## Love Matters:

Love Matters Donna Goddard, 2024-06-03      *Love Matters Most* Eureka F. Collins, 2009 Do you seek to grow in God's love and to cultivate and maintain a loving and positive attitude? It is not easy in today's world where people are often consumed with panic, grief, and confusion. Love appears lost in people's hearts in this world of constant changes, technological advances, and war. With divorce and failed relationships, it is often difficult to understand how love is supposed to be. But in *Love Matters Most*, author Eureka F. Collins provides insights on living a lifestyle of love. Endowed with biblical references and verses, *Love Matters Most* shares lessons that transcend the typical love book. Collins reveals how you can recover your joy and happiness by learning what love does and does not do. This love experience centers on listening to the voice of God and allowing His love to penetrate your heart. You will understand what love is and stop trying to imitate society's ideals of love and happiness. With the assistance of a thirty-one day devotional, thirty-one days of one-minute prayers, and inspirational readings, you will develop a powerful prayer life and gain new insights into God's infinite love and ways to promote a loving lifestyle.

**Our Love Matters** Dr. Nicki Monti, 2014-01-09 *Our Love Matters: Find it, Fix it, or Let it Go* by Nicki J. Monti is the ultimate self-help, self-realization, and relationship management book available today. Dr. Nicki, as she is most commonly referred to from her TV show appearances, articles, podcasts, and live appearances, takes the reader to new levels as their guide on relationships and love. *Our Love Matters* is much more than a self-help book or a book about love. It is the ultimate guidebook on relationships, from finding love, fixing love, and even when to let love go. Dr. Nicki is neither your typical author nor your typical therapist. She is your guide, companion, and she skillfully intertwines her own life experiences within the experiences she shares with the reader of *Our Love Matters*. No matter how you look at it, *Our Love Does Matter*, and Dr. Nicki J. Monti will take you there. You may recognize Dr. Nicki's name or image as she has been featured on many reality TV shows, including *Keeping up with the Kardashians*, *Millionaire Matchmaker*, and many others. Dr. Nicki not only cuts through the sugar to get the point; she gets you on path to the relationship you want and deserve. If there is one book that any relationship could benefit from, it is *Our Love Matters*.

**Love Matters** Ellen Cole, Esther D. Rothblum, Linda Sutton, 2016-04-29 *Love Matters: A Book of Lesbian Romance and Relationships* is a collection of advice columns and personal reflections that will help lesbian couples validate and appreciate their unique relationships. With excerpts taken from the author's *Love Matters* column in the lesbian newspaper *New Phazes*, this book explores real-life questions and issues that lesbians have about dating, sex, love, and relationship longevity. From *Love Matters*, you'll receive honest, informative advice that can help you and your partner share a more open and fulfilling relationship. Offering support, care, and understanding for lesbian couples, *Love Matters* seeks to recognize the new female role for lesbian women. Using her 15-year-long relationship as a basis for many of the responses, the author provides you with suggestions and insight into topics relating to lesbian relationships, such as keeping sex alive in a long-term relationship, handling finances fairly, and successfully supporting your partner through the

physical emotional and spiritual changes caused by menopause identifying the difficulties of dating and what lesbians look for on a date questioning the purpose of and emotions caused by a long distance relationship realizing how homophobia affects love and relationships While focusing on the joys and experiences of couples this book also addresses depression and loneliness felt by single lesbians break ups and the death of a partner You ll find that Love Matters offers comfort hope and humor that will help you understand the difficulties and rewards of your lesbian relationship

*Lest We Lose Love* Scherto Gill,2023-04-18 Few are aware that since antiquity there has always been the philosophy of love at the core of Western culture It articulates what makes life meaningful and worthwhile and how we can live a good life together through an ethic of love This book fills this significant

gap not only reconnecting the reader with such important wisdom and more crucially also reorienting our socio economic institutions and collective actions towards more loving and caring and more concerned with the qualities of our lived experiences By re dis covering the gifts of love we may challenge the existing systemic dehumanisation and draw from knowledge and understanding already present in our culture This is timely because the global crises we are facing are catastrophic especially when it comes to climate change Therefore we must respond from a place of love rather than fear Whether it is reducing the use of fossil fuels lowering greenhouse emission choosing the right food to eat or advocating for structural transformation our concerted endeavours start with an appropriate appreciation of the nature of our well being which includes the planet s well ness This book highlights a clear pathway forward to ensure collective healing and co flourishing with nature we must practise the art of loving

