The Nation ,1928 **So Long for Now** Jerry L. Rogers, 2017-03-09 Elden Duane Rogers died on March 19 1945 one of the eight hundred who perished on the aircraft carrier USS Franklin that day It was his nineteenth birthday Write home often the navy told sailors like Elden thinking it would keep up morale among sailors and those waiting for them stateside But they were told not to write anything about where they were where they had been where they were going what they were doing or even what the weather was like Spies were presumed everywhere and loose lips could sink ships Before a sailor s letter could be sealed and sent a censor read it and with a razor blade cut out words that told too much So Long for Now reconstructs the lost world of a sailor s daily life in World War II piecing together letters from Elden s family in Vega Texas and from his girlfriend the untold stories behind Elden s own letters and the context of the war itself Historian Jerry L Rogers delves past

censored letters limited to small talk and local gossip to conjure the danger excitement boredom and sacrifices that sailors in the Pacific theater endured He follows Elden from enlistment in the navy through every battle the USS Franklin saw Flight deck crashes kamikaze hits and tensions and alliances aboard ship all built to the unprecedented chaos and casualties of the Japanese air attack on March 19 So long for now Elden signed off never Goodbye This moving work poignantly confronts the horrors of war giving voice to a young sailor the country he served the family and friends he left behind and the hope that has sustained them
