Copious Greek-English Vocabulary ,1850 Sensibility and Female Poetic Tradition, 1780-1860 Dr Claire

Knowles,2013-04-28 Arguing that the end of the eighteenth century witnessed the emergence of an important female poetic tradition Claire Knowles analyzes the poetry of several key women writing between 1780 and 1860 Knowles provides important context by demonstrating the influence of the Della Cruscan in exposing the constructed and performative nature of the trope of sensibility a revelation that was met with critical hostility by a literary culture that valorised sincerity This sets the stage for Charlotte Smith who pioneers an autobiographical approach to poetic production that places increased emphasis on the connection between the poet s physical body and her body of work Knowles shows the poets Susan Evance Letitia Elizabeth Landon and Elizabeth Barrett Browning advancing Smith s poetic strategy as they seek to elicit a powerful sympathetic response from readers by highlighting a connection between their actual suffering and the production of poetry From this environment a specific tradition in female poetry arises that is identifiable in the work of twentieth century writers like Sylvia Plath and continues to pertain today Alongside this new understanding of poetic tradition Knowles provides an innovative account of the central role of women writers to an emergent late eighteenth century mass literary culture and traces a crucial discursive shift that takes place in poetic production during this period She argues that the movement away from the passionate discourse of sensibility in the late eighteenth century to the more contained rhetoric of sentimentality in the early nineteenth had an enormous effect not only on female poets but also on British literary culture as a whole

The Southern literary messenger ,1835 **The Plays of Shakespeare** William Shakespeare,1860 **Let's Talk About Loneliness** Simone Heng,2023-06-27 Winner of a silver Nautilus Book Award 2024 Finalist in the International Book Awards 2024 The true antidote to loneliness this book will teach you the secret to building meaningful relationships and the importance of authentic connections in a lonely world Is it possible to have hundreds of followers on social media but still feel isolated To live in a city of millions of people but find yourself alone No one really wants to admit it but the answer is certainly yes So let s talk about loneliness Human connection specialist Simone Heng knows a lot about being lonely She left an enviable career and social life to move back to her family home to care for her mother All alone in a house filled with memories but devoid of people she was faced with the realization that human connection is one of our most essential needs There s a global loneliness epidemic Every one of us has experienced feeling lonely even if we don t realize it The modern world has changed how we live and the village environment with spontaneous connection has been replaced by remote work and contrived relationships Most importantly the old stereotypes of what loneliness looks like no longer hold true in a world where technology has made us more connected than ever before people of all ages are feeling alone Simone shares her journey to understanding the value of human connection and explains how to distinguish authentic relationships from fake substitutes This definitive book on loneliness shows us how to build meaningful relationships with those that matter the most forge new friendships and create the genuine connections we all crave
