions answered in this authoritative work Over decades of research Marianne Ainley identified tracked down and interviewed surviving scientists Creating Complicated Lives weaves the lives and work of these pioneers with the author's own experiences as an immigrant scientific technician and later a feminist historian Ainley argues that we must look at the lives of women scientists through a new historical lens that takes into account both the advances of science and concurrent debates about the advancement of women Rather than having linear career trajectories many women shifted fields coped with discrimination and endeavoured to find niches in which they could make significant contributions Never before has there been a survey of the lives and work of early Canadian women scientists This nuanced study brings their stories to light comparing contrasting and interpreting their very complicated lives

What is Sexual History? Jeffrey Weeks, 2016-06-10 Until the 1970s the history of sexuality was a marginalized practice Today it is a flourishing field increasingly integrated into the mainstream and producing innovative insights into the ways in which societies shape and are shaped by sexual values norms identities and desires In this book Jeffrey Weeks one of the leading international scholars in the subject sets out clearly and concisely how sexual history has developed and its implications for our understanding of the ways we live today The emergence of a new wave of feminism and lesbian and gay activism in the 1970s transformed the subject heavily influenced by new trends in social and cultural history radical sociological insights and the impact of Michel Foucault's work The result was an increasing emphasis on the historical shaping of sexuality and on the existence of many different sexual meanings and cultures on a global scale With chapters on amongst others lesbian gay and queer history feminist sexual history the mainstreaming of sexual history and the globalization of sexual history What is Sexual History is an indispensable guide to these developments
