Love Is The Wine:

Love Is The Wine Muzaffer Ozak, 2013-10-17 Love is the Wine presents an intoxicating mix of essays to satisfy the spiritual thirst of those with long experience in Islam as well as those encountering Sufism and the meaning of spiritual love for the first time Themes including generosity faith self knowledge patience and love are developed with stories and teachings by Turkish Sufi master Sheikh Muzaffer Ozak A mesmerizing storyteller master teacher and prolific author in his native country he was ideally suited to bring the richness of the Sufi tradition to the West The chapters of this book skillfully edited and compiled by the psychologist and Sufi teacher Dr Robert Frager were derived from talks given during Sheikh Muzaffer's visits to New York and California over the last years of his life Sheikh Muzaffer Ozak understood Westerners as almost no Sufi master before him has His religious bookshop in Istanbul attracted hundreds of Western seekers visiting Turkey In his travels he initiated hundreds of Americans and Europeans into the Halveti Jerrahi Order interpreted their dreams and answered their questions about everything from theology and mysticism to marriage and earning a living These stories and teachings are memorable yet highly enigmatic and meant to be told and retold Like great spiritual parables the themes are universal and their applications ageless The astute reader will appreciate new levels of meaning in these profound teaching tales with each reading Love is the Wine is a treasury filled with priceless items of Sufi wisdom The Battle for Wine and Love Alice Feiring, 2009 I want my wines to tell a good story I want them natural and most of all like my dear friends I want them to speak the truth even if we argue says Alice Feiring Join her as she sets off on her one woman crusade against the tyranny of homogenization wine consultants and of course the 100 point scoring system of a certain all powerful wine writer Traveling through the ancient vineyards of the Loire and Champagne to Piedmont and Spain she goes in search of authentic barolo the last old style rioja and the tastiest new terroir driven champagnes She reveals just what goes into the average bottle the reverse osmosis the yeasts and enzymes the sawdust and oak chips and why she doesn't find much to drink in California And she introduces rebel winemakers who are embracing old fashioned techniques and making wines with individuality and soul No matter what your palate travel the wine world with Feiring and you'll have to ask yourself What do I really want in my glass **The Passion of Love in the Summa Theologiae of Thomas Aquinas** Daniel Joseph Gordon, 2023-05-19 This book is an introduction to three questions on love according to St Thomas Aquinas Summa Theologiae I II qq 26 28 These three questions reflect on the nature of love q 26 the causes of love q 27 and the effects of love q 28 It is thus an introduction to the entire phenomenon of love both as a bodily passion and an act of the will The purpose is to present the Thomistic and broadly scholastic account of human and divine love from a philosophical and theological perspective It aims to be a theological and philosophical study of the topic useful both for a graduate professional audience as part of an undergraduate or graduate course and perhaps for the educated reader The thesis of the book is that contrary to contemporary conceptions not all loves are created equal Some loves perfect us and some loves corrupt us The

worth of a love depends on its object and end St Thomas thus presents an objective and teleological account of human and divine love that is of philosophical and theological interest The method is broadly exegetical presenting a careful reading of the text and supplying the philosophical and theological background which the text of Aquinas assumes The scope of the work is limited to three questions ST I II qq 26 28 References to interpretative disputes of Aquinas and references to further resources in the secondary literature will be mostly limited to the footnotes making the body of the text accessible to more readers

Chance, Love, and Logic Charles Sanders Peirce, 1923 **Theologizing Friendship** Nathan Sumner

Lefler, 2014-09-15 In *Theologizing Friendship* the author aims to revitalize Jean Leclercq's defense of monastic theology while expanding and qualifying some of the central theses expounded in Leclercq's magisterial *The Love of Learning and the Desire for God* The current work contributes to a revised and updated status quaestionis concerning the theological relationship between classical monasticism and scholasticism construed in more systematic and speculative terms than those of Leclercq rendered here through the lens of friendship as a theological topos The work shares with Ivan Illich's *In the Vineyard of the Text* the conviction that the rise of the Schools Paris Oxford etc constitutes one of the greatest intellectual watersheds in the history of Western civilization where Illich's ruminations are largely philosophical and particularly epistemological the author's are theological and metaphysical In his novel proposal that within the monastic and scholastic milieux there obtain parallel threefold analogies among friendship reading and theology the author not only offers an original contribution to current scholarship but gestures towards avenues for institutional self examination much needed by the contemporary modern and postmodern Academy
