Love For Sale A Grace And Favor Mystery:

Love for Sale Jill Churchill, 2004-02-24 If Lily and Robert Brewster no longer have a penny to their names at least they have a roof over their heads in this bleak Depression November of 1932 the sprawling estate of their late great uncle in Voorburg on Hudson But then a badly disguised stranger offers to pay generously to hold a very secret meeting there shortly before the national election And soon one of the mystery guests is murdered in his bath a local grade school teacher goes missing and a little boy is kidnapped With Pretty Boy Floyd rumored to be somewhere near the nasty business smacks of underworld activity or possible political conspiracy aimed at sabotaging Roosevelt s election Either way Chief Howard Walker has nowhere to house all the suspects except at the local Hospital for the Criminally Insane And the Brewster siblings are going to have their hands full tying the various ends together and ferreting out the killer who abused their hospitality

Bowker's Guide to Characters in Fiction 2007 ,2008-02 *Mystery Women, Volume Three (Revised)* Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 **Great Women Mystery Writers** Elizabeth A.
