Plato's Symposium Frisbee Sheffield, 2006-07-20 Frisbee Sheffield argues that the Symposium has been unduly marginalized by philosophers Although the topic eros and the setting at a symposium have seemed anomalous she demonstrates that both are intimately related to Plato s preoccupation with the nature of the good life with virtue and how it is acquired and transmitted For Plato analysing our desires is a way of reflecting on the kind of people we will turn out to be and on our chances of leading a worthwhile and happy life In its focus on the question why he considered desires to be amenable to this type of reflection this book explores Plato s ethics of desire

Critical and Miscellaneous Essays Thomas Carlyle, 1855 *The Works of William Shakespeare, Complete. Accurately Printed from the Text of the Corrected Copy Left by the Late G. Steevens, Esq. With a Memoir by A. Chalmers. [With Portrait and Illustrations.]* William Shakespeare, 1864

Richard Aldington Norman T. Gates, 2010-11 In the most comprehensive selection of his letters ever published Norman Gates allows Richard Aldington to tell the story of his life in his own words Unlike Aldington s autobiography *Life for Life s Sake* published twenty years before his death these letters include those two important decades of his life and do not depend upon memory Gates provides an introduction to each of the book s five sections sketching Aldington s biography during that decade but the reader may then listen to Aldington s own voice speaking through his letters Richard Aldington was married to the American poet H D and was a friend to many other writers and artists at the center of the Modern period His comments on his colleagues and their work his efforts to promote their literary fortunes his passionate love for two wives and two mistresses are all a part of these letters So too are his experiences on the editorial staffs of the *Egoist* and the *Criterion* which brought him to touch with European

and American writers For a clear picture of the literary world of this time Aldington's letters are indispensable Roger Ebert's Movie Yearbook 2013 Roger Ebert, 2012-12-04 Reviews originally appeared in the Chicago sun times **The Living Church**, 1979 **The Plays of William Shakspeare Accurately Printed from the Text of the Corrected Copies, Left by the Late George Steevens, Esq. and Edmond Malone, Esq** William Shakespeare, 1826 *Catholic Bioethics and the Gift of Human Life, Third Edition* William E. May, 2013-07-26 In this revision of his already classic text William May shows us once again the wisdom of the Catholic Church's moral tradition in its application to contemporary bioethics Illuminating and engaging and with the attention to nuance that marks all of May's writing Edward J Furton M A Ph D Ethicist and Director of Publications The National Catholic Bioethics Center Since it was first published Dr May's text *Catholic Bioethics and the Gift of Human Life* has served an irreplaceable role in Catholic moral education His new revision adds clear systematic treatments of several additional issues of pressing moral concern to the Church and society Catholic educators everywhere will welcome this excellent revision I welcome it E Christian Brugger Associate Professor of Moral Theology Institute for the Psychological Sciences With so much bioethical thinking supporting the culture of death I can think of no better champion of a culture of life than Professor William E May Professor May has given us a book which is useful not only for its masterful summary of the moral magisterium on bioethics but also for its treatment of such issues as contraception artificial reproduction the care of the dying human experimentation and the definition of death and organ transplants Dr Mark S Latkovic Associate Professor of Moral Theology Sacred Heart Major Seminary What the Church teaches and why on issues of euthanasia in vitro fertilization genetic counseling assisted suicide living wills persistent vegetative state organ transplants and more **The Plays of William Shakespeare : Accurately Printed from the Text of the Corrected Copy Left by the Late George Steevens** William Shakespeare, 1805 **The Plays of William Shakspeare, Accurately Printed from the Text of the Corrected Copies, Left by the Late G. Green, Jacqueline Lapsley, Rebekah Miles, Allen Verhey, 2011-11 Leading scholars from the fields of biblical studies and ethics provide a one stop reference book on the vital relationship between Scripture and ethics A New English Dictionary on Historical Principles: part 1. O-Pf (1905) James Augustus Henry Murray, 1905 Trinity, Freedom and Love Piotr Malysz, 2012-08-02 By critically engaging Eberhard J ngel's doctrine of the Trinity this volume makes a broader constructive contribution to contemporary trinitarian thought The argument centers on the question posed by the inconsistencies uncovered in J ngel's doctrine of God of how one can assert both divine freedom and the intersubjectivity of

God's trinitarian self-determination Can one maintain God's freedom in the interest of divine spontaneity and creativity while remaining committed to inter-subjective vulnerability which the Cross entails as an event of divine love Malysz suggests that a resolution to this problem lies in a logic of divine freedom which next to the trinitarian logic of love constitutes a different and simultaneous mode of trinitarian relationality To develop this logic Malysz draws on Jungel's understanding of human freedom as rooted in the elemental interruption of the self-securing subject Malysz thus not only brings Jungel's view of divine freedom into correspondence with the anthropological effects that Jungel ascribes to it but above all offers an imaginative new way of closely integrating the doctrine of God and theological anthropology

The Poverty of Eros in Plato's

Symposium Lorelle D. Lamascus, 2016-03-24 The Poverty of Eros in Plato's Symposium offers an innovative new approach towards Eros and the concept of Eros in the Symposium Lorelle D. Lamascus argues that Plato's depiction of Eros as the child of Poverty (penia) and Resource (poros) is central to understanding the nature of love Eros is traditionally seen as self-interested or acquisitive but this book argues instead that Eros and reason are properly in accord with one another The moral life and the philosophical life alike depend upon properly trained and directed Eros Lamascus demonstrates that the presentation of the nature of Poverty is essential to the nature of Eros in the Symposium doing this through in-depth discussion of the major twentieth-century interpretations of Platonic Eros The book shows that poverty provides an appropriate directing of Eros towards eternal and unchanging goods and away from an age geared towards material items and wealth and thus that Plato's mythical treatment of Eros in the Symposium lays the groundwork for understanding the soul's embrace of poverty as a way of living, loving, and knowing
