Love, Mortality and the Moving Image E. Wilson, 2012-02-21 In their use of home movies collages of photographs and live footage moving image artists explore the wish to see dead loved ones living This study closely explores emotions and sensations surrounding mortality and longing with new readings of works by Agn s Varda Pedro Almod var Ingmar Bergman Sophie Calle and many others *Love* Zia Oboodiyat, 2020-09-02 Book Delisted **For Consideration Of Parental Love And Good Will** , *Biblical Poetics Before Humanism and Reformation* Christopher Ocker, 2002-04-04 A comparative study of the interpretation of the Bible in the Middle Ages *Engaging the Doctrine of Creation* Matthew Levering, 2017-07-18 Distinguished scholar Matthew Levering examines the doctrine of creation and its contemporary theological implications critically engaging with classical and modern views in dialogue with Orthodox and Reformed interlocutors among others Moving from the Trinity to Christology Levering takes up a number of themes pertaining to the doctrine of creation and focuses on how creation impacts our understandings of both the immanent and the economic Trinity He also engages newer trends such as ecological theology *The Essential Guide to Overcoming Obsessive Love* Eileen Bailey, Monique Belton Ph.D., 2011-06-07 When love consumes here s the solution When does love become an obsession What are the warning signs What does it take to guard against it and prevent it from taking over one s life A psychotherapist who specializes in this condition and a survivor of obsessive love team up to answer these questions and many others in the most current and important book on this phenomenon With fascinating and helpful advice drawn from real life case studies and personal experience this expert team discusses The difference between healthy love and obsessive love The psychological and societal causes of obsessive love Obsessive love from both the obsessor s and the addressee s points of view Proven techniques to avoid falling into the obsessive love cycle Concrete steps to break the cycle *The End of Divine Truthiness: Love, Power, and God* Paul Joseph Greene, 2017-08-01 In *The End of Divine Truthiness* Paul Joseph Greene confronts stark realities of terrifying theologies that make a mockery out of divine love With urgent resolve Greene answers Martin Luther King Jr s pointed challenge to overcome reckless and abusive power without love and sentimental and anemic love without power Too many theologies cast God either as the tyrant whose loveless power lifts up the mighty or the victim whose powerless love sends the poor away empty Wielding Stephen Colbert s word truthiness as a scalpel Greene slices out one perilous theology after another to restore the wholesome truth that God is love Supported by three world religions Buddhism Christianity and Taoism he discovers a remarkably harmonious and revolutionary divine power that is fully aligned with divine love To reunify love and power here in the world as King challenges it is time to abandon ideologies of divine power that devastate divine love and promote atrocities Greene s call for the end of divine truthiness heralds a new day for the God whose love is power and whose power is love *A Love Worth Waiting For* Brandon Rowell, 2025-03-15 After over fifteen years of loneliness and heartbreak Brandon and Ronald had all but given up on love Betrayed by past partners they built walls around their hearts

unwilling to risk the pain of disappointment again But fate had other plans A chance encounter at a quiet caf sparks an instant connection one filled with understanding shared wounds and the possibility of something real As they navigate their journey together Brandon and Ronald learn to trust again Through laughter heartfelt confessions and unforgettable moments from candlelit dinners to starlit getaways they discover a love that heals and strengthens Despite lingering fears and doubts they take the leap proving that even the most wounded hearts can find happiness again Their love story culminates in a wedding that neither of them thought possible a celebration of healing hope and a future built on the love they waited a lifetime to find

Anderson, Jose Granados, 2009-04-14 A thoughtful accessible work on the beauty of love and the splendor of the body inspired by Pope John Paul II Christianity has long been regarded as viewing the body as a threat to a person s spiritual nature and of denying its sexual dimension In 1979 Pope John Paul II departed from this traditional dichotomy and offered an integrated vision of the human body and soul In a series of talks that came to be known as the theology of the body he explained the divine meaning of human sexuality and why the body provides answers to fundamental questions about our lives In Called to Love Carl Anderson chairman of the world s largest catholic service organization and Fr Jose Granados discuss the philosophical and religious significance of the theology of the body in language at once poetic and profound As they explain the body speaks of God it reveals His goodness and it also speaks of men and women and their vocation to love Called to Love brings to life the tremendous gift John Paul II bestowed on humanity and gives readers a new understanding of the Christian way of love and how to embrace it fully in their lives **The Love That We Are** Uwa Hunwick, 2012-12-21 Why is it that all humanity yearns so much for love Is there anything or anyone who does not want to love and be loved Why do we feel a special something a merging with when we are in love or hear the four letter word love Could it not be because love touches the core essence of our beings and we react the way we do because the love atoms and molecules of our bodies recognize and identify with it It rings their bells in a manner of speaking You will also observe that more song lyrics in the whole world are about love given found longed for rejected lost etc Furthermore one cannot deny that scientific experiments and natural happenings have proven that animals plants all living things react favorably when approached and treated with love Typically a dog senses when we exhibit signs of fear dislike or other negative emotions which are at variance with the attributes of living love Whereas a show of confidence tolerance and good disposition toward animal and man which are acceptable derivative attributes of living love will calm them and restore their confidence because like recognizes like THE ELIXIR OF IMMORTALITY many have journeyed far and wide seeking to find the elixir of life Some think it is a magical potion that gives immortality and the quest for this portion has consumed these In a journey through the pages of this book each reader unveils for himself the logical reasons why this elixir of life is very necessary for all This book points boldly to very simple but sure pathway to this elixir of life and as I traveled through its pages not only did I move from seeking to enlightenment from
