

A romantic couple is shown in a close embrace, nearly kissing. The woman, on the left, has long dark hair and is wearing a light-colored, possibly white, dress. The man, on the right, has dark hair and is wearing a dark suit jacket over a white shirt and a dark tie. They are both looking at each other with soft expressions. The background is a warm, golden bokeh with out-of-focus lights and a string of golden beads hanging from the top left. Small white stars are scattered throughout the scene, adding to the romantic atmosphere.

Love Is a Journey Mo Guernon, 2025-05-06 Love is a Journey is the remarkable story of Albino Luciani known to the world as Pope John Paul I from his harrowing birth to his tragic death just 33 days into his 1978 pontificate the shortest pontificate in history After years of dedicated archival research and after interviewing dozens of figures in the Catholic hierarchy as well as Pope John Paul I s niece author Mo Guernon explores Luciani s family history personality and character to reveal the very essence of the man who became known as the Smiling Pope Guernon analyzes Luciani s major public pronouncements and his most significant writings which shed considerable light on his fundamental beliefs and worldview In the concluding chapters of the book Guernon assesses Pope John Paul I s legacy and journey toward sainthood and the beguiling question of how the Catholic Church might have evolved had his pontificate endured through the

1980s and beyond The events of Luciani's life are so compelling so remarkable so fast moving that the narrative reads like a novel Guernon paints a multi dimensional portrait of the man that prominently displays his virtues and shortcomings successes and failures heroic deeds and personal doubts about his own courage He highlights Luciani's progressive views of issues of his time the crises in his personal and priestly life his discomfort with the spotlight and his anxiety about succeeding the popular Pope Paul VI the relative simplicity of his inauguration as pope and the unprecedented power he wielded on those with whom he came into contact both personally and through the mass media Above all Guernon attempts to capture the pope's mysterious ability to engender love among people of all faiths and nonbelievers too with his inimitable humility and almost divine smile A striking example of his influence came from punk rocker Patti Smith who was so enamored of Luciani that she wrote a song about the pope and dedicated her 1979 album Wave to him Pope John Paul I's impact on the world during his 33 day pontificate was simultaneously profound and perplexing and until now underappreciated In little more than a month the Luciani dazzled people of all ages races and nations while modernizing the papacy and establishing an ambitious agenda for promoting peace and dialogue among all peoples a program subsequently carried out by his successors particularly Pope Francis And in fact Pope Francis established the Vatican Pope John Paul I Foundation in memory of his beloved mentor Never has a world leader accomplished so much in so little time

Illegible Sergey Gandlevsky, 2019-11-15 Sergey Gandlevsky's 2002 novel *Illegible* has a double time focus centering on the immediate experiences of Lev Krivorotov a twenty year old poet living in Moscow in the 1970s as well as his retrospective meditations thirty years later after most of his hopes have foundered As the story begins Lev is involved in a tortured affair with an older woman and consumed by envy of his more privileged friend and fellow beginner poet Nikita one of the children of high Soviet functionaries who were known as golden youth In both narratives Krivorotov recounts with regret and self castigation the failure of a double infatuation his erotic love for the young student Anya and his artistic love for the poet Viktor Chigrashov When this double infatuation becomes a romantic triangle the consequences are tragic In *Illegible* as in his poems Gandlevsky gives us unparalleled access to the atmosphere of the city of Moscow and the ethos of the late Soviet and post Soviet era while at the same time demonstrating the universality of human emotion

Andrzej Wajda Janina Falkowska, 2007-12-01 The work of Andrzej Wajda one of the world's most important filmmakers shows remarkable cohesion in spite of the wide ranging scope of his films as this study of his complete output of feature films shows Not only do his films address crucial historical social and political issues the complexity of his work is reinforced by the incorporation of the elements of major film and art movements It is the reworking of these different elements by Wajda as the author shows which give his films their unique visual and aural qualities

Stag of Love Marcelle Thiébaux, 2015-03-03 A sport and a military exercise hunting involved aggressive action with weapons and dogs and pursuit to the point of combat and killing for the sake of recreation food or conquest The Stag of Love explores the body of erotic metaphor that developed from the hunt

together with Ovid's flourishing legacies. While representing a range of human experience, the metaphor finds its dominant expression in the literature of love. As Marcelle Thi baux demonstrates, the hunt's disciplined violence represented sexual desire along with strategies and arts for getting love, the joys of love, and love's elevating mystique. The genre gave rise to a lavish imagery of footprints and tracking arrows, nets, dogs and leashes, wounds, dismemberment, and blood that persisted to Shakespeare's day. Thi baux opens with an account of a medieval chase and its ceremonies. She introduces hunt manuals that defined and gentrified the sport in stages from the party's departure to the ferocity of the struggle to the animal's death. These stages adapted readily to narrative structures in the love chase, showing pursuit, confrontation with the beloved, and consummation. In English literature, Thi baux considers Beowulf, Aelfric's Life of St Eustace, Sir Gawain and the Green Knight, and Chaucer. She discusses Aucassin and Nicolette, Chrétien de Troyes' Erec, Gottfried von Strassburg's Tristan, the Nibelungenlied, and Wolfram von Eschenbach's works. The study ends with a scrutiny of newly recovered or little known narratives of the thirteenth, fourteenth, and fifteenth centuries. Originally published in 1974 and now issued in paperback for the first time, *The Stag of Love* brings to life a theme of perennial interest to medievalists and to all readers intrigued by the imaginative treatment of love in the Western world.

The Culture of Love in China and Europe Paolo Santangelo, Gábor Boros, 2020-01-13 In *The Culture of Love in China and Europe*, Paolo Santangelo and Gábor Boros offer a survey of the cults of love developed in the history of ideas and literary production in China and Europe between the 12th and early 19th century. They describe parallel evolutions within the two cultures and how innovatively these independent civilisations developed their own categories and myths to explain, exalt, but also control the emotions of love and their behavioural expressions. The analyses contain rich materials for comparison, point out the universal and specific elements in each culture, and hint at differences and resemblances without ignoring the peculiar beauty and attractive force of the texts cultivating love.

Soul Wisdom. Volume One Marion Webb-De Sisto, 2001-05-16 An account of how the author began receiving messages from the spirit world back in 1984. It tells how she went from totally disbelieving to eventually accepting what she was being given through automatic writing. This book also includes some of the fascinating information that has been related within these channeled messages. Such subjects as Creation, the eternal soul, the seeding of man on Earth, the Earth Changes, the predicted axis shift, the Anti Christ, and the Second Coming are examined in this narrative about angelic communication. The author does not expect others to believe everything that her Guides have expressed. Instead, she offers their teachings as an incentive for people to pursue their own journey of spiritual awareness. The Foreword to this book was written by the Women's Spirituality writer Diane Stein.
