Just 23 Shy of 50 Shades of Ray Ray Bost,2025-07-30 I miss being able to sing It was a big part of my world something I gratefully enjoyed doing for more than fifty years It was always rewarding and a great and safe vehicle where I could display and express my emotions Freeing and cathartic are two words that come to mind woven deep in each opportunity to sing But time and Parkinson s disease have taken their toll and dramatically altered the landscape of my life My singing days are long gone given way to a treasure chest of cherished memories But the Lord has graciously gifted me with other opportunities to bare my soul It s been about four years since writing came in search of me Since then I ve been peering out through different shades and have been immersed in the use of the written word Beginning with essays that resonated deep within me I soon discovered there were others who were also affected by my efforts My hope is that today as you find yourself in the shade something you may read will land on your heart and simply brighten and add to your day Love to you Ray Bost **The**

Ford MacFarland never planned on anything beyond the ranch While his brothers served overseas or chased glory elsewhere Ford stayed behind choosing duty over adventure He's built a life rooted in responsibility steadfast solitary and predictable He's not a cowboy chasing dreams He's a cattleman who thought he knew what he wanted until he meets a woman who shows him there's a difference between being needed and being chosen Amelia's smart guarded and far too used to relying on herself She's in Montana working with Ford's brother Cash using her formidable cybersecurity skills to track people and untangle secrets She didn't come looking for love She's not the type to fall for a cattleman with rough hands and a steady heart but there's something about him that feels like safety and sparks all at once What starts as a cautious connection soon grows deeper but neither of them is ready for how fast life can change when the past comes calling Especially when that past doesn't just stir memories it rewrites the future Neither of them expected to find a connection that runs this deep or for the past to come knocking with a future they never saw coming But in the shadow of the mountains these two solitary souls may just discover that what they build together could be something unforgettable
