Love Is The Enemy 9:

Love Your Enemies Sharon Salzberg, Robert Thurman, 2023-08-01 Coping with anger and pain is more challenging than ever in these times and more necessary. Two acclaimed Buddhist teachers offer strategies and wisdom in a book that's been called possibly the most inspiring and liberating meditation on love ever written. When people and circumstances upset us, how do we deal with them? Often we feel victimized. We become hurt, angry, and defensive. We end up seeing others as enemies, and when things don't go our way, we become enemies to ourselves. But what if we could move past this pain, anger, and defensiveness? Inspired by Buddhist philosophy, this book introduces us to the four kinds of enemies we encounter in life: the outer enemy (people, institutions, and situations that mean to harm us), the inner enemy (anger, hatred, fear, and other destructive emotions), the secret enemy (self-obsession that isolates us from others), and the super-secret enemy (deep-seated self-loathing that prevents us from finding inner freedom and true happiness). In this practical guide, we learn not only how to identify our enemies but more important, how to transform our relationship to them. *Love Your Enemies* teaches us how to break free from the mode of us versus them, thinking, developing compassion, patience, and love, accepting what is beyond our control, embracing lovingkindness, right speech, and other core concepts. First published in 2013, *Love Your Enemies* is more than ever required reading for navigating our world. Throughout, authors Sharon Salzberg and Robert Thurman draw from ancient spiritual wisdom and modern psychology to help you find peace within yourself and with the world. Includes new prefaces from both authors. *Love Your Enemies (A History of the Tradition and Interpretation of Its Uses)* John Piper, 2012-06-30 *Love Your Enemies* This is one of the few statements Jesus made that is readily accepted by believers and skeptics alike. Its authenticity is not seriously questioned, and yet it is a revolutionary command. Giving attention to various critical theories, John Piper presents evidence that the early church earnestly advocated for non-retaliatory love, extending it to those who practiced evil in the world. Such love was key to the church's own ethical tradition or paraenesis. Piper illuminates the Synoptics and passages in Romans as well as 1 Thessalonians and 1 Peter with non-canonical evidence, investigating the theological significance of Jesus's love command. Originally published as 38 in the Society for New Testament Studies Monograph Series, this is John Piper's doctoral dissertation from the University of Munich. It is a serious work of Christian scholarship by a long-time respected author and pastor. This repackaged edition features a new, extensive introduction and will be of interest to scholars, students, and lay people who have training in New Testament studies. *Love Is Stronger Than Death* Peter Kreeft, 2011-04-06 In one of his most penetrating books, Kreeft ponders the meaning of a terminal illness: we all have death. The three vital questions of Life, Death, and God are approached through a variety of human experiences. Kreeft's book is a new statement of the Christian vision: the meaning of our existence and of death is the fulfillment of our deepest desire for the infinite joy and love of God. *Why Men Hurt Women and Other Reflections on Love, Violence, and Masculinity* Kopano Ratele, 2022-09 This book represents Kopano Ratele's meditations on love, violence, and masculinity. Men in our society, Ratele

contends suffer from an unrecognised painful yet consequential love hunger that sets in during boyhood This need for love may lie at the root of some masculine violence Ultimately the book seeks to imagine the possibility of a more loving masculinity in a society awash with violence Ratele argues that just as the beliefs and practices relating to gender sexuality and the nature of love are constantly being challenged and revised so our ideas about masculinity and men s and boys capacity to show genuine loving care for each other and for women can evolve too Back cover *'Love Your Enemies'* John Piper,1979 A Select Library of the Nicene and Post-Nicene Fathers of the Christian Church, First Series, Volume 6 Philip Schaff,2022-04-20 Philip Schaff s classic work colloquially known as The Early Church Fathers is an invaluable resource filled with the primary documents and early theological building blocks for the Christian church Comprised of thirty eight volumes it is broken into three parts the Ante Nicene Fathers and Nicene and Post Nicene Fathers First and Second Series A Select Library of the Nicene and Post-Nicene Fathers of the Christian Church ,1888 **A Select Library of the Nicene and Post-Nicene Fathers of the Christian Church: Saint Augustin: Sermon on the mount.
