term stranger danger is not only misleading to children it actually does more harm than good By the constant reminder that a child encounters by media adults and television programs about never talking to strangers children are often left confused and powerless of how to deal with the many strangers they come across on a day to day bases Secondly this book aims to teach children to become aware of their instincts feelings of uneasiness suspicion or otherwise their apprehension when it is appropriate and important to do so and when it comes to people and situations they encounter as they go about their lives Not just people of whom they do not know strangers but also of people of whom they may already know Finally this book is in two parts The first part are the three short stories of Polly a fictional character that describes in detail certain dilemmas she encounters when she becomes lost first at a grocery store next at the fair and then in the third story the close encounter she experiences of nearly being abducted by a stranger The stories go into detail about the positive aspects that Polly took each time to protect herself in each case scenario The encounters are based on a realistic chain of circumstances The second part of this book is aimed towards parents to look at self protection strategies suggested by some of the world s most prestigious experts on the subject of child safety and the criminal mind

Hug Someone You Love Today Michael A. Pickles,2012-02 During my fourth year of teaching I had the great privilege of working with an amazing educator by the

name of Miss Bezanson She taught a grade four class to whom I taught Physical Education Therefore I had the opportunity to socialize with her on a daily basis About six months into the school year Miss Bezanson gave me something that would forever change my teaching techniques and my life although I did not realize it at that moment One afternoon I was in Miss Bezanson s class discussing a student who was displaying increasing behavioural problems in my Physical Education class Sensing that I was experiencing tremendous stress as a result of this student she gave me something that touched my heart and reinforced an important life lesson She handed me a small paper card entitled Hug Someone You Love Today That was it No preachy sermon or fancy teaching strategies At that moment I realized that maybe all that child needed was a simple hug A sign of affection which he may or may not have been receiving at home So the next day I gave him a Hug Someone You Love Today card From that day forward I never had another major problem with that student It was absolutely amazing In this book I will share with you some of the heart felt true stories that I have accumulated over the years as a result of passing out these Hug Someone You Love Today cards along to those in need These are stories about normal folks like you and I whose lives have been positively changed as a result of receiving this simple card As you read these stories hopefully you will begin to feel more peaceful and loving yourself

The Greatest Love Story Never Told Richard Orion,2015-10-30 This story is based on a true love story that spanned almost two decades The names and places have been changed to protect the privacy of the individuals involved in this affair The chronological sequence of events has been maintained for continuity All the stories and experiences are based on facts This book is about a love story that was kept secret for 18 years and perhaps shouldve remained a secret The first book related to this love story was a book of poems entitled Somewhere Sometime Somehow Love Poems and Short Stories published in 2008 by this author and Xlibris For the perceptive reader of this book one can trace the ups and downs of our love

relationship These 18 years were filled with robust love and passion for each other Perhaps it was fantasy perhaps it was the most real thing we will ever experience The heartbreaking part of this love affair is that I am not really sure my lover ever really understood or appreciated my profound and unconditional love for her I opened my heart to her through poetry and thoughtful letters but she rarely showed me what was in her heart Perhaps it was a one sided love affair but I surely think and hope not I was convinced that she truly loved me through her words and actions At least I experienced a pure love that I had only dreamed was possible The story is told mainly through the exchange of letters and emails to each other Perhaps readers can experience and hopefully feel the deep love we felt for each other

User's Guide Clare Naylor, 2012-06-13 Working for Vogue Amy spends her days dressing waif models in London's latest apparel while fending off insults from the Gucci garbed staff Hardly the glamorous job she hoped it would be But that won't stop her from fantasizing about the sensational life she knows she's destined for or the prince who's bound to redeem her from a less than glowing record in romance However beneath her dreamy exterior Amy has a sure streak of common sense So when the impossible happens and her path crosses that of London's hottest film star she swoons with longing expecting nothing in return But Orlando Rock has other ideas For Amy is just the kind of girl he's after smart and witty different from the daft supermodels and vain leading ladies he's dated before Or is she For with fame fortune and true love just around the corner Amy's head is spinning her jet fueled imagination poised for takeoff Is her love for Orlando stronger than her lust for the limelight or is she merely fated to be the paparazzi's latest prey
