Love And Relationships Notecards:

Love & Relationship Notecards Hay House,2004-06-01 This pack contains 20 beautifully illustrated cards with four different designs The cards are blank on the inside for your own personal message **Romantic Love and Sexual Behavior** Victor C. de Munck,1998-04-16 Westerners believe that love makes life worth living that sex is a natural desire different in kind from love and that only cynics reduce our love life to a calculation of economic or genetic factors In this volume essays explore these and other assumptions about the relationship between romantic love and sex This represents the first interdisciplinary social science study of love and sex Contributors ask and answer questions such as Is love just sex idealized or is it a transcendent and divine emotion Is love a cultural construct that is shared by members of the same culture or is it a matter of personal taste What keeps promiscuous people from using condoms even when they know they are at risk Are black professional men so rare that their conceptions of love and sex differ from those of white professional men Are brutal sexual fantasies an exclusively male domain and are they always excluded from love fantasies among normal adolescents Is divorce a culturally induced response to evolutionary reproductive strategies that compel individuals to maximize their genetic legacy Are marriages or relationships less satisfying or stable when an actual mate falls short of the fantasy of the ideal mate Is there a universal core to love and sex that is camouflaged by other cultural norms such as modesty and sexual segregation Is rape perceived as more acceptable when the rapist says he was motivated by love What do cult movements and romantic love have in common As they attempt to answer these and other questions the authors extend our understanding of the variety of ways that love and sex are conceptualized connected or separated *A Guide to the Period of the Catechumenate* Angela Darrow Flynn,Joe Paprocki,Stephen S. Wilbricht, csc,2024-09-01 The period of the catechumenate is rich with opportunities for catechesis and the Order of Christian Initiation of Adults presents four ways that catechesis occurs during that time for the unbaptized A Guide to the Period of the Catechumenate breaks open each of those ways of catechizing by first exploring the approach of catechesis accommodated to the liturgical year then by providing suggestions on how to introduce catechumens to the Christian way of life In addition to this foundational material this book also includes An overview of six foundational principles of initiation ministry and how they are applied to the period of the catechumenate Practical advice for leading formational and catechetical sessions with the unbaptized Thirty five seasonal outlines and twenty four monthly outlines with liturgical suggestions for preparing Celebrations of the Word Thirty four seasonal outlines and twenty four monthly outlines with practical ways catechumens can serve their parish and local communities Twelve catechetical sessions on the lives of the saints **The Moral Psychology of Love** Arina Pismenny,Berit Brogaard,2022-03-28 Under what circumstances can love generate moral reasons for action Are there morally appropriate ways to love Can an occurrence of love or a failure to love constitute a moral failure Is it better to love morally good people This volume explores the moral dimensions of love through the lenses of political philosophy psychology

and neuroscience It attempts to discern how various social norms affect our experience and understanding of love how love relates to other affective states such as emotions and desires and how love influences and is influenced by reason What love is affects what love ought to be Conversely our ideas of what love ought to be partly determined by our conception of what love is

Talk to Me Like I'm Someone You Love, revised edition Nancy Dreyfus, Psy.D., 2013-01-03 No matter our attachment style we all crave connection with our partners Talk to Me Like I m Someone You Love is a brilliant interactive relationship tool that can help couples stop arguing and begin healing Couples therapist Nancy Dreyfus hit upon this revolutionary practice during a particularly angry couples therapy session in which a wife s unrelenting criticism of her husband was making him more and more emotionally withdrawn Suddenly Dreyfus found herself scribbling on a scrap of paper Talk to me like I m someone you love and gesturing to the husband that he should hold it up He did and within seconds the familiar power differential between the two shifted and a gentler more genuine connection emerged This revised edition features two new sections one on making love and another on deepening trust containing over 25 new flash cards for real life written statements that hold the power to express what we wish we could say to the person we love but for which we can t find either the right words or the right tone in which to say them Each of the statements in this book is accompanied by field notes from the author that explain when why and how to use the statement as well as real life stories from the author s practice

The Ethics of Interpersonal Relationships Joyce Catlett, Robert W. Firestone, 2018-03-28 Writing this book springs from a deep feeling for people and a grave concern that without a proper understanding of the reasons for their inhumanity in relation to one another and the development of a compassionate world view it is likely that human beings may eventually destroy themselves and life on the planet This work is

an attempt to explain the source of destructive behaviour and how it manifests itself in personal relationships between men women couples and families and in the social arena The author presents a position that offers a hope of altering the destiny of humankind s unethical behavior through better psychological understanding and education Understanding the source of a person s aggressiveness in defending the fantasy bond and learning to cope with the voice process have strong implications for child rearing and better mental health practices *Love in Contemporary Cinema* Benjamín de la Pava Vélez,2021-07-18

This book looks at social representations of romantic love as portrayed in films and interpreted by their audiences using cinema as a means for analysing the state of romantic love today and the touchpoints and disconnects between its representation on screen and the lived experiences of film audiences Through a media sociology lens the book draws on analysis of five contemporary romantic films and the meanings brought to and made from them by socially and economically diverse audiences Employing both textual analysis and primary interviews the book contests overly pessimistic perspectives on modern intimacy while acknowledging and exploring some of the challenges woes and changes that romantic love is experiencing in late capitalism Concerns and debates over monogamy the teleology romantic love and the division of labour in relationships percolate in this book s examination of how audiences responses to these films reflect their attitudes and expectations regarding romantic love This book will have great resonance for scholars and students of not just film studies and media studies but also audience studies media sociology philosophy gender and sexuality *Fluid Gender, Fluid Love* Deirdre Byrne,Wernmei Yong Ade,2018-10-16 Gender and love are so intimately interconnected that it sometimes seems as though they bring each other into being But their relationship is shifting as human society develops new understandings of identity gender and the self The chapters in this volume explore the convoluted and ever changing nature of love gender and identity from a variety of disciplines and perspectives bearing testimony to the perennial appeal of this field of inquiry There are chapters on the historical constructions of love and gender the philosophical aspects the faultlines in twenty first century heteronormativity and the challenges of love from and within the margins Gender and love are interdisciplinary and this volume will appeal to scholars from all disciplinary protocols **Strange Gods** Timothy L. Carens,2021-11-28 Despite frequent declarations of the sanctity of love and marriage British Protestant culture nurtured the fear that human affection might easily slip into idolatry Throughout the nineteenth century theological essays sermons hymns and didactic fiction and poetry urged the faithful to maintain a constant watch over their hearts lest they become engrossed by human love guilty of worshipping the creature rather than the Creator *Strange Gods Love and Idolatry in the Victorian Novel* traces the concerns produced in Protestant culture by this broad interpretation of idolatry In chapters focusing on Charles Kingsley and Charlotte Bront Mary Elizabeth Braddon George Eliot Oscar Wilde and Thomas Hardy this volume shows that even supposedly secular novels obsessively reenact an ideological clash between Protestant faith and human love Anxiety about adoring humans more than God frequently overshadows and sometimes derails the progress of romance in Victorian novels By probing this anxiety

and its narrative effects *Strange Gods* uncovers how a central Protestant belief exerts its influence over stories about love and marriage

The Silence of the Heart Paul Ferrini, 1996 A powerful sequel to *Love Without Conditions* John Bradshaw says with deep insight and sparkling clarity this book demonstrates that the roots of all abuse are to be found in our own self betrayal Paul Ferrini leads us skilfully and courageously beyond shame blame and attachment to our wounds into the depths of self forgiveness a must read for all people who are ready to take responsibility for their own healing