Love's Vision Troy Jollimore, 2011-07-05 Love often seems uncontrollable and irrational but we just as frequently appear to have reasons for loving the people we do In Love s Vision Troy Jollimore offers a new way of understanding love that accommodates both of these facts arguing that love is guided by reason even as it resists and sometimes eludes rationality At the same time he reconsiders love s moral status acknowledging its moral dangers while arguing that it is at heart a moral phenomenon an emotion that demands empathy and calls us away from excessive self concern Love is revealed as neither wholly moral nor deeply immoral neither purely rational nor profoundly irrational Rather as Diotima says in Plato s Symposium love is something in between Jollimore makes his case by proposing a vision view of love according to which loving is a way of seeing that involves bestowing charitable attention on a loved one This view recognizes the truth in the cliché love is blind but holds that love s blindness does not undermine the idea that love is guided by reason Reasons play an important role in love even if they rest on facts that are not themselves rationally justifiable Filled with illuminating examples from literature Love s Vision is an original examination of a subject of vital philosophical and human concern

The Materiality of Love Anna Malinowska, Michael Gratzke, 2017-09-27 Drawing on love studies and research in material cultures this book seeks to re examine love through materiality studies especially their recent incarnations new materialism and object oriented philosophy to spark a debate on the relationship between love objects and forms of materializing affection It focuses on love as a material form and traces connections between feelings and materiality especially in relation to the changing notion of the material as marked by digital culture as well as the developments in understanding the nature of non human affect It provides insight into how materiality in its broadest sense impacts the understanding of the meanings and practices of love today and reversely how love contributes to the production and transformation of the material world

Being and Logos John Sallis, 2019-09-20 An exercise in the careful reading of the dialogues in their originary character Being and Logos is a philosophical adventure of rare inspiration Its power to illuminate the text its ecumenicity of inspiration its methodological rigor its originality and its philosophical profundity all together make it one of the few philosophical interpretations that the philosopher will want to re read along with the

dialogues themselves A superadded gift is the author's prose which is a model of lucidity and grace International Philosophical Quarterly Being and Logos is highly recommended for those who wish to learn how a thoughtful scholar approaches Platonic dialogues as well as for those who wish to consider a serious discussion of some basic themes in the dialogues The Academic Reviewer

**Attached at the Heart** Barbara Nicholson, Lysa Parker, 2013-08-06 Attached at the Heart offers readers practical parenting advice for the modern age In its most basic form attachment parenting is instinctive A crying baby is comforted and kept close to parents for protection If hungry he or she is breastfed And while it is understood that there is no

such thing as perfect parenting research suggests that there is a strong correlation between a heightened sense of respect empathy and affection in those children raised the attachment parenting way In this controversial book readers will gain much needed insight into childrearing while learning to trust the intuitive knowledge of their child ultimately building a strong foundation that will strengthen the parent child bond Contrary to popular belief attachment parenting has been practiced in one form or another since recorded history Over the years it had been slowly replaced by a more detached parenting style a style that is now believed by experts to be a lead contributing factor to suicide depression and violence The concept of attachment parenting a term originally coined by parenting experts William and Martha Sears has increasingly been validated by research in many fields of study such as child development psychology and neuroscience Also known as conscious parenting natural parenting compassionate parenting or empathic parenting its goal is to stimulate optimal child development While many attachment parenting recommendations likely counter popular societal beliefs authors Barbara Nicholson and Lysa Parker are quick to point out that the benefits outweigh the backlash of criticism that advocates of detached parenting may impose Law, Reason and Emotion Mortimer Sellers (org.), Catherine Moore (org.), Vitor Medrado (org.), Volume II Special Workshops Initia Via Editora
